

BIG MONDAY PROMOTION

- 1) This promotion will be associated with all of our poker games. These games include all limit, no-limit, and pot-limit Texas Hold'em and Omaha games along with our instructional tables, and our no purchase necessary tables.
- 2) Cash prizes are being awarded.
- 3) The base amount of the cash prize will remain fixed. However, additional money can be won during the play of the bonus game.
- 4) This gaming activity is house funded.
- 5) No fee will be collected.
- 6) This is not any form of a jackpot so there is no seeding or re-seeding.
- 7) The prize will be distributed to the winner. However, in one of the bonus games, all of the players at lucky tables will also be winners.
- 8) As stated earlier, this is not a jackpot, thus no re-seeding.
- 9) There is no minimum number of players required. There is no purchase necessary, so there is no need to be playing in a game to win.
- 10) No fees will be retained.
- 11) Yes, anyone can sign up on the basketball grid; there is no purchase necessary. You do not need to be playing at a poker game to win the cash prizes. In addition, all tables including our no purchase necessary and instructional tables are eligible to win the "table prize" described below.
- 12) Drafts of our flyers will be attached.
- 13) No copyright, license, or patent exists to the best of our knowledge.
- 14) Equipment needed for this promotion include a basketball game called "Super Shot" (it consists of an seven-foot basket, four basketballs, protective netting above and to the sides, a ramp that returns the ball to the player, a timer, a sensor that tells if a basket is made, along with an electronic scoreboard), a ten by ten grid exactly like one used for "football pools", and several TV's tuned to ESPN.

A detailed explanation of the promotion follows:

This promotion will be run in conjunction with the "Big Monday" college basketball games show on ESPN that features three basketball games that start at 4pm, 6pm, and 8:59pm on Monday nights starting January 5th at 4pm. Customers will write their names in the blank squares of a "football/basketball" grid before each game starts, just like a football pool. No purchase is necessary, anyone can put their name on the grid, and there are no requirements that need to be met. At the end of each game's first half and at the end of each game, the score of the game will determine the winner of the contest by referring to the grid just like in a football pool. The winner of the pool will win \$50 and will then proceed to the "Super Shot" basketball game with the opportunity to win even more money. At the "Super Shot" game the customer will get 30 seconds to make as many baskets as he/she can. Each basket will be worth an additional \$20 on top of the \$50 already won for having the lucky square. In the event there is no name written in the winning square on the grid the \$50 will be carried over to the next week's corresponding game. For example if there is no winner of the 1st half of the 6pm game then the base prize for the 1st half of next week's 6pm game will be worth an additional \$50 (\$100 total).

As an added bonus, each table will be designated either a home team or a visiting team before the start of each game. The first team, either home or visitor, to make a successful free throw in the first half will be the "first half winners", and the last team to score in the second half will be the "second half winners". A representative from each winning table will be selected at random to play the "Super Shot" game for his or her table. They will have 30 seconds to make as many baskets as they can. Each basket will be worth \$20. The total won will be divided equally among the players at the "shooter's" table. All tables including the instructional and no purchase necessary tables will be assigned a team.

The promotion is scheduled for 9 weeks, ending on March 1, 2004.

CARIBBEAN STUD POKER JACKPOT

SUMMARY OF GAME

Lake Elsinore Casino proposes to add a progressive jackpot element to the game of Caribbean Stud Poker. Similar to the Jackpot games attached to Poker and Pai Gow Poker, players will be assessed a fixed fee, per hand and will qualify for a prize when a designated second hand is beaten by a designated first hand. Prizes are paid from a prize pool ("Jackpot Fund") funded by a fee paid by participating players. Players may qualify for the full Caribbean Stud Poker Jackpot prize without paying a fee, or other consideration, by participating in free instructional games where there is no live wagering, no Jackpot Collection and no table fees ("No Purchase Necessary").

