**CRYSTAL PARK CASINO HOTEL
NO BUST BLACKJACK BONUS HANDS
FIXED AND PROGRESSIVE PRIZES**

SUMMARY OF THE GAME

Based on customer demand, industry trends and desire to reward players more frequently, the Crystal Park Casino Hotel herein referred to as "CPCH", proposes to add an additional "Fixed Hand Jackpot Prize". The "Fixed Hand Jackpot Prize" will reward a player who receives a "Qualifying Hand" with a fixed prize or a progressive prize. The bonus hand(s) will be in addition to existing and approved Blackjack Jackpots that are offered in the California Games section of the Casino. These additional bonus hands will generate additional prize venues for the Casino patrons. CPCH will continue to offer the California Jackpot Games that may have been previously approved by the Division of Gambling Control.

It will now be possible for a player to win both the "Bad-Beat Jackpot" when applicable and the "Bonus Hand Jackpots" simultaneously with the same hand. Players may qualify for any Jackpot Prize without paying a fee or other considerations, by participating in a demonstration table where there is no live wagering, no fee or Jackpot Collection, or other considerations ("No Purchase Necessary").

THE PRIZE

When a player receives a pre-designated Bonus Hand in No Bust Blackjack, they will be awarded a pre-determined and advertised fixed prize or progressive prize which may be cash, merchandise, and/or tournament entries which will be selected prior to advertising of the Blackjack Bonus Hands Prize. CPCH will record all winnings as part of the California Jackpot Games Prize accounting records. The player will be paid regardless of whether their hand receives action in the normal course of a round of play. A player may be eligible to win a designated Bonus Hand and a Bad-Beat hand when applicable if their hand qualifies for both. Players will be aware of the available prizes and qualifying hands by signs placed at the gaming tables where the original jackpot hand is played.

A prize ("Jackpot Prize") will be awarded when one player places an optional fee at a game and obtains a specified hand and loses, pushes or wins to a player/dealer. As this is a Progressive Jackpot, the amount of the Jackpot Prize will vary depending on the volume of play and the frequency in which players obtain a Qualifying Hand. CPCH will control the allocation of the Jackpot Collection to Jackpot Prize. The available Jackpot Prize will be posted on either an electronic board or poster centrally located in the California Games section of the Casino. The posting will be updated as the prize is increased or decreased so that all players will have ample notice of the current Jackpot Prize.

When player(s) obtain the specified hand combination and claim the Jackpot Prize, the qualifying hands will be verified by the dealer and a floor person. Surveillance cameras will be utilized to assure all employees and customers followed the required procedures. The winning

player(s) identification will be obtained and necessary paperwork completed prior to the payout of the Jackpot Prizes. CPCH will record all prizes awarded and the names of the winners as a part of its No Bust Blackjack Jackpot accounting records.

CPCH reserves the right to inspect all reported winning bonus hands and to refuse payment of a Bonus Prize in the event that it is determined that proper rules and procedures were not followed and/or cheating occurred. CPCH will maintain records, including video surveillance, of all instances where a jackpot prize was not paid, for the purposes of future review by the Division of Gambling Control and/or other law enforcement agencies.

FUNDING

Fixed and Progressive Jackpot Prizes will be funded by the same collection fee paid by the players prior to the start of each hand ("Jackpot Collection"). The Bonus Hand Jackpot Collection will be twenty five cents to one dollar per hand depending on the stakes of the game. The amount of the Jackpot Collection will be posted within view of each participating table. Bonus Hand Jackpot Collections are determined and collected prior to the start of each hand. Jackpot Collections are not calculated based on a percentage of the amount wagered. CPCH will provide the initial seeding of the Jackpot Fund and may, from time-to-time, provide additional infusions of money to add to the size of the pool and excitement of the game.

The Fixed Blackjack Bonus Prize will be funded by the players. Players' participation in this Bonus Jackpot Prize is optional. Players would post the fee for this Bonus Jackpot voluntarily regardless of their seating positions. The prize amount may also be progressive on one or more hands. Once a fixed prize or progressive prize is awarded, the amount will be immediately re-seeded or adjusted and be made available to all participating players. All funds for this prize will come from the California Games or Blackjack Jackpot Fund. The Casino may increase the prize amount in increments of 2x, 3x, 4x, etc., of the wager to the maximum prize amount, to add excitement to the game and to reward the players when there is a large jackpot reserve.

JACKPOT COLLECTION AND ACCOUNTING PROCEDURES

The Jackpot Collection from all No Bust Blackjack will be collected, counted, secured and recorded in the same manner as the table fees are paid to CPCH. The dealer will collect this fee (in the form of chips) prior to the start of each hand and deposit the fee in a locked Jackpot Collection Box at the table. The Jackpot Collection Box will be different from the box used for table fees. The locked Jackpot Collection Boxes will be gathered by casino security staff at designated times and transported to the secure CPCH count room. In the count room, the Jackpot Collection Boxes will be unlocked and the contents counted subject to minimum internal control standards similar to those used by CPCH in collecting its table fees. In addition, all count team activity is under constant video camera observation. The total dollar volume of the chips taken from each Jackpot Collection Box will be recorded on a Daily Jackpot Collection Report ("Jackpot Collection Report") that will be maintained as an accounting record and shall be available to the Division of Gambling Control and the City for audit and inspection. 8. Explain any prize distribution including prizes given to the winner, loser, or any other player or patron.

