(8) Written notice to, and the written consent of, the Attorney General shall not be required under section 999.5 of these regulations unless the agreement or transaction involves a health facility or facility that provides similar care that is located within California.

(9) If a nonprofit corporation has engaged in multiple agreements or transactions, in a manner designed to avoid Attorney General review under section 999.5 of these regulations, all of the multiple agreements or transactions shall be considered and analyzed as a single transaction for any purpose under these regulations.

As set forth in Corporations Code sections 5917(g) and 5923(d), failure to provide the Attorney General with sufficient information and data to evaluate adequately the proposed agreement or transaction or the effects thereof on the public may be grounds for denying consent.

(3) All of the information provided to the Attorney General by the applicant shall be treated as a public record unless such information is a trade secret or unless the public interest in maintaining the confidentiality of that information clearly outweighs the public interest in disclosure.

(A) The applicant shall have the sole burden of designating, at the time of its submission, any specific information that it believes should be treated as confidential and the reasons therefor. The Attorney General shall determine the validity of the confidentiality claim and communicate that determination to the applicant prior to any public disclosure of the information.

A copy of the written decision shall be made available to any person or entity who has requested a copy.

(A) For purposes of this section, the notice shall be deemed received on the date when substantially all of the information required by section 999.5(d) of these regulations has been submitted to the Attorney General.

(B) If an independent health care impact statement is required for the agreement or transaction under section 999.5(e)(5), the notice shall not be deemed received until all of the information required by section 999.5(d)(5) has been submitted to the Attorney General.

(2) The Attorney General may extend the 60-day deadline for a decision by an additional 45-day period for the reasons set forth in Corporations Code sections 5915 and 5921. Nothing in this section shall preclude the Attorney General and the applicant from mutually agreeing to a further extension of the deadline.

(3) Prior to issuing a written decision, the Attorney General shall conduct one or more public meetings on the proposed agreement and transaction to receive comments from interested parties. At least one of the public meetings shall be in the county in which any health or similar facility that is affected by the agreement or transaction is located.

(A) At least 14 days prior to the public meeting, the Attorney General shall provide notice of the time and place of the meeting to the board of supervisors of the affected county, to any person who has requested such notice in writing, and through publication in a newspaper of general circulation in the affected community.

(B) Nothing in this section shall preclude the Attorney General from holding additional public hearings as necessary to ensure full consideration of the proposed agreement or transaction. Nothing in this section shall preclude the applicant or any other party from holding public meetings to discuss the proposed agreement or transaction.

(C) If a substantive change in the proposed agreement or transaction is submitted to the Attorney General after the initial public meeting, the Attorney General shall conduct an additional public meeting if it is deemed necessary to ensure adequate public comment regarding the proposed change.

(D) If an independent health care impact statement is prepared for the agreement or transaction under section 999.5(e)(5), a public meeting shall be held no earlier than 10 days after the completed statement has been made available for public review.

(4) Within the time periods set forth in this section and relating to the factors set forth in section 999.5(f), the Attorney General may contract with experts or consultants to review any aspect of the proposed agreement or transaction or receive information or expert opinion from any state agency. The Attorney General shall make publicly available any written report from any such expert, consultant, or state agency.

(5) The Attorney General shall prepare an independent health care impact statement for any agreement or transaction that satisfies either of the following conditions:

(A) The agreement or transaction directly affects a general acute care hospital as defined in Health and Safety Code section 1250(a) that has more than 50 acute care beds; or

(B) There is a fair argument that the agreement or transaction may result in a significant effect on the availability or accessibility of existing health care services.

Nothing in this section shall preclude the Attorney General from preparing an independent health care impact statement or any other report that may be necessary for a complete review and evaluation of the agreement or transaction.

(6) The independent health care impact statement shall contain the following information:

(A) An assessment of the effect of the agreement or transaction on emergency services, reproductive health services and any other health care services that the hospital is providing.

(B) An assessment of the effect of the agreement or transaction on the level and type of charity care that the hospital has historically provided.

(F) An assessment of the effectiveness of any mitigation measure proposed by the applicant to reduce any significant adverse effect on health care services identified in the impact statement.

(G) A discussion of alternatives to the proposed agreement or transaction including closure of the hospital.