The rules and standards of play for the Caribbean Stud Poker Jackpots are the same as in Pai Gow Poker Jackpot Games currently been offered in Commerce and The Bicycle Casinos. The number of cards in the deck, the type of deck, the function of the dealer, the number of players, rotation of the player-dealer position, collection of table fees, betting limits and how winners are determined and paid will all be consistent with the approved version of Caribbean Stud Poker.

Since the jackpot element will be added to an existing game, the only change to the equipment will be in the addition of a separate collection box, which will be secured to the table and will be designated for the Jackpot Collection and used only for the collection of the jackpot funds. This will insure that Jackpot Collections are kept separate and apart from the table fee collection.

THE PRIZE

A prize ("Jackpot Prize") will be awarded when one player at a game obtains a specified second hand but loses to a player who obtains a better specified first hand ("Qualifying Hand"). As this is a progressive jackpot, the amount of the Jackpot Prize will vary depending on the volume of play and frequency in which players obtain a Qualifying Hand. Lake Elsinore Casino will control the allocation of the Jackpot Collection to Jackpot Prize. The available Jackpot Prize will be posted on either an electronic board or poster centrally located in the California Games section of the casino. The posting will be updated as the prize is increased or decreased so that all players will have ample notice of the current Jackpot Prize.

When players obtain the specified hand combination and claim the Jackpot Prize, the qualifying hands will be verified by the dealer and a floorperson. Surveillance cameras will be utilized to assure all employees and customers followed the required procedures. The winning players' identification will be obtained and necessary paper work completed prior to the payout of the Jackpot Prizes. Lake Elsinore Casino will

record all prizes awarded and the names of the winners as part of its Caribbean Stud Poker Jackpot accounting records.

FUNDING

Caribbean Stud Poker Jackpot Prizes will be funded by a separate collection fee paid by players prior to the start of each hand ("Jackpot Collection"). The Jackpot Collection will be either 50 c or \$1.00 per hand depending on the stakes of the game. The amount of the Jackpot Collection will be posted within view of each participating table.

Jackpot Collections are determined and collected prior to the start of each hand. Jackpot Collections are not calculated based on a percentage of the amount wagered. Lake Elsinore Casino will provide the initial seeding of the Jackpot Fund and may from time-to-time provide additional infusions of money to add to the size of the pool and the excitement of the game.

The Jackpot Collection will be posted by the player in the first Player-Dealer position. When there is more than one player participating in the first Player-Dealer position, the player who has the most money in action in the first Player-Dealer position will be responsible for posting the full Jackpot Collection.

JACKPOT COLLECTION & ACCOUNTING PROCEDURES

The Jackpot Collection from all Caribbean Stud Poker will be collected, counted, secured and recorded in the same manner as the table fees paid to Lake Elsinore Casino. The dealer will collect this fee (in the form of chips) prior to the start of each hand and deposit the fee in a locked Jackpot Collection Box at the table. The Jackpot Collection Box will be different from the box used for table fees. The locked Jackpot Collection Boxes will be gathered by casino security staff at designated times and transported to the secure Lake Elsinore Casino count room. In the count room, the Jackpot Collection Boxes will be unlocked and the contents counted subject to minimum internal control standards similar to those used by Lake Elsinore Casino in collecting its table fees and in other United States gaming jurisdictions. In addition, all count team activity is under constant observation of video cameras. The total dollar volume of the chips taken from each Jackpot Collection Box will be recorded on a Daily Jackpot Collection Report (AJackpot Collection Report@) that will be maintained as an accounting record and shall be available to the Division of Gambling Control and the City for audit and inspection. The Jackpot Collection Report will document the amount of Jackpot Collections received at each participating Caribbean Stud Poker gaming table during each shift.

NO PURCHASE NECESSARY PROCEDURES

Caribbean Stud Poker Jackpots will be offered for free, on a "general and indiscriminate" basis, to patrons who wish to participate in a No Purchase Necessary game. Lake Elsinore Casino will provide instructional tables for all patrons who request to participate in Caribbean Stud Poker Jackpots without paying a table fee or a Jackpot Collection. There will not be live wagers at these tables. Participants in No Purchase Necessary instructional tables will be eligible to win the full-posted Jackpot Prize if they participate in a game where players obtain the designated Jackpot Hands.