When a player presents a AG coupon to play a particular hand in a Blackjack game, and they win that particular hand, they will be awarded that amount of money (in casino chips). When a patron receives a coupon they may use it in any of the controlled games listed above. Each coupon will state the specific qualifying game(s) that the coupon may be used on as well as the value of the coupon ranging from \$5 to \$1,000. The player will simply place this coupon on an eligible table and that will represent the amount that they are wagering on that particular hand. If a player has more than one AG coupon they can only use one per wager. Additionally, the player is still responsible for any collection fees that apply to a wager, as part of the base game.

EXAMPLE: A person receives a PC coupon with a value of \$5.00 that specifically states it may be used to place a wager on the Pure 21.5 Blackjack table. The player would place the coupon on the gaming table and pay the posted collection for a single hand of play. If the player wins the hand, he/she will receive \$5.00 just as if they had placed a \$5.00 bet and the player/dealer will collect the coupon. The player/dealer shall then have a floor person verify that it was used by a player and won against the player/dealer position. Once verified, the floorperson will document the use of the promotional chip in a log as well as the amount of the PC, and exchange the promotional chip with a casino chip of equal value. The floorperson will then take the verified promotional chip to the cage where it will be stored. All losing coupons will not have the option. If the player loses, the coupon is forfeited and the coupon will be collected by the casino dealer. If the player pushes (receives no action), the coupon may be played again until the player wins or loses a hand.

The floorperson will monitor the play of PCs and all collected ones will be tracked, document each PC transaction on a log as shown below, and stored in the casino's cage area.

There is no minimum or maximum number of players required to be participating in a game in order for a player to use a PC. Additionally, seated players as well as backline bettors can place a PC.

The promotional chip shall only be used as the player's initial wager and may not be used to double down or split. If a player splits or doubles down on their hand, they must use their own chips to do so.

9. Explain any re-seeding of the fund once the prize is won.

11. Explain if the house is retaining any administrative or any other type of fee operating the game activity.

N/A

12. Describe any opportunity(s) for the person to play for the prize without placing any live wagers or paying any table fees.

There is not a "chance" element to this game so No Purchase Necessary does not apply.

13. Provide copies of any published/proposed promotion or advertisement literature.

N/A

14. Identify any entity or person other than those licensed as the house involved in the gaming activity.

The Crystal Park Casino's

Bonus Poker Jackpots

SUMMARY OF THE GAME

Based on customer demand and industry trends, The Crystal Park Casino proposes to add an additional bad-beat qualifying prize hand to the existing Jackpot element in all Poker games. This additional hand combination will generate additional prizes without additional cost to the poker players. The Crystal Park Casino will continue to offer the current Poker Jackpot games as they were approved by the Division of Gambling Control (Division). The Crystal Park Casino reserves the right to change the designated hands currently offered in the Poker Jackpot bad-beat hands to one of the variations listed in this proposal, and to notify the Division of such change.

The Crystal Park Casino will provide ample advance notice to the Division in writing as to anticipated changes in the designated hands for the existing bad-beat Qualifying Hands. The Crystal Park Casino will not deviate from the proposed Qualifying Hands listed in this proposal. The Crystal Park Casino will provide ample notice to the patrons via flyers, and the electronic Jackpot Prize Board which has a scrolling message display, of any changes to the Qualifying Hands. The additional Jackpot element will be funded by the existing Jackpot Fund. No additional collections or fees will be required. The existing Jackpot Fund is generated by a fixed, per hand table fee, previously approved by the Division.

Players may qualify for any Jackpot Prize without paying a fee or other consideration by participating at a demonstration table where there is no live wagering, no fee or Jackpot Collection, or other consideration ("No Purchase Necessary").

THE PRIZE

During posted times, the Bonus Poker Jackpot Prize will be awarded when one player at a designated game obtains a specified Qualifying Hand regardless of whether the player wins or loses. The Crystal Park Casino will advertise the Bonus Jackpot Prize throughout the Poker section as well as with flyers and on the electronic Jackpot Prize Board. The Crystal Park Casino may infuse the Bonus Poker Jackpot Prize by multiples (i.e. 2x, 3 xs, etc.) during designated hours. The postings of the available Bonus Poker Jackpot Prize will be updated as it increases or decreases or is awarded. The postings will be immediately updated so players will have ample and current notice of the available Bonus Poker Jackpot Prize.

When players obtain the Qualifying Hands for the Bonus Poker Jackpot Prize, and claim the same, the hand will be verified in the same manner that the current Poker Jackpot Hand is verified by casino personnel. This includes physical verification by The Crystal Park Casino dealer, floorperson, and/or supervisor. Surveillance cameras will be utilized to ensure all employees and customers have followed the required rules and procedures. The winning player's identification will be obtained and all required paperwork will be completed prior to the payout of the Bonus Poker Jackpot Prize. The Crystal Park Casino will record all winnings as part of the Bonus Poker Jackpot Prize accounting records.

