Complaint Filed: May 26, 2026
Trial Date: TBD

Document ID: CC0984FF3A617EDAEE4C2F92EE019FD9

I. INTRODUCTION

1.1 The Parties. This Consent Judgment is entered into by and between CalSafe Research Center, Inc. ("Plaintiff"), and Redmond Trading Company, L.C. dba Redmond Life ("Defendant"). Plaintiff and Defendant may hereinafter be referred to individually as a "Party" or collectively as the "Parties".

1.2 General Allegations. On May 26, 2026, Plaintiff initiated this action by filing a Complaint for Civil Penalties and Injunctive Relief (the "Complaint") pursuant to *Health & Safety Code* § 25249.5 *et seq.* ("Proposition 65") against Defendant. In this action, Plaintiff alleges that Defendant's powder drink mixes, including but not limited to "Redmond Life, Re-Lyte Pre-Workout Sample Pack (UPC# 018788111559) (collectively the "Covered Products") contain lead, a chemical listed under Proposition 65 as a carcinogen and reproductive toxin. Plaintiff alleges that the Covered Products expose consumers to lead at a level requiring a Proposition 65 warning. Plaintiff alleges that Defendant qualifies as a person in the course of doing business within the meaning of Proposition 65, and that Defendant manufactures, distributes, and/or offers for sale in the State of California the Covered Products.

1.3 Notice of Violation. The Complaint is based on allegations contained in Plaintiff's Notice of Violation dated July 3, 2025 (the "Notice"), which was served on the California Attorney General, other public enforcers, and Defendant. A true and correct copy of the Notice is attached hereto as **Exhibit A** and incorporated by reference. More than 60 days have passed since the Notice was served on the Attorney General, public enforcers, and Defendant; to the Parties knowledge, no designated governmental entity has filed a Complaint against Defendant with regard to the Covered Products or the alleged violations.

1.4 Plaintiff's Notice and Complaint allege that the use of the Covered Products by California consumers exposes them to lead without first receiving a clear and reasonable warning from Defendant, in violation of California *Health & Safety Code* § 25249.6. Defendant denies all allegations contained in the Notice and Complaint.

1.5 The Parties have entered into this Consent Judgment in order to fully settle, compromise, and resolve disputed claims and thus avoid prolonged and costly litigation.

Document ID: CC0984FF3A617EDAEE4C2F92EE019FD9

Defendant denies the material, factual, and legal allegations in the Notice and Complaint and maintains that all of the products, including the Covered Products, that it manufactures, sells, sold and/or distributed for sale in the State of California have been and are in compliance with all laws. Defendant maintains that it has not knowingly distributed, imported, manufactured, sold, or caused to be distributed, imported, manufactured, or sold the Covered Products for sale in the State of California in violation of Proposition 65. Nothing in this Consent Judgment nor compliance with this Consent Judgment shall constitute or be construed as an admission by Defendant or by any of their respective officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, packagers, wholesalers, co-manufacturers, marketplace hosts, or retailers of any fact, finding, conclusion, issue of law, or violation of law, such specifically denied by the Defendant. This Section shall not, however, diminish or otherwise affect Defendant's obligations, responsibilities, and duties under this Consent Judgment.

1.6 Except as expressly set forth herein, nothing in this Consent Judgment shall prejudice, waive, or impair any right, remedy, argument, or defense the Parties may have in any current or future legal proceeding unrelated to this proceeding.

1.7 Effective Date. For purposes of this Consent Judgment, the "Effective Date" shall be the date on which a Notice of Entry of Judgment is served to Defendant.

1.8 Compliance Date. For purposes of this Consent Judgment, the "Compliance Date" shall mean six (6) months after the Effective Date.

II. JURISDICTION AND VENUE

2.1 For purposes of this Consent Judgment and any further court action that may become necessary to enforce this Consent Judgment only, the Parties stipulate that this Court has subject matter jurisdiction over the allegations of violations contained in the Complaint and personal jurisdiction over Defendant as to the acts alleged in the Complaint.

2.2 For purposes of this Consent Judgment only, the Parties stipulate that venue is proper in Los Angeles County, California, and that this Court has jurisdiction to enter this Consent Judgment as a full, final and binding resolution of all claims up through and including

the Compliance Date that were or could have been asserted in this action based on the facts alleged in the Notice and Complaint.

III. INJUNCTIVE RELIEF

3.1 Lead Reduction, Target Level, Compliance Date. Beginning on the Compliance Date, all Covered Products Defendant manufactures for sale in the State of California, distributes for sale in the State of California or "ships for sale in the State of California" shall not expose a person to an exposure level of more than 0.5 micrograms of lead per serving, with serving size measured by the serving size specified on the label of the Covered Products (the "Target Level"), unless the Covered Products meet the warning requirements set out in Paragraphs 3.3 through 3.6 herein.