A person(s) that comes to play the jackpot at the "no purchase necessary" table will be dealt the maximum of eight hands. The no purchase necessary player will play only one hand and the casino dealer will play the remaining.

If the player wins the jackpot, only the portion of money that his/her hand qualifies for will be paid. The remainder will remain in the jackpot fund.

This will be done in the interest of fairness and in the spirit of the law, and as to give the no purchase necessary player the maximum opportunity to win the a portion of the jackpot prize.

THIRD PARTY PROVIDERS OF PROPOSITION PLAYER SERVICES

Third Party Providers of Proposition Player Services, as defined by Section 19980 of the California Business and Professions Code, their agents and employees ("Prop Player"), are not eligible to win any portion of the Jackpot Prize. If a Prop Player receives a Qualifying Hand, its portion of the Jackpot Prize will not be paid and will remain in the Jackpot Fund. If a Prop Player is a participant in a Qualifying Hand with another player(s), the Prop Player will not be eligible to receive its portion of the Jackpot Prize and the full Jackpot Prize will be paid to the other players.

FLAT ADMINISTRATIVE FEE

Lake Elsinore Casino will retain a flat administrative fee from the Jackpot Fund based on the number of table hours that Caribbean Stud Poker Jackpots are offered ("Administrative Fee"). The Administrative Fee will not fluctuate based on the amount of money placed into the Jackpot Fund. Lake Elsinore Casino reserves the right to adjust its flat Administrative Fee based on market factors and cost of operating Caribbean Stud Poker Jackpots. Lake Elsinore Casino projects that its Administrative Fee will be in the range of \$3.00 to \$6.00 per table hour. Lake Elsinore Casino will designate the flat Administrative Fee and will provide advance ample notice of its flat fee to all customers in accordance with Regulations adopted by the California Gambling Control Commission and/or the California Division of Gambling Control Regulations.

ELIGIBILITY FOR THE JACKPOT PRIZE

Only patrons participating in the first Player-Dealer position is eligible to win the Jackpot Prize. If there is more than one player with a wager in the first player-dealer position, the Jackpot Prize will be divided pro-rata based on the amounts of their respective wagers between the players. All players in the player position, who have made a wager and have paid the table fee for any betting circle, regardless the amount wagered, are eligible to win and share the Jackpot Prize. SUMMARY

Based on customer demand and industry trends, the Lake Elsinore Casino (LEC) proposes to add a gaming activity to the currently approved Three Card Poker, Blackjack, and all Poker games. The promotion will award players who play in the controlled games listed above and make designated qualifying hands.

BASE GAME RULES

All base game rules that have been approved by the Bureau of Gambling Control for all currently approved controlled games will be followed. There are no changes whatsoever.

PRIZE

The prize will be a fixed amount, in the form of cash or casino chips, ranging from \$10.00 to \$250.00. The prize amount will be based on qualifying hands made within a given level of play (see example card for more detail).

FUNDING

This promotion will be funded solely by the Lake Elsinore Casino. There will be no extra collection or fees of any kind assessed to the poker players.

ELIGIBILITY

One hundred percent (100%) of the posted prize amount will be awarded to any player, participating in designated games, that makes the designated qualifying hands and completes a level. Once a patron receives stamps on all qualifying hands for any given level, they may redeem the designated amount of cash for the given prize level.