After a winning hand is confirmed, the player's hand will be verified by a floorperson. The fixed Jackpot Prize may be cash, merchandise, and/or tournament entries which will be selected prior to advertising of the Bonus Poker Jackpot Prize. A fixed Jackpot Prize will also be awarded among all other players at the table who have made a wager and paid a table collection fee for that particular hand. In the very unlikely event that two (2) players achieve a Qualifying Hand in the same round of play, only the highest two ranking hands will qualify. The remaining players will still share a fixed Jackpot Prize.

The Crystal Park Casino reserves the right to inspect all purported Qualifying Hands and to refuse payment of a Bonus Poker Jackpot Prize in the event that it is determined that proper rules and procedures were not followed and/or cheating occurred. The Crystal Park Casino will maintain records, including video surveillance, of all instances where a Bonus Poker Jackpot Prize was not paid, for the purposes of future Division and/or law enforcement review. The Jackpot Prize will be offered at \$25.00.

FUNDING

The fixed Jackpot Prize will be funded by the same Jackpot Fund that is used for Poker Jackpot Prizes currently available at The Crystal Park Casino. The Jackpot Collection will not change from the current rate, nor will an additional rate be implemented for this proposal. In no way is the collection rate based on a percentage of the amount wagered in a game. There will be no additional cost to the poker customers. The Jackpot Collection is determined and posted prior to the start of each designated game. The amount of the collection is clearly displayed on each table where the Jackpot element is offered as well as in brochures and flyers.

The Crystal Park Casino may provide initial seeding of the Bonus Poker Jackpot Prize and may from time to time provide additional infusions of money to add to the size of the Bonus Poker Jackpot Prize as well as to the excitement of the game.

NO PURCHASE NECESSARY PROCEDURES

The Bonus Poker Jackpot Prize will be offered to customers who wish to participate for free, on a general and indiscriminate basis. The Crystal Park Casino will offer a demonstration table for all customers requesting to participate for the Bonus Poker Jackpot Prize without requiring them to pay a table fee, Jackpot Collection or any type of consideration. There will be no live wagers at these tables. Participants in the no purchase necessary tables will be eligible to win their portion of the Bonus Poker Jackpot Prize if they receive the Qualifying Hand. The remainder of the Bonus Poker Jackpot Prize will remain in the Jackpot Fund.

As in other Jackpot games, in the event that only one patron requests to participate at a demonstration table for no purchase necessary, The Crystal Park Casino dealer at the demonstration table will deal additional hands to all empty seat positions at the table to simulate a full game, thus providing the patron the optimum chance to receive a designated Qualifying Hand. The dealer will monitor and play all hands dealt to the empty seat positions and play them according to the published house rules. Advertisements and rule sheets will advise all patrons that there is a general and indiscriminate opportunity to participate in a no purchase necessary game.

FLAT ADMINISTRATIVE FEE

The Crystal Park Casino will retain a flat administrative fee from the Jackpot Fund based on the number of table hours played in the Jackpot Poker Games. This fee will be predetermined and accounted for. The fee is not based on the amount of money in the Jackpot Fund. The fee will take into consideration market conditions and the administrative cost of operating and administering the Jackpot Fund. The Crystal Park Casino has currently determined the administrative fee will be in the range of \$2.00 to \$6.00 per table hour for Poker Jackpot games. This is the same administrative fee that has been previously approved by the Division. The Crystal Park Casino does not anticipate any change in the fee at this time. There is no additional fee for the Bonus Poker Jackpot promotion.

ELIGIBILITY FOR THE JACKPOT PRIZE

All players participating at a designated Bonus Poker Jackpot Prize table who place a wager and pay a collection fee are eligible for their share of the Bonus Poker Jackpot Prize. All persons seeking to participate in a Jackpot game on a no purchase necessary basis are eligible to win their share of the Bonus Poker Jackpot Prize as well, without placing a wager, paying a collection fee or other consideration, on a general and indiscriminate basis. The Bonus Poker Jackpot will not replace the already approved California Poker Jackpot games currently offered at The Crystal Park Casino, but will be an addition to it.

The fixed hand will be in addition to the currently approved California Jackpot Games offered in the California/Asian section of the Casino. This additional fixed hand combination will generate additional prizes for the patrons without additional costs or fees assessed to the players of California/Asian games. The Crystal Park Casino will continue to offer the California Jackpot Games as they were previously approved by the Division of Gambling Control (Division).

A player may win both a bad-beat jackpot and the fixed hand jackpot with the same hand. Players may qualify for any Jackpot Prize without paying a fee or other consideration by participating at a demonstration table where there is no live wagering, no fee or Jackpot Collection, or other consideration ("No Purchase Necessary").

A player may be eligible to win a designated fixed hand and a bad-beat hand if their hand qualifies for both. Players will be aware of the available prizes and qualifying hands by signs placed at the gaming tables where the original jackpot hand is played as well as the California Jackpot Games Bonus Hand.

