Section B. Estimated Costs

5. Are there comparable Federal regulations? Yes.

Per the Code of Federal Regulations, Title 27 section 478.99 subdivision (c)(5), an alien illegally or unlawfully in the United States is prohibited from owning or possessing firearms or ammunition. Federal regulations explain who is prohibited from what activities. The Department's regulation is necessary to explain the process of how the Department will determine if an individual is prohibited (i.e. does not have lawful presence in the United States). In addition, it clarifies what documentation an individual shall provide to prove they have lawful presence in the United States if they possess a driver license or identification card that states, "FEDERAL LIMITS APPLY."