- There is no minimum number of players to qualify for the prize.
- Players may have multiple cards but stamps are not counted together. Each card will be looked at and counted individually. For instance, if a player has two cards and completes two qualifying hands on one card and two on the other card for the \$10 level, this does not constitute a complete level. All stamps for any given level must be completed on one card to be eligible for the prize amount.
- Players may cash in the only the highest completed level for each game. For instance, if a player has completed the \$10 level and the \$250 level for Three Card Poker, only the \$250 level may be redeemed. If the \$100 level for Blackjack has been completed as well, that level may be redeemed at the same time.
- Once a card has been redeemed for any prize level(s), the card will be considered void and may not be redeemed for any other prize levels.
- Cards must be intact as a whole to be eligible for a prize.
- Stamps are issued only to a player completing a required hand.

*No

fee.*

15. A wheel similar to the "Big Six" wheel found in many casinos will be used for this activity. The signage on the wheel will be modified for the purpose of this promotion.

A detailed description follows:

On selected days and hours the Texas Hold'em jackpot will be raised for one hour. The amount the jackpot is raised will be determined by the spin of the "Jackpot Multiplier Wheel". After an hour has passed, the jackpot will revert back to the original amount.

A customer will be selected at random (by table number and seat number) to come up and spin the "Jackpot Multiplier Wheel". Each space on the wheel will contain both a jackpot increase amount (2x, 3x, 4x, 5x, \$10,000 added, \$20,000 added, \$75,000, and \$125,000) and a cash prize amount (\$50, \$75, \$100, \$200, \$750, and \$1250). The cash prize amount will be awarded to the spinner of the wheel. The Jackpot will be increase by the amount indicated by the wheel. For example, if the jackpot is at \$15,000 and the wheel stops at 3x---\$75, the jackpot would be raised to \$45,000 (\$15,000 times 3) for one hour and spinner would get \$75. Or if the jackpot was at \$18,000 and the wheel stopped at \$20,000 added---\$200, the jackpot would be raised to \$38,000 (\$18,000 plus \$20,000) for one hour and the spinner would get \$200. Finally, if the jackpot was at \$22,000 and the wheel landed on 5x---\$100, the jackpot would be raised to \$110,000 (\$22,000 times 5) and the spinner would get \$100.

All live, instructional, and no-purchase necessary tables that are playing Texas Hold'em are eligible to win the jackpot. Additionally, players at any of these tables are eligible to be randomly selected to spin the wheel.

All jackpot rules and regulations remain in effect for this promotion. Both the cash prize amounts and jackpot amounts (if hit) will be awarded out of the jackpot fund, which is player funded.

Jackpot hand, the player with the "bad Beat" (second best) qualifying hand will receive forty (40%) percent of the posted amount. The player who beats the "bad beat" qualifying hand will receive twenty (20%) percent of the posted amount. The remaining forty (40%) is distributed evenly to the other players at the winning table.

An analysis of the California Jackpot game format noted the following:

1. The house never participates as a player.
2. The house never takes a percentage of the wagers.
3. Players can win without paying a fee.

It is clear that the format of California Jackpot is not one of the listed games nor is it a banking or percentage game, thus the format would be legal under California Penal Code Section 330.

The next question would be if the format of California Jackpot would violate California Penal Code Section 319, specifically the element of "consideration." The fact that the sponsor's business is enhanced does not provide the consideration necessary to make this type of promotion a lottery.

The format of California Jackpot has no banking or percentage issues, and the currently proposed format has eliminated the element of consideration from the lottery section. Thus, the format does not violate California Penal Sections 319 or 330.

There is a free instructional table for the customers to participate in to learn how to play poker. The customers playing in the free instructional table are eligible for the jackpot.

The collection fee paid by the players will be \$1.00 per hand.

The qualifying hand in Hold-em is Aces full of Jacks or better Beaten by 4 of a kind.

The qualifying hand in Omaha is 4 nines or better beaten.

No Purchase Necessary

A designated table will be set-aside for a player to participate in the jackpot at a no purchase necessary to the customer. The player will play at the "Instructional Table" At that time, if the bad beat bonus is won then the player can be eligible to collect his/her designated share of the bad beat. This will be available 24hrs each day.