After a winning (fixed) hand is confirmed, the player will be awarded the posted fixed prize. This is not a "bad-beat" hand so the winning hand is not compared to any other players or the Player/Dealer's hand. As an example, a Pai Gow Poker player who has a seven card nine high would simply be awarded the fixed prize regardless of the value of other players' hands or whether they won or lost the hand of the base, or original game. The Crystal Park Casino

reserves the right to inspect all purported winning fixed hands and to refuse payment of a California Jackpot Bonus Prize in the event that it is determined that proper rules and procedures were not followed and/or cheating occurred. RE: High Hand/ Casino Fever Promotion

Dear Catherine:

In regards to your June 17, 2002 letter addressed to Jim Smith – Director of Gaming, Crystal Park Casino Hotel (CPCH), the following will address your questions:

High Hand Hi-Lo

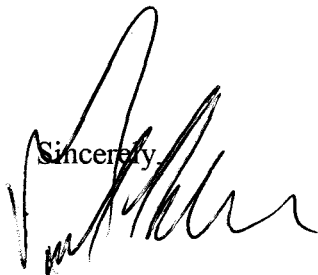

1. What games are involved in High Hand Hi-Lo?
All approved Poker games
2. Provide details on the games offered under High Hand Hi-Lo to include: table limits, any fee collection and who pays and when paid.
Please refer to the December 21, 2001 gaming report submitted to the attention of Ed Ching for details on game play, table limits and fee collections. Patrons pay collection rates at the start of the game.
3. What constitutes a qualifying hand for each game that is involved in High Hand Hi-Lo?
Top five ranking Poker hands from all Poker games for the week beginning on each Sunday at 9:01 PM qualify.
4. Is an ID required for players who are not playing at a free table?
No identification is requested at either no purchase/ free instructional tables. The only exception would be for patrons who appear to be under the age of twenty-one.

RE: High Hand/ Casino Fever Promotion

Casino Fever Hi-Lo

1. In Pan 9, what constitutes a Natural nine on the first three cards?
A total of a '9' in the first three cards dealt.
Example: 3 + 3 + 3 = Natural nine
2. A suited twenty one is referenced in Blackjack as a winning hand that would receive a free entry ticket? Explain how this does constitute not a prohibited game and does not violate the Penal Code?
Ace plus a ten-value card is a Blackjack. A suited is when the Ace plus the ten-value card are of the same suite.
Example: Ace of heart plus ten of heart.
3. Explain how the Hi-Lo contest operation does not constitute a game of chance and an illegal lottery under the Penal Code?
Penal Code Section 330 proscribe certain specifically identified card and gambling games, as well as any banking or percentage game (In Sullivan vs. Fox, 1987, 189 Cal. App. 3D 673, 678-679). The Court of Appeals identified a banking game as one in which the house or bank is the principal participant in the game. A percentage game is one in which the house does not directly participate in the game, but collects a percentage from the game which may be computed from the amount of the bets made, winnings collected.
Since the Hi-Lo contest has no banking or percentage format and the game is not one of the eleven games prohibited under Section 330 of the Penal Code, CPOCH is of the opinion that this promotion violates no state or local laws and should be allowed to be offered to our patrons.

Sincerely,

Paul Chilleo

1. Who pays the fee collection for each base game?
Banker-Dealer pays extra fee.
2. When is the fee collection taken in each base game?
Fees associated with Jackpots are taken at the same time that regular table game fees are collected/ prior to game being dealt.
3. Is the jackpot prize amount for each game seeded by the Casino the minimum jackpot prize amount?
Yes
4. Will the jackpot prize amount for each game be immediately re-seeded once it is won?
Yes
5. The amended jackpot prize distribution accompanies this letter (please see page 2 of 4/ paragraph 2).
6. The "Jackpot Increases Form" contained in my gaming activity report contained a typing error. Please note that for the limit game of \$1.00 - \$2.00 and \$2.00 - \$4.00, the seed amount is \$1,000. For the limit game of \$3.00 - \$6.00, the seed amount is \$3,000. RE: Review of Pai Gow Poker Game Rules for Progressive Jackpots for Pokier Games

7. Explain the no purchase necessary table procedures and what direction the Casino gives to a patron wishing to play at these tables.
Crystal Park Table Jackpot will be offered for free to all persons who wish to participate in a No Purchase Necessary. CPCH will provide free instructional tables for all patrons who wish to participate in a Crystal Park Table Jackpot without paying a table fee or a Jackpot Collection. There will not be live wagers at these tables. Participants in No Purchase Necessary free instructional tables will be eligible to win the full-posted Jackpot prize when a designated Jackpot Hand has been achieved. There are no time restraints for patrons participating in a Jackpot by means of a free instructional table. Either a Shift Manager or a Floor Manager explains how the game is played and what constitutes a qualifying Jackpot hand to all patrons at free instructional tables.

8. Explain how the Casino will accommodate only one person wishing to play without placing a live wager or paying any table fees?
The one patron would be accommodated and be eligible for the jackpot in the same manner as if there were more than one patron at either a fee table or a free instructional table. If only one patron is participating in the Jackpot, the dealer would deal one hand to that patron and would deal four (4) dummy hands. If only two patrons are participating in the Jackpot, the dealer would deal one hand each to those two patrons and three (3) dummy hands, and so on. There are no time restrictions on patrons participating at a No Purchase Necessary table.

