California Department of Justice Proposition 69 DNA Data Bank
Program Report for Third Quarter 2022

Since the California DNA (CAL-DNA) Data Bank Program's inception on November 3, 2004, the California Department of Justice (DOJ), Division of Law Enforcement (DLE), Bureau of Forensic Services (BFS) has provided DNA typing services to support California's law enforcement agencies with the State's DNA data bank. All of the BFS DNA programs, including the CAL-DNA Data Bank, are accredited by the ANSI (American National Standards Institute) National Accreditation Board (ANAB). Seventeen local crime laboratories and seven BFS laboratories/sections participate in the CAL-DNA Data Bank and the National DNA Index System (NDIS) as part of the Combined DNA Index System (CODIS).

In accordance with the requirements of Penal Code (PC) section 295(h)(4), the following statistics have been prepared based on the last quarter for which complete information exists.

For the quarter 7/1/22 – 9/30/22:

Number of data bank samples (i.e., convicted offender and arrestee) received:	**23,938**
Number of data bank profiles uploaded to CAL-DNA's CODIS:	**21,210**
Number of case evidence profiles uploaded to CAL-DNA's CODIS:	**2,865**

From the CAL-DNA Data Bank Program's inception (i.e., 11/3/04) to 9/30/22:

Total number of data bank samples received:	**3,231,870**
Total number of data bank samples received from the Department of Corrections and Rehabilitation:	**459,115**
Total number of data bank profiles uploaded to CAL-DNA's CODIS:	**3,170,520**
Total number of case evidence profiles uploaded to CAL-DNA's CODIS:	**152,343**
Total number of CODIS hits (a hit is an association of an evidence DNA profile with the DNA profile of an arrestee, a convicted offender, or evidence from a different case):	**99,584**
Total number of investigations aided per CODIS guidelines:	**124,550**
Total DNA funds collected under the provisions of Government Code sections 76104.6 and 76104.7 (i.e., from CAL-DNA's inception through 9/30/22):	**$759,431,682**

Amounts appropriated by the Legislature as per PC § 295(h)(4) in fiscal year 2022-23 for the Bureau of Forensic Services **overall**:

DNA Identification Fund:	**$64,793,000**
General Fund:	**$8,123,000**

Amounts expended or disbursed by DOJ in fiscal year 2022-23 (as of 9/30/22):

Bureau of Forensic Services **other than** Data Bank:	**$14,422,087**
CAL-DNA Data Bank:	**$8,192,069**
California Justice Information Services (CJIS) Division for Data Bank operations: (Hawkins Data Center, Palm Print, and Criminal History databases)	**$19,571**