Re: Jackpot Poker Procedures

The Lake Elsinore Casino proposes to add a progressive jackpot element to selected poker games such as Texas Hold'em, Stud, Omaha, etc., in which a prize is awarded to players who are participating in a game where a player with the second best possible hand is beaten by a player who obtains the best possible hand. Prizes are distributed from a prize pool funded through fees paid by participating players. Players can qualify for the full prize without paying a fee, or other consideration, by participating in a free instructional game where there is no live wagering, no jackpot collection, and no table fees.

The jackpot prizes will be funded by a separate collection fee paid by players prior to the start of each hand. The Lake Elsinore Casino will provide the initial seeding of the jackpot fund and may, from time-to-time, provide additional infusions of money to add to the size of the pool, and the excitement of the game. The jackpot fees from all poker games will be collected, counted, secured, and recorded in the same manner as the table fees paid to the Lake Elsinore Casino. The jackpot collection boxes will be different from the box used for table fees. The total dollar volume of the chips taken from each jackpot collection box shall be recorded on a Daily Jackpot Collection Report that will be maintained as an accounting record and shall be available for audit and inspection.

The Lake Elsinore Casino will accumulate the jackpot collections in a secure account until a player achieves a designated prize hand and a prize is paid. The Lake Elsinore Casino will obtain the name and address of each winner and will record this information along with the amount of the prize in its accounting records.

All the money posted by players will go directly to the jackpot fund, minus a flat administrative fee based on market factors and cost of operating California Jackpots. Lake Elsinore Casino projects its administrative fee will be \$2.00 to \$8.00 per table hour, to be taken from the jackpot drop. Lake Elsinore Casino will designate the flat administrative fee and will provide advance notice of its flat fee to all customers in its rulebook, in accordance with regulations adopted by the California Gambling Control Commission and/or The California Division of Gambling Control Regulations. The Lake Elsinore Casino will post the amount of the prize that participants in each game are eligible to win on a display in the Poker section of the Casino. When a player obtains a

Object and Summary

The Lucky Table Lucky Seat gaming activity features a promotional element where players playing in any of the above games have a chance to win a pre-determined and posted prize.

The Lucky Table Lucky Seat gaming activity involves a drawing where a bin, basket, lottery ball machine, or other non-electronic randomizer will be used. During predetermined times and intervals of the promotional period, a casino representative will announce the commencement of the drawing. The drawing to determine the lucky table and lucky seat uses cards, balls, or lammers, which are pre-printed, equally sized and colored. For the lucky table drawing, a card, ball or lammer that represents each active table will be mixed within the randomizer. A casino employee will then select one to determine the winning table. Once the eligible table is determined, the lucky seat will be determined by placing cards, balls, or lammers into the randomizer and selecting one. The number of seats at the winning table determines the amount of cards, balls, or lammers that will be placed into the randomizer (e.g. if the table has 7 seats, then 7 cards, balls, or lammers would be placed into the randomizer). If no one is sitting at the selected seat, another card, ball, or lamer will be drawn until a winner is chosen. Once the table number and seat number are determined, the player sitting at the selected seat will win the predetermined and posted prize.

- Casino employees are eligible to participate and win the gaming activity when off duty and out of uniform.

Prize

When a table and seat are selected, the prize amount will be awarded to the player sitting in the selected seat. The prize will be a fixed and predetermined amount ranging from \$5 to \$100,000 in the form of cash, live casino chips, clothing, trips, merchandise, vehicles, electronics, special event entry fees, tickets for the Gobble up the Green Cash Drawings Promotion (GEGA-001889), tickets for the New Year's Eve Cash Giveaway (GEGA-000216), points for their Player's Rewards Program (GEGA-03654), entry into the Super Bowl Promotion (GEGA-001886) and/or coupon for the Match Play Promotion (GEGA-003902).

Example: On a particular Sunday a Lucky Table Lucky Seat will be selected every hour for a continuous 8 hour period. During the time period a player will be awarded \$100 in casino chips and a key that may open a car on display. When all 8 keys are handed out, the players will all have a chance to use their key to see which one opens the car and be awarded such.