RE: Crystal Park Table Jackpot

Dear Cathy:

Please accept this letter as further clarification to my request for approval of a Crystal Park Table Jackpot.

Summary of Jackpot Proposal:

Crystal Park Casino Hotel (CPCH) proposes to add a progressive jackpot element ("Crystal Park Table Jackpot") to Poker games in which a prize is awarded to players who are participating in a game where a player with the second best possible hand is beaten by a player who obtains the best possible hand. Prizes are paid from a prize pool ("Jackpot Fund") funded by a fee paid by participating players. Players can qualify for the full prize without paying a fee, or other consideration, by participating in free instructional games where there is no live wagering, no jackpot collection and no table fees ("No Purchase Necessary").

Funding:

The Jackpot prizes will be funded by a separate collection fee paid by players prior to the start of each hand ("Jackpot Collection"). Depending on the stakes of the game, Jackpot Collections range from \$0.50 to \$2.00 per table hand. Jackpot Collections are not calculated based on a percentage of the amount wagered and are not removed from the "pot" or the amount wagered. CPCH will provide the initial seeding of the Jackpot Fund and may from time-to-time provide additional infusions of money to add to the size of the pool and the excitement of the game.

RE: Crystal Park Table Jackpot
January 24, 2003

Jackpot Collection Procedure:

Prior to the start of each hand, players will contribute a set amount for the jackpot collection. Jackpot fees from each game will be deposited at the table into a collection box, which is separate and apart from the box used for collecting table fees. The jackpot collection will be collected, counted and recorded separately on a Jackpot prize pool collection report, which will be maintained by our Accounting Department. The same accounting principals and safeguards as CPCH utilizes in the collection, counting and recording of its table fees will be utilized when dealing with jackpot collections. All jackpot funds will be maintained in a secure and separate account.

In No Purchase Necessary games, no table fee or Jackpot Collection will be posted.

Distribution of Prizes:

All of the money posted by players to the Jackpot Fund, minus a flat administrative fee, will be placed in the prize pool and distributed as prizes to participating players. CPCH will post the amount of the prize that participants in each game are eligible to win on a sign in the Poker section. CPCH will control the allocation of Jackpot prizes. When a player obtains a Jackpot hand, the player with the bad beat qualifying hand will receive fifty percent (50%) of the posted amount. The player who beats the bad beat qualifying hand will receive twenty five percent (25%) of the posted amount. The remaining twenty five percent (25%) is distributed evenly to the other players at the winning table. This percentage distribution may change if market conditions warrant. The amount of the each paid Jackpot Prize will then immediately be subtracted from the Jackpot Fund.

Flat Administrative Fee:

CPCH will retain a flat administrative fee from the Jackpot Fund based on the number of table hours that Crystal Park Table Jackpot is offered ("Administrative Fee"). The Administrative Fee will not fluctuate based on the amount of money placed into the Jackpot Fund. CPCH reserves the right to adjust its flat Administrative Fee based on market factors and costs of operating Crystal Park Table Jackpot. CPCH projects that its Administrative Fee will be in the range of \$2.00 to \$6.00 per table hour. CPCH will designate the flat Administrative Fee and will provide advance notice of its flat fee to all customers in its rulebook/ brochures in accordance with Regulations adopted by the California Gambling Commission and/ or the California Division of Gambling Control Regulations.

RE: Crystal Park Table Jackpot (clarification)
January 24, 2003

No Purchase Necessary Procedures:

Crystal Park Table Jackpot will be offered for free to all persons who wish to participate in a No Purchase Necessary. CPCH will provide free instructional tables for all patrons who wish to participate in a Crystal Park Table Jackpot without paying a table fee or a Jackpot Collection. There will not be live wagers at these tables. Participants in No Purchase Necessary free instructional tables will be eligible to win the full-posted Jackpot prize if they participate in a game where a player obtains the designated Jackpot Hand.

Accounting Procedures:

The Jackpot Collection from all poker games will be collected, counted, secured and recorded in the same manner as the table fees paid to CPCH. The dealer will collect this fee (in the form of chips only) from the designated player prior to the start of each hand and deposit the fee in locked Jackpot Collection box at the table. The Jackpot Collection box will be different from the box used for table fees. The locked Jackpot Collection boxes will be gathered by casino security staff at designated times and transported to the secure casino count room. In the count room, the Jackpot Collection boxes will be unlocked and the contents counted subject to minimum internal control standards similar to those used by CPCH in collecting its table fees and in other United States gaming jurisdictions. In addition, all count team activity will always be under constant observation of video cameras. The total dollar volume of the chips taken from each Jackpot Collection box shall be recorded on a Daily Jackpot Collection Report ("Jackpot Collection Report") that will be maintained as an accounting record and shall be available for audit and inspection. The Jackpot Collection Report will document the amount of Jackpot Collections received at each participating gaming table during each shift.

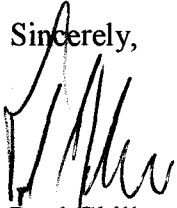

CPCH will accumulate the Jackpot Collections in a secure account until a player achieves a designated prize hand and a prize is paid. CPCH will obtain the name and address of each winner and will record this information along with the amount of the prize in its accounting records.