(H) Recommendations for additional feasible mitigation measures that would reduce or eliminate any significant adverse effect on health care services identified in the impact statement.

The information contained in the independent health care impact statement shall be used in considering whether the agreement or transaction may create a significant effect on the availability or accessibility of health care services as set forth in section 999.5(f)(8) of the regulations. Copies of the health care impact statement shall be made available to any person or entity that has requested a copy.

(7) It is the policy of the Attorney General to receive and consider all relevant information concerning the proposed agreement or transaction. Written comments should be submitted no later than 10 days before the applicable deadline for the decision.

(f) Factors To Be Considered in Making a Decision

(1) In making a determination on whether to consent to any agreement or transaction for which written consent is required by section 999.5(a)(1) of these regulations, the Attorney General shall consider whether the terms and conditions of the agreement or transaction are fair and reasonable to the selling nonprofit corporation.

(2) In making a determination on whether to consent to any agreement or transaction for which written consent is required by section 999.5(a)(1) of these regulations, the Attorney General shall consider whether the agreement or transaction will result in inurement to any private person or entity.

(A) As used in this subsection, "inurement" means that an individual or entity has received some special benefit which is unreasonable under the circumstances because of his, her or its relationship to any nonprofit corporation involved in the transaction. "Inurement" also includes excessive compensation to directors, officers or employees of any nonprofit corporation involved in the transaction.

(B) In determining whether the agreement or transaction will result in inurement, the Attorney General shall assess, among other things, whether any officer, director, employee, or spouse or family member as described in Corporations Code section 5227(b)(2) of an officer or director of any nonprofit corporation involved in the agreement or transaction will receive stock options, performance bonuses, increased compensation, excessive salaries and benefits, or corporate loans as a result of the agreement or transaction.

(C) An agreement or transaction will result in inurement if there is a violation of Health and Safety Code sections 1260 and 1260.1.

(3) In making a determination on whether to consent to any agreement or transaction for which written consent is required by section 999.5(a)(1) of these regulations, the Attorney General shall consider the fair market value of the agreement or transaction as the term "fair market value" is defined in Corporations Code sections 5917(c) and 5923(c).

(A) The Attorney General may review some or all of the following factors to determine the fair market value of the agreement or transaction:

1. The fair market value of tangible and intangible assets proposed to be sold or transferred by the applicant in the transaction;
2. Anticipated future earnings or other income from the facilities and other assets being sold or transferred;
3. The fair market value of tangible and intangible assets proposed to be received by the applicant in the transaction;
4. If the nonprofit corporation is receiving notes rather than cash for the sale or transfer of a health facility or other assets, such factors as the type and value of any security or collateral, the present value of the note, the marketability of the note, and tax consequences may be evaluated in determining the value of the note;
5. Whether the facilities or assets being sold or transferred have been aggressively marketed by investment bankers or other relevant professionals in an attempt to generate multiple bidders and maximum value;
6. Whether there are competing offers;
7. Whether formal and professional valuation appraisals have been obtained;
8. Whether the nonprofit corporation thoroughly considered all realistic alternatives, including mergers and/or strategic alliances with other nonprofit entities (both locally and regionally based) and transaction alternatives (e.g., sales of assets, leases, joint ventures, etc.) with for-profit partners; and
9. If an applicant has filed for protection under the United States Bankruptcy Code, the extent to which the bankruptcy court proceeding will set a fair market value for the assets involved in the transaction.

(B) If written notice and consent is required by the provisions of Corporations Code section 5914, the Attorney General shall also consider whether the agreement or transaction is at fair market value. This requirement shall not apply if the written notice and consent is required by the provisions of Corporations Code section 5920.

(4) In making a determination on whether to consent to any agreement or transaction for which written consent is required by section 999.5(a)(1) of these regulations, the Attorney General shall consider whether the market value has been manipulated by the parties to the agreement or transaction in a manner that causes the value of the assets to decrease

(5) In making a determination on whether to consent to any agreement or transaction for which written consent is required by section 999.5(a)(1) of these regulations, the Attorney General shall consider whether the proposed use of the proceeds from the agreement or transaction is consistent with the charitable trust on which the assets are held by the health facility or affiliated nonprofit health system.