If the player pushes (receives no action), the voucher may be played again until the player wins or loses a hand.

EXAMPLE: *A person receives a match play voucher with a value of \$5.00 that specifically states it may be used to place a wager on the Pai Gow Poker table. The person would place the voucher on the gaming table; place a bet that matches the amount on the voucher, and pay the posted collection (if applicable) for a single hand of play. If the player wins the hand, he/she will receive \$10.00 just as if they had placed a \$10.00 bet and the player-dealer will collect the voucher.*

Free Play Chip

The Casino will offer free play chips having a face value from \$5.00 to \$500.00 per chip. The free play chips are used in live games exactly like regular chips, the difference being that they cannot be exchanged for cash.

The free play chips shall initially be in the form of a coupon which shall be offered to all patrons that wish to come into the Casino and use them to play. Patrons may be awarded free play coupons via advertisements in magazines, websites, mailing advertisements, winning a Bureau approved promotion, winning or signing up for a Bureau approved tournament, etc. When a patron receives a free play coupon he/she shall take the coupon to the cage for verification, logging, and redemption of the free play chip(s) to be used in a live game. Each coupon shall state the specific qualifying game(s) that the free play chip(s) may be used on.

Promotional chips shall be used as the player's bet and placed on the betting circle. Promotional chips shall not be taken into the dealer's tray, nor shall they be paid from the dealer's tray. If the player wins the hand, he/she would be paid \$10.00 by the person in the player/dealer position just as if he/she had placed a \$10 bet. The free play chip will be collected by the person in the player/dealer position. The player/dealer will then have a key employee verify that the chip has been played. All played free play chips are verified by a key employee. The free play chip is taken to the cage by a key employee, logged, and exchanged for the value listed on the chip. If the player loses the hand, the free play chip is forfeited and will be collected by the casino dealer and dropped in the drop box for accounting purposes. If the player pushes (receives no action), the chip may be played again until the player wins or loses a hand

EXAMPLE: *A person receives a free play chip coupon for \$10.00 that specifically states it can be used to place a wager on the No Bust Blackjack table. The player would take the coupon to the cage. Cage personnel would log the redemption code of the coupon and exchange the coupon for a promotional free play chip. The player would then place the free play chip on the gaming table, pay the posted collection (if applicable), and the game would play. .*

Rules of Play

During pre-determined and posted times, each player seated and playing at an eligible poker table shall receive one drawing ticket per hour. The tickets shall then be ripped in half. One half of the ticket, labeled "KEEP THIS COUPON" shall be retained by the player as their receipt and the other half of the ticket shall be placed in the drawing bin. Both pieces shall have a specific series number on it which shall correspond to each other. The ticket shall be placed in a drawing bin that shall be used to select a winner. At a pre-determined and posted time, tickets placed in the drawing bin shall be rotated. Once the tickets are thoroughly mixed, a casino employee shall randomly draw one ticket per hour from the bin. The winners shall have their identification verified by a casino employee. If a ticket is drawn and the winner of the drawing is not a seated player playing in an eligible poker game, the ticket shall be re-entered into the drawing bin and another ticket will be manually drawn the following promotional period. The player whose ticket was drawn from the bin shall have an opportunity to spin the wheel and win a prize. The wheel is decorated in sections, ranging from 40-60 different sections, with each section depicting a specific prize amount. The wheel shall also contain four "Match Maker" sections. - 6) The prizes are of fixed amounts so there is no seeding.
- 7) The cash prizes are distributed to the winners, although there can be more than one winner.

- 12) No flyers have been printed at this time.
- 13) To the best of our knowledge there are no copyrights or patents involved with this promotion.
- 14) The equipment used will be a 10 by 10 grid used for football pools as well as our regular poker tables.

A detailed description of the promotion follows:

In conjunction with the Super Bowl on February 1, 2004, we will offer a free football pool as well as bonuses having to do with the Super Bowl itself.