The Department of Justice/ Division of Gambling Control has approved this Jackpot for play at The Commerce Casino in Commerce, California.

RE: Pai-Gow Poker Jackpot

Dear Cathy:

Crystal Park Hotel Casino (CPHC) proposes to add a progressive jackpot element to the game of Pai-Gow Poker. Similar to the poker Jackpot games, players will be assessed a fixed fee, per hand and will qualify for a prize when a designated second hand is beaten by a designated first hand. Prizes are paid from a prize pool ("Jackpot Fund") funded by a fee paid by participating players. Players may qualify for the full Pai-Gow Poker Jackpot prize without paying a fee, or other consideration, by participating in free instructional games where there is no live wagering, no Jackpot Collection and no table fees ("No Purchase Necessary").

The rules and standards of play for the Pai-Gow Poker Jackpots are the same as in Caribbean Stud Poker Jackpot Game. The number of cards in the deck, the type of deck, the function of the dealer, the number of players, rotation of the player-dealer position, collection of table fees, betting limits and how winners are determined and paid will all be consistent with the approved version of Caribbean Stud Poker.

Since the jackpot element will be added to an existing game, the only change to the equipment will be in the addition of a separate collection box, which will be secured to the table and will be designated for the Jackpot Collection and used only for the collection of the jackpot funds. This will insure that Jackpot Collections are kept separate and apart from the table fee collection.

A prize ("Jackpot Prize") will be awarded when one player at a game obtains a specified second hand but loses to a player who obtains a better specified first hand ("Qualifying Hand"). As this is a progressive jackpot, the amount of the Jackpot Prize will vary depending on the volume of play and frequency in which players obtain a Qualifying Hand. CPHC will control the allocation of the Jackpot Collection to Jackpot Prize. The available Jackpot Prize will be posted on either an electronic board or poster centrally located in the California Games section of the Casino. The posting will be updated as the prize is increased or decreased so that all players will have ample notice of the current Jackpot Prize.

At the end of the point qualification, the top points winner could win a car or the top nine (9) winners will be granted a free entry into the \$10,000 main event.

SUPER 9 JACKPOTS

Summary of Game

Crystal Park Casino ("Casino") proposes to add a progressive jackpot element to Super 9. Similar to the existing Jackpot games attached to Poker, Blackjack, Pai Gow Poker and Caribbean Stud, players will be assessed a fixed fee, per hand, and will qualify for prizes when a designated hand is beaten. Prizes are paid from a prize pool ("California Games Jackpot Fund") funded by the fee paid by participating players. As discussed in more detail below, one hundred (100%) percent of the money received in Jackpot collections are either paid out in the form of prizes to customers or retained as an Administrative Fee by the Casino.

Players may qualify for the full Super 9 Jackpot prizes without paying a fee, or other consideration, by participating in free instructional games where there is no live wagering, no Jackpot Collection and no table fees ("No Purchase Necessary").

The Prize

Super 9 Jackpots three levels of prizes to participating players: (1) Bad Beat Jackpot Prize and (2) Super Jackpot Prize and (3) Royal Jackpot Prize. A prize is awarded when one player in a game obtains a specified hand but loses to a player with a better specified hand ("Qualifying Hands"). The Bad Beat Jackpot Prize and the Super Jackpot Prize are progressive. The amount of the Bad Beat Jackpot Prize and Super Jackpot Prize will vary depending on the volume of play and frequency with which players obtain a Qualifying Hand. The Royal Jackpot Prizes are fixed amounts.

Casino will control the allocation of the Jackpot Collection to Jackpot Prizes in the various games. The Jackpot Prizes will be posted on either an electronic board or poster centrally located in the California Games section of the Casino. The posting will be updated as the prize is increased or decreased so that all players will have ample notice of the current Jackpot Prize. Initial seeding of the Bad Beat Jackpot Prize will be a minimum of \$1,000.00; Super Jackpot Prize will be a minimum of \$3,000.00; and Royal Jackpot Prize will be a minimum of \$5,000.00. All Jackpots will be reseeded to at least the minimum immediately after a Jackpot Prize is paid to a winning player. The Bad Beat Jackpot Prize and the Super Jackpot Prize will be increased two (2) times per day. Casino will provide ample notice to patrons of the time and amount that the Jackpot seed will be increased. The Royal Jackpot is not progressive and will not be increased. Casino may provide multiples (i.e., 2x or 3x, etc.) of the Bad Beat, Super and Royal Jackpot Prizes during designated posted hours.

When players obtain the specified hand combination and claim the Jackpot Prize, the Qualifying Hands will be verified by the dealer and a floorperson. Surveillance cameras will be utilized to assure all employees and customers followed the required procedures.

The winning player's identification will be obtained and necessary paper work completed prior to the payout of the Jackpot Prizes. Casino will record all prizes awarded and the names of the winners as part of its California Games Jackpot accounting records.

After a winning hand is confirmed, the player who lost with the designated hand will receive sixty (60%) percent of the posted Jackpot Prize for that game, the player with the designated better hand will receive twenty (20%) percent of the posted Jackpot Prize and the remaining twenty (20%) percent of the posted Jackpot Prize will be evenly distributed among all other players at the table who have made a wager and paid a table fee collection for that particular hand.