(A) If the agreement or transaction involves the sale of any charitable trust assets, the nonprofit corporation that receives the sale proceeds shall utilize those proceeds for a like charitable purpose benefitting the same class of beneficiaries. If the charitable trust assets that are sold or transferred involve restricted funds, the proceeds received must remain segregated and used for their restricted purposes.

(B) If the agreement or transaction will result in a redirection of charitable trust assets from an operational use to a grant-making use, every effort shall be made to insure that a constancy of

purpose is maintained. A court-validating procedure will be required for any transaction described in this subsection.

(6) In making a determination on whether to consent to any agreement or transaction for which written consent is required by section 999.5(a)(1) of these regulations, the Attorney General shall consider whether the agreement or transaction involves or constitutes any breach of trust.

(7) In making a determination on whether to consent to any agreement or transaction for which written consent is required by section 999.5(a)(1) of these regulations, the Attorney General shall consider whether sufficient information and data has been provided by the applicant to evaluate adequately the agreement or transaction or the effects thereof on the public.

(8) In making a determination on whether to consent to any agreement or transaction for which written consent is required by section 999.5(a)(1) of these regulations, the Attorney General shall consider whether the agreement or transaction may create a significant effect on the availability or accessibility of health care services to the affected community.

(A) Potential adverse effects on availability or accessibility of health care may be mitigated through provisions negotiated between the parties to the transaction, through conditions adopted by the Attorney General in consenting to the proposed transaction, or through any other appropriate means.

(B) It is the policy of the Attorney General, in consenting to an agreement or transaction involving a general acute care hospital, to require for a period of at least five years that a minimum level of annual charity care costs be incurred by the hospitals that are the subject of the agreement or transaction. The minimum level of annual charity care costs should be based on the historic level of charity care that the hospital has provided. The definition and methodology for calculating charity care costs should be consistent with the definitions and methodology established by the Office of Statewide Health Planning and Development. The Attorney General shall retain complete discretion to determine whether this policy shall be applied in any specific transaction under review.

(C) It is the policy of the Attorney General, in consenting to an agreement or transaction involving a general acute care hospital, to require for a period of at least five years the continuation at the hospital of existing levels of essential healthcare services, including but not limited to emergency room services. The Attorney General shall retain complete discretion to determine whether this policy shall be applied in any specific transaction under review.

(9) In making a determination on whether to consent to any agreement or transaction for which written consent is required by section 999.5(a)(1) of these regulations, the Attorney General shall consider whether the effect of the agreement or transaction may be substantially to lessen competition or tend to create a monopoly.

(10) In making a determination on whether to consent to any agreement or transaction for which written consent is required by section 999.5(a)(1) of these regulations, the Attorney General shall consider the extent of independence that the nonprofit corporation retains as a result of the agreement or transaction.

(A) The Attorney General will closely scrutinize any agreement or transaction in which the sale proceeds to the nonprofit corporation are tied to the provision of services by the acquiring for-profit entity such as providing health services to the poor in lieu of cash or guaranteed payments by the nonprofit corporation to the acquiring entity for indigent services.

(B) Acquiring for-profit entities shall not control sale proceeds or assets through such methods as creation of a new nonprofit foundation or through appointments to the board of directors of the nonprofit corporations.

(11) Except for transactions set forth in Corporations Code section 5233(b), the Attorney General shall not consent to any agreement or transaction to which one or more directors of any nonprofit corporation involved in the agreement or transaction has a material financial interest unless the facts set forth in Corporations Code section 5233(d)(2) or (d)(3) are established.

(12) In making a determination on whether to consent to any agreement or transaction for which written consent is required by section 999.5(a)(1) of these regulations, the Attorney General shall consider whether the agreement or transaction is in the public interest.

(13) As provided by Corporations Code section 5917.5, the Attorney General shall not consent to any agreement or transaction in which the seller restricts the type or level of medical services that may be provided at the health facility that is the subject of the agreement or transaction.

(g) Compliance Program

(1) The Attorney General shall monitor compliance with any terms or conditions of any agreement or transaction for which the Attorney General has given written consent or conditional consent under Corporations Code sections 5915 and 5921. Upon request of the Attorney General, parties to any such agreement or transaction shall provide to the Attorney General such information as is reasonably necessary to monitor compliance.