A 10 by 10 grid will be used for the football pool. As customers come in, they will sign their names in one of the squares. There is no purchase or qualification necessary to do this. If the first grid becomes full then a second grid will be made available. Just before the start of the Super Bowl the "pool" will be closed and numbers (from 0-9) chosen and written at random along the edges of the grid(s). The horizontal line will be for the home team and the vertical line will be for the visitors. At the conclusion of each quarter, the score of the game will determine the winner. If there is more than one winner, because of the use of more than one grid, the prize will be split. Winners need to be in the casino to claim their prize. Each quarter will be worth an aggregate \$500.

In addition to the football pool, customers will be given a choice of a home team or visiting team ticket. On the ticket, they will write their name and what they think the final total points scored in the Super Bowl will be and the ticket will be collected before the start of the Super Bowl. The ticket will be placed in buckets according to the team selected. There is no purchase or qualifying necessary to receive a ticket. After the Super Bowl is over a ticket will be drawn from the losing team's bucket until a winner is present that person will win \$100. If the total points written on the ticket match the points scored in the Super Bowl the amount will increase to \$500. The same procedure will be used for the winning team's tickets except the corresponding prize amounts will be \$200 and \$1000.

At the start of the Super Bowl each poker table will be designated a home or visitor team. All live tables, no-purchase tables, and instructional tables will qualify. When a table's corresponding team scores money will be added to the subsequent pot as follows:

- 1) \$25 for a touchdown
- 2) \$10 for a field goal
- 3) \$100 for a safety

The Lake Elsinore Hotel & Casino (LEC) proposes to add the gaming activity called the '33 Club'. The promotion consists of 320 persons picking a NFL football team. If that particular person's team scores a total of thirty three (33) points for that week, they will win the posted cash prize. There is no requirement for participation in any of the controlled games offered at the Casino to win this promotion.

THE PRIZE

The prize pool will initially be funded at \$1,000.00. When a participant's team scores a total of 33 points they will win the posted cash prize. A total of 10 participants will pick a single team. If, at the end of the regular season, the prize is not claimed, all monies will revert to the Casino.

FUNDING

LEC funds 100% of this promotion's prize pool. The prize pool will be initially funded at \$1,000.00. The prize pool will increased by \$333.00 per week if no prize is won or claimed. If a prize is won and claimed, the prize pool will be re-seeded at \$1,000.00.

NO PURCHASE NECESSARY

The No Purchase Necessary (NPN) does not apply as there is no consideration to enter the promotion. The first 320 people who sign up and draw a team are entered.

ELIGIBILITY FOR THE PRIZE

All persons participating in the promotion must be present at LEC to win. Those persons must claim their prize within five (5) minutes of the conclusion of the football game. The person(s) claiming the prize must show government issued identification. All applicable government forms will be completed as required State and Federal law(s).

A 33 Club board will be placed in the Casino to notify participants of their team and of the current prize pool.

Although the Bureau has approved this jackpot modification, jackpots with an electronic component are currently under Bureau review. The Bureau reserves the right to: (1) review the lawfulness of the Three Card Poker Progressive Jackpot; (2) notify all law enforcement agencies and gambling establishments if further review determines the Three Card Poker Progressive Jackpot to be unlawful; (3) require gambling establishments to cease and desist offering the Three Card Poker Progressive Jackpot if found to be unlawful; and (4) take action against those gambling establishments that decline to abide by the Bureau's cease and desist notification.

- Three Card Poker (GEGA-001180)
- Three Card Poker 6 Card Bonus (GEGA-003828)

Object and Summary

1. To begin each round, players must make their regular base game wager. They may optionally place any bonus bet wagers along with the jackpot fee of \$1.00. A minimum of two players, a player and player-dealer, are required to play for the progressive jackpot.
2. "Hockey Puck" discs will be attached to the table in front of each betting position. These discs have a sensor and will detect when a casino chip is placed on them. Players must place the optional jackpot fee on the sensor. The sensor will then light up.
3. Once all players place their bets and/or jackpot fee, the house dealer will press "Coin In" on the keypad. The sensors will then light up, indicating participation in the progressive jackpot. The house dealer will then remove all jackpot fees from the table. The jackpot fees are dropped in a separate and locked jackpot collection box affixed to the left side of the gaming table.