Only one Jackpot Prize will be paid per round of play. In the unlikely event that more than two players achieve a Qualifying Hand in the same round of play, only the two highest ranking hands qualify. The remaining players at the table will share the twenty percent (20%) portion. Casino reserves the right to inspect all Qualifying Hands and to refuse payment of a jackpot prize in the event that it is determined that proper procedures were not followed.

Funding

California Games Jackpot Prizes will be funded by a separate collection fee paid by players prior to the start of each hand ("Jackpot Collection"). Initially, the Jackpot Collection will be \$1.00 per hand. Casino reserves the right to raise the Jackpot Collection in designated tables to \$2.00 or \$3.00 per hand after giving ample notice to both patrons and the California Division of Gambling Control. At all times, the amount of the Jackpot Collection will be conspicuously posted within view of each participating table.

Jackpot Collections are determined and collected prior to the start of each hand. Jackpot Collections are not calculated based on a percentage of the amount wagered. Casino will provide the initial seeding of the California Games Jackpot Fund and may from time-to-time provide additional infusions of money to add to the size of the pool and the excitement of the game.

The full Jackpot Collection will be posted by the player in the first Player-Dealer position. When there is more than one player participating in the first Player-Dealer position, the player who has the most money in action in the first Player-Dealer position will be responsible for posting the full Jackpot Collection.

Jackpot Collection & Accounting Procedures

The Jackpot Collection from all California Games will be collected, counted, secured and recorded in the same manner as the table fees paid to Casino. The dealer will collect this

fee (in the form of chips) prior to the start of each hand and deposit the fee in a locked Jackpot Collection Box at the table. The Jackpot Collection Box will be different from the box used for table fees. The locked Jackpot Collection Boxes will be gathered by casino security staff at designated times and transported to the secure Casino count room. In the count room, the Jackpot Collection Boxes will be unlocked and the contents counted subject to minimum internal control standards similar to those used by Casino in collecting its table fees and in other United States gaming jurisdictions. In addition, all count team activity is under constant observation of video cameras. The total dollar volume of the chips taken from each Jackpot Collection Box will be recorded on a Daily Jackpot Collection Report (AJackpot Collection Report@) that will be maintained as an accounting record and shall be available to the Division of Gambling Control and the City of Compton for audit and inspection. The Jackpot Collection Report will document the amount of Jackpot Collections received at each participating California Games gaming table during each shift.

No Purchase Necessary Procedures

California Games Jackpots will be offered for free and general and indiscriminate basis, to patrons who wish to participate in a No Purchase Necessary game. Casino will provide instructional tables for all patrons who request to participate in California Games Jackpot Games without paying a table fee or a Jackpot Collection. There will not be live wagers at these tables. No purchase necessary tables will follow the ALive Game@ rules regarding rotation of the player-dealer position. Participants in No Purchase Necessary instructional tables will be eligible to win the full posted Jackpot Prize if they participate in a game where a player obtains the designated Jackpot Hand.

In the event that only one-player requests to participate at an instructional table, Casino will do everything possible to make a no purchase necessary table available to patrons within fifteen minutes of a request. Casino will attempt to locate other customers that desire to participate. If no other patrons are available to participate in a no purchase necessary table, Casino will provide a table where the no purchase necessary player will play only one hand and the house dealer will play the remaining hands according to House Way.

A person(s) that comes to play the jackpot at the "no purchase necessary" table will be dealt the maximum of eight hands. The no purchase necessary player will play only one hand and the casino dealer will play the remaining.

If the player wins the jackpot, only the portion of money that his/her hand qualifies for will be paid. The remainder will remain in the jackpot fund.

Third Party Providers of Proposition Player Services

Third Party Providers of Proposition Player Services, as defined by Section 19980 of the California Business and Professions Code, their agents and employees ("TPPPPS"), are not eligible to win any portion of the Jackpot Prize. If a TPPPPS receives a Qualifying Hand, its portion of the Jackpot Prize will not be paid and will remain in the California Games Jackpot Fund. If a TPPPPS is a participant in a Qualifying Hand with another player(s), the TPPPPS will not be eligible to receive its portion of the Jackpot Prize and the full Jackpot Prize will be paid to the other players.

Flat Administrative Fee

Casino will retain a flat administrative fee from the California Games Jackpot Fund based on the number of table hours that California Games Jackpot Games are offered ("Administrative Fee"). The Administrative Fee will not fluctuate based on the amount of money placed into the California Games Jackpot Fund. Casino projects that its Administrative Fee will be \$5.00 per table hour. Casino will provide advance ample notice of its flat fee to all customers in accordance with Regulations adopted by the California Gambling Control Commission and/or the California Division of Gambling Control Regulations.

Eligibility for the Jackpot Prizes

All players in participating games (other than TPPPPS) that obtain a Qualifying Hand who and who have made a wager in the first player-dealer position or who have made a wager and paid the table fee in any non-player-dealer betting circle, regardless of the amount wagered, are eligible to win either the Bad Beat or Super Jackpot Prize.