(2) The Attorney General may contract with experts and consultants as reasonable and necessary to review and evaluate compliance as provided in section 999.5(g)(1) of these regulations.

(3) For any agreement or transaction for which the Attorney General has given written consent or conditional consent under Corporations Code section 5915, the Attorney General shall be entitled to reimbursement of all actual, reasonable and direct costs, including contract and administrative costs, incurred in monitoring compliance as provided in section 999.5(g)(1) of these regulations.

(4) For any agreement or transaction for which the Attorney General has given written consent or conditional consent under Corporations Code section 5921 and for a period not to exceed two years after the end of the time period for performance of any obligation specified by the agreement or transaction, the Attorney General shall be entitled to reimbursement of all actual, reasonable and direct costs, including contract and administrative costs, incurred in monitoring compliance as provided in section 999.5(g)(1) of these regulations.

(5) Except as otherwise prohibited by law or as necessary to protect privileged communications, the Attorney General shall make available to the public all documents relating to compliance with any terms or conditions of any agreement or transaction for which the Attorney General has given consent or conditional consent under Corporations Code section 5915 and 5921.

(h) Amendment of Consent Terms and Conditions

(1) Either the selling or acquiring corporation or entity, or their successors in interest, may request Attorney General approval of any amendment of the terms and conditions of any agreement or transaction for which the Attorney General has given consent or conditional consent under Corporations Code section 5915 or 5921. The sole basis for such a request shall be a change in circumstances that could not have reasonably been foreseen at the time of the Attorney General's action.

(2) A request for an amendment shall include a description of each proposed amendment, a description of the change in circumstance requiring each such amendment, a description of how each such amendment is consistent with the Attorney General's consent or conditional consent to the transaction, and a description of the efforts of the entity making the request to avoid the need for amendment.

(3) The Attorney General shall issue a decision on the proposed amendments within 90 days of the submission of all of the information set forth in section 999.5(h)(2) of these regulations. The Attorney General shall provide public notice of the proposed amendments. A public meeting shall be held before the decision is made either at the discretion of the Attorney General or upon the request of any person within 7 days of the public notice.

(4) In approving proposed amendments to conditions relating to the operation of a health facility such as required levels of charity care and continuation of essential services, the Attorney General shall consider the effect of the proposed amendments on the availability or accessibility of health care services to the affected community. The Attorney General shall approve proposed amendments of the use of sales proceeds only if the proposed amendments are necessary to carry out charitable trust purposes, or in the case of a proposed change in charitable purpose only if that change complies with the principles of the presdoctrines.

(5) The provisions of section 999.5(g)(2), (3), (4) and (5) shall apply to Attorney General review of proposed amendments of the terms and conditions of any agreement or transaction for which the Attorney General has given consent or conditional consent under Corporations Code section 5915 and 5921.

(6) Unless otherwise provided in the decision consenting to an agreement or transaction, the approval of the Attorney General shall not be required for modifications to the agreement or transaction that are not material to the Attorney General's consent. The provisions of section 999.5(h) shall not limit the authority of the Attorney General to interpret the terms and conditions of any consent decision.

(i) Attorney General Cost Reimbursements

(1) The applicant shall reimburse the Attorney General for the following costs incurred in the review and evaluation of any written notice submitted under section 999.5(a) of these regulations:

(A) All actual contract costs that are reasonable and necessary to conduct the review and evaluation, and

(B) All actual, reasonable, direct costs, including administrative costs, incurred in reviewing, evaluating, and ruling upon the written notice.

(2) The Attorney General shall also be entitled to reimbursement for the costs set forth in sections 999.5(g)(2), (3) and (4) and section 999.5(h)(5) of these regulations. Such reimbursement shall be provided by either the selling or the acquiring corporation, depending upon which one the burden of compliance falls or which one submitted the proposed amendment.

(3) As used in sections 999.5(g)(3) and (4), and 999.5(i)(1)(B) of these regulations, "actual, reasonable and administrative costs" includes, but is not limited to, the cost for all Attorney General's office personnel and employee time at the billing rates used by the Department of Justice for budgeting purposes, costs of travel, printing costs, and all costs incurred in the noticing and conduct of public meetings.

(4) The Attorney General shall maintain an adequate record of any reimbursable costs, which shall, upon request, be made available to the party from whom reimbursement is being sought.