4. The electronic software and digital reader related to and used in conjunction with this jackpot, which is used on each table eligible for this jackpot, has been tested, approved, and certified by the Gaming Laboratories International, LLC (GLI).
5. The house dealer then follows standard approved procedures for dealing the base game.

Qualifying Hands

When a player is dealt an ace, king, queen, of the same suit, they are paid from the progressive jackpot shown on the progressive meter. Any straight flush, a hand that consists of three cards of the same suit in consecutive ranking, other than ace, king and queen, receives a fixed prize amount according to the pay table below.

Ace, king, queen of the same suit	100% of Posted Prize	\$100
Straight flush	\$100	\$0

Envy Bonus:

- A player paying the \$1.00 jackpot fee also qualifies to win an envy payout. If another player at the table hits a hand associated with an envy pay, all other players who paid the \$1.00 jackpot fee win the envy pay. The player hitting the hand received the normal prize pay only, but does NOT receive the envy pay.
- If a player’s hand triggers an envy payout, the house dealer will leave the hand face-up on the layout; otherwise, the dealer will lock up the cards. The dealer will then move on to the next player.
- The house dealer pays any envy bonuses at the end of the round. In the event that more than one player is involved in a qualifying envy pay, then all players win multiple envy payouts.

Eligibility Requirements

The eligibility requirements are as follows:

- Back-line betting is not permitted in this gaming activity.
- In the event that during a round of play, two or more players have qualifying hands, each player will receive the posted prize amount for their designated hand, subject to the terms of the Progressive Prize Rules below.
- Casino employees are eligible for the Three Card Poker prize only when off duty.
- A Third-Party Provider of Proposition Player Services (TPPPS) is not eligible to place a jackpot collection fee and become eligible for the Three Card Poker Progressive gaming activity when either in the player-dealer or player capacity.

The payouts will not be made from the Casino dealer’s tray. All fixed payouts will be deducted from the amount in the reserve fund. If there is a shortfall the casino will cover the payout.
- All monies collected and paid out shall be tracked both electronically and on a hand written log that will be maintained for examination by regulatory and law enforcement personnel.

Re: Lake Elsinore Hotel & Casino - Truck Giveaway

Dear Ms Knudsen,

As per your and Ted's phone conversation regarding promotions I have listed our next promotion for your review. Once again thank you for the information.

On September 27, 2003 we will be giving away a 2003 Chevy Silverado Truck. Tickets for this event will be given away beginning July 1, 2003.

Every hour, a table and seat number will be drawn to determine a winner for the drawing for that hour. The player drawn will pick an envelope containing either an entry into the truck giveaway, an instant cash prize or an entry into the cash and prize drawing. Players learning at the instructional table (NPN table) are also eligible to participate in the September 27th giveaways.

Tickets that have been drawn will be placed into two separate drums, one for the cash and prize drawing and one for the truck giveaway. The cash and prize drawing will be held the same day as the truck giveaway.

The last drawing will be at 11am on the day of the drawing, Saturday, September 27, 2003. Starting at noon and every 15 minutes thereafter, we will pull a ticket from one of the two drums. Winners will receive a cash prize, a gift or a key that could start the truck. (Please refer to the enclosed schedule for giveaway listings).

At 10:30pm, players that won keys during the giveaway will have the opportunity to start the truck. The player with the key that starts the truck will be the grand prizewinner.

I have enclosed a promotional flyer and schedule of events for the September 27th giveaways. Should you have any further questions or need any other information, please feel free to contact Ted Kingston or myself at (909) 674-3101.

Sincerely,

Lucille Padget
Marketing Director