Patrons participating in the second or higher Player-Dealer position are not eligible to win the Jackpot Prize. If there is more than one player with a wager in the first player-dealer position, the Jackpot Prize will be divided pro-rata, based on size of wagers, between the players.

All players in the player position, with the exception of TPPPPS, who have made a wager and have paid the table fee for any betting circle, regardless the amount wagered, are eligible to win the Jackpot. Eligible players in the player position will share the Jackpot Prize in equal shares regardless of the amount of their wagers.

No Free Play

Casino will not reduce, waive, refund or provide a free collection ("Courtesy Button") token to any patron in either the base game or the jackpot element of any game included in this proposal.

Progressive Jackpot for Three Card Poker

SUMMARY OF THE GAME

Based on customer demand and industry trends, The Crystal Casino & Hotel (CC) proposes to add player funded progressive jackpot specifically for the approved game of Three Card Poker. The player who wishes to participate will be a fixed amount that will be dropped in the casino's jackpot drop box which will be attached to the table and accounted for separately from the casino collection drop box.

THE PRIZE

When a player(s) is dealt a Royal Flush or Straight Flush, the hand will be verified in the same manner that the currently approved jackpots are verified by casino personnel. This includes physical verification by the CC dealer, floorperson, and/or supervisor. Surveillance cameras will be utilized to ensure all employees and customers have followed the required rules and procedures. The winning player's identification will be obtained and all required paperwork will be completed prior to the payout of the Progressive Jackpot Prize. CC will record all winnings as part of the jackpot accounting records.

The prize pool will be initially at \$1,000.00 by the CC and will be increased by a minimum of \$50.00 per day. When a winning hand is confirmed, the progressive amount of money displayed at the table will be paid to the winner(s) and the Jackpot Fund will be immediately reseeded at \$1,000.00. At certain times CC may offer a higher amount than the posted Jackpot Prize (2x, 3x, etc.) to increase excitement and to offer the players a chance of winning more money.

When a player receives a Straight Flush, they will be awarded \$100.00. At certain times CC may offer a higher amount than the posted Jackpot Prize (2x, 3x, etc.) to increase excitement and to offer the players a chance of winning more money.

CC reserves the right to inspect all purported Qualifying Hands and to refuse payment of a Progressive Jackpot Prize in the event that it is determined that proper rules and procedures were not followed and/or cheating occurred. The CC will maintain records, including video surveillance, of all instances where a Progressive Jackpot Prize was not paid, for the purposes of future Division and/or law enforcement review.

FUNDING

The Progressive Jackpot Prize will be funded by a jackpot collection fee that will be collected from each player that wishes to participate in the Progressive Jackpot Prize. The Progressive Jackpot Prize collection fee is a fixed fee of \$.25*. The Progressive Jackpot Prize collection fee is in no way based on a percentage of the amount wagered in a game. The Jackpot Collection is determined and posted prior to the start of each designated game. The amount of the collection is clearly displayed on each table where the Progressive Jackpot Prize element is offered as well as listed in brochures and flyers.

The CC will provide initial seeding of the Progressive Jackpot Prize and may from time to time provide additional infusions of money to add to the size of the as well as to the excitement of the game. After the Progressive Jackpot fund has reached a reserve amount of \$3,000.00, CC may be refunded the initial seed amount.

NO PURCHASE NECESSARY PROCEDURES

The Progressive Jackpot Prize will be offered to customers who wish to participate for free, on a general and indiscriminate basis. CC will offer a demonstration table for all customers requesting to participate for the Progressive Jackpot Prize without requiring them to pay a table fee, Jackpot Collection or any type of consideration. There will be no live wagers at these tables. Participants in the no purchase necessary tables will be eligible to win the Progressive Jackpot Prize if they receive a Royal Flush or Straight Flush.

As in other jackpot games, in the event that only one patron requests to participate at a demonstration table for no purchase necessary, the CC dealer at the demonstration table will deal additional hands to all empty seat positions at the table to simulate a full game, thus providing the patron the optimum chance to receive a Royal Flush or Straight Flush. The dealer will monitor and play all hands dealt to the empty seat positions and play them according to the published house rules. Advertisements and rule sheets will advise all patrons that there is a general and indiscriminate opportunity to participate in a no purchase necessary game.

ADMINISTRATIVE FEE

CC will retain an administrative fee from the Progressive Jackpot Fund based on the number of table hours played on the Three Card Poker game(s). This fee will be predetermined, fixed and accounted for separately from other casino collections. The fee is not based on the amount of money in the Jackpot Fund. The fee will take into consideration market conditions and the administrative cost of operating and administering the Jackpot Fund. CC has

currently determined the administrative fee will be \$8.00 per table hour for the Progressive Jackpot.

ELIGIBILITY FOR THE JACKPOT PRIZE

All players participating at a designated Three Card Poker game table who place a wager and pay a collection fee and the Progressive Jackpot collection fee are eligible for the Progressive Jackpot Prize. All persons seeking to participate in the Progressive Jackpot on a no purchase necessary basis are eligible to do so, without placing a wager, paying a collection fee or other consideration, on a general and indiscriminate basis.

ALTERNATE COLLECTION RATE