3.2 Shipped for Sale in California. "Ships for sale in the State of California" means Covered Products that Defendant either directly ships to California for sale in California, or that it sells to a distributor or retailer who Defendant knows will sell the Covered Products to consumers in California.

3.3 Clear and Reasonable Warnings, When Required. If Covered Products require a warning pursuant to Sections 3.1 and 3.2, a clear and reasonable warning for the Covered Products shall consist of a warning affixed to the packaging, label, tag, or directly to the Covered Products Defendant Ships for Sale in California. If Covered Products require a warning pursuant to Sections 3.1 and 3.2, except as set forth herein, one of the following warnings must be utilized:

> **WARNING:** Consuming this product can expose you to chemicals including lead, which is [are] known to the State of California to cause [cancer and] birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

OR

Document ID: CC0984FF3A617EDAEE4C2F92EE019FD9

WARNING: Can expose you to lead, a [carcinogen and] reproductive toxicant. See www.P65Warnings.ca.gov/food.

Defendant may, at its option, use the words **"CA WARNING:"** or **"CALIFORNIA WARNING:"** instead of the word **"WARNING:"** for any of the options set forth above**.** Defendant shall use the phrase "cancer and" and "carcinogen and" in the Warning if Defendant has reason to believe that the daily lead exposure level is greater than fifteen (15) micrograms per day, as determined pursuant to the methodology set forth in Paragraph 3.1, or if Defendant has reason to believe that another Proposition 65 chemical is present in the Covered Products at a level requiring a cancer warning. If a chemical is present at a level requiring a cancer warning, the chemical requiring use of the cancer phrase in the Warning shall always be identified.

If Covered Products require a warning pursuant to Sections 3.1 and 3.2, the warning shall be offset in a box with a black outline and must be in a type size no smaller than the largest type size used for other consumer information on the Covered Products. "Consumer information" includes warnings, directions for use, ingredient lists, and nutritional information. "Consumer information" does not include the brand name, product name, company name, location of manufacture, or product advertising. In no case shall the warning appear in a type size smaller than six (6) point type. The warning shall comply with 27 C.C.R. § 25607.1(c). Specifically, where the product sign, label, or shelf tag used to provide a warning includes consumer information in a language other than English, the warning must also be provided in that language in addition to English.

3.4 Warnings for Internet Sales. For any Covered Products that require a warning pursuant to Sections 3.1 and 3.2 and are sold over the internet directly by Defendant and shipped to the State of California, the warning shall be displayed as follows: (A) on the primary display page for the Covered Products; (B) as a clearly marked hyperlink using the word "WARNING" or "CA WARNING" or "CALIFORNIA WARNING" in all capital and bold letters on the Covered Products' primary display page, so long as the hyperlink goes directly to a page

Document ID: CC0984FF3A617EDAEE4C2F92EE019FD9

prominently displaying the warning without content that detracts from the warning; (C) on the checkout page or any other page in the checkout process when a California delivery address is indicated for the purchase of the Covered Products and with the warning clearly associated with the Covered Products to indicate that the Covered Products are subject to the warning; or (D) by otherwise prominently displaying the warning to the purchaser prior to completing the purchase of the Covered Products. The warning is not prominently displayed if the purchaser must search for it in the general content of the website. For any Covered Products sold on websites over which Defendant does not exercise control, Defendant shall comply with the notice requirements of 27 C.C.R. § 25600.2(b), as it may be amended from time to time.

3.5 Warning Prominence. Defendant agrees that each warning shall be prominently placed with such conspicuousness, as compared with the other words, statements, designs, or devices, as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use.

3.6 Compliance with Clear and Reasonable Warning. Defendant shall be deemed to be in compliance with this Consent Judgment by (A) adhering to Paragraphs 3.1 through 3.5, or (B) by complying with the warning requirements adopted by the State of California's Office of Environmental Health Hazard Assessment ("OEHHA") applicable to the Covered Products and chemical at issue, as they may be amended from time to time.

3.7 Grace Period of Existing Inventory. The injunctive requirements of Section III shall not apply to the Covered Products that are already in the stream of commerce as of the Compliance Date, which Covered Products are expressly subject to the releases provided in Section V.

3.8 Entry of Consent Judgment. Upon execution of this Consent Judgment by the Parties, Plaintiff shall notice a Motion for Court Approval and, within ten (10) days of approval of the Consent Judgment by the Court, comply with the requirements set forth in California *Health & Safety Code* § 25249.7(f).

Document ID: CC0984FF3A617EDAEE4C2F92EE019FD9

3.10 Void if Not Approved. If this Consent Judgment is not approved by the Court, it shall be void and have no force or effect.
