THE CITIZENS FAIR DISTRICTS ACT

Section 1. Title.

This Act shall be known and may be cited as the "Citizens Fair Districts Act."

Section 2. Findings and Purpose.

The people of the state of California hereby make the following findings and declare their purpose in enacting the Act is as follows:

(a) Our state and congressional elected law makers should be responsive to the voters of the State of California.

(b) When the Legislature draws its own districts, it draws maps that cut up neighborhoods, communities, cities and counties in order to create safe seats for incumbents or party favorites.

(c) When districts are drawn for politicians instead of voters, politicians can no longer be held accountable by their constituents.

(d) Legislators have publicly acknowledged that it is an inherent conflict of interest for them to draw their own districts. In 2001, incumbent self-interest and politics resulted in uncompetitive districts drawn behind closed doors and out of the public eye.

(e) Citizens who vote in the State of California, not politicians, are best suited to adopt a fair and nonpartisan redistricting plan.

(f) This Act will end the legislators' conflict of interest, take redistricting away from incumbent politicians and make politicians accountable to the voters again.

(g) This Act will end the practice of incumbent protection where incumbent politicians protect their legislative seats by drawing "safe" districts and will foster increased fair competition in primary and general elections.

(h) This Act establishes an independent Citizens Redistricting Commission drawn randomly from the voter rolls of each Assembly District in California and would empower ordinary citizens to ensure fairness in the redistricting process and establish a fair redistricting plan.

(i) This Act requires compliance with the Voting Rights Act.

(j) This Act requires that counties, cities and communities of interest should not be split to protect incumbents.

(a) The Secretary of State shall work to ensure that each stage of the selection process promotes the purpose of achieving a Citizens Redistricting Commission that is reasonably representative of the state's diversity, including but not limited to, racial, ethnic, geographic and gender diversity. In order to establish the Citizens Redistricting Commission, the Secretary of State shall comply with the following provisions:

(1) Based on the California voter registration roll in existence as of March 1 of each year ending in zero, the Secretary of State shall assemble a pool of invited nominees.

(2) The Secretary of State shall select 2,000 registered voters from each Assembly District in the state for a total nominee pool of 160,000, drawn at random from registered voters in each Assembly District in the state who meet any one of the following: (1) voted in the preceding two statewide general elections in the years ending in six and eight; (2) became eligible to register after the deadline for registering to vote in the statewide general election in the year ending in six and voted in the statewide general election in the year ending in eight ; (3) became eligible to register to vote after the deadline for registering to vote in the statewide general election in the year ending in eight and are registered to vote at the time of selection. The voters selected in this manner shall hereinafter be called the "invited nominee pool."

(3) The Secretary of State shall prepare an invitation and nominee form that shall be mailed to all nominees. In preparing the invitation and nominee form, the Secretary of State shall determine the type of information that will be of the greatest assistance in evaluating a nominee's ability to serve on the commission. The invitation and nominee form prepared by the Secretary of State shall include the terms and conditions of serving on the commission and shall include a notice to all nominees that

they are prohibited from any ex parte communications concerning their possible nomination to the commission except for communications with the nominee's family members or employer. The invitation shall also inform the nominees that seminars will be conducted by the Secretary of State in Sacramento and Los Angeles on dates to be selected by the Secretary of State that a nominee must attend in order to be considered for appointment to the commission.

(4) No later than April 1 of each year ending in zero, the Secretary of State shall notify each of the 160,000 voters comprising the total invited nominee pool that he or she has been randomly selected as a candidate to serve on the Citizens' Redistricting Commission. The Secretary of State shall not disclose the names of the voters or any information pertaining to the nominees and shall keep such information strictly confidential. If the nominee wishes to accept the nomination to the commission, the nominee shall complete the nominee form provided for in paragraph (3), executed under penalty of perjury, regarding the nominee's willingness to serve and the nominee's satisfaction of the qualifications as set forth in the Act, and such other information to help evaluate a nominee's ability to serve on the commission as the Secretary of State may require. The Secretary of State shall further direct the nominee to mail the executed nominee form to the Secretary of State so that it is postmarked by April 20 of that year. Each nominee shall execute a statement in writing acknowledging the potential conflict of interest of a member seeking future elected public office or seeking future appointment to paid political office or direct employment by officeholders listed in Section 1(d)(2), and shall pledge, or decline to pledge, in writing, to not seek or accept any such election or appointment or employment during the term of office of the commission and for three years thereafter. (5) From the nominee forms that are received pursuant to paragraph (4), the Secretary of State shall randomly draw the names to establish a pool of 10 nominees from each Assembly District which shall hereinafter be called the "initial nominee pool." In the event that not enough nominee forms are received from any Assembly District to meet the requirement of this subdivision, the Secretary of State shall take whatever steps the Secretary of State deems necessary to randomly establish a pool of 10 nominees from each Assembly District. If the Secretary of State determines that the entire initial nominee pool is not reasonably representative of the diversity of the state, including but not limited to racial, ethnic, geographic and gender diversity, the Secretary of State shall repeat the entire drawing. The nominees who remain in the invited nominee pool shall be notified by the Secretary of State that they are being placed in a reserve pool. The Secretary of State may draw by random method from the reserve pool if necessary to ensure an adequate number of nominees at each stage of the selection process. The Secretary of State shall immediately notify all nominees of their nomination to the Commission. The Secretary of State shall not disclose the names of the nominees or any other information pertaining to the nominees and shall keep such information confidential.

(6) No later than June 1 of each year ending in zero, the Secretary of State shall make available copies of the nominee forms from the nominees to the President pro Tempore of the Senate, the minority floor leader of the Senate, the Speaker of the Assembly and the minority floor leader of the Assembly. No later than July 1 of a year ending in zero, the legislative leaders shall screen and review the nominee forms submitted by the nominees and each legislative leader may select up to 20 percent of the initial nominees to be removed from the initial nominee pool. Notwithstanding the provisions of this subdivision, a nominee shall only be removed if at least one legislative leader from each of two different parties selects the same nominee to be removed from the initial nominee pool.

(7) No later than July 15 of each year ending in zero, from the remaining pool of initial nominees after the screening by the legislative leaders pursuant to paragraph (6), the Secretary of State shall conduct a random drawing by lot of the nominees and establish a pool of nominees that shall consist of 240 nominees, with three subpools: 80 nominees registered with the largest political party in California based on party registration, 80 nominees registered with the second largest political party in California based on party registration, and 80 nominees who are not registered with either of the two largest political parties in this State. This pool shall hereinafter be called the "screened nominee pool."

(8) The Secretary of State shall immediately notify all nominees in the screened nominee pool that in order to continue to be considered for selection as a member of the commission, a nominee must attend one training seminar to be conducted by the Secretary of State in Sacramento or Los Angeles on a date for each location to be determined by the Secretary of State. The seminars shall be held no later than August 15 of each year ending in zero. The seminars shall provide information to nominees in the screened nominee pool as to responsibilities of members of the commission, procedures to be followed by the commission in establishing districts, the time commitment required to fulfill the duties of a member of the commission and any other information the Secretary of State deems relevant. Within 3 days of the conclusion of the seminar that the nominee has attended, any nominee in the screened nominee pool who does not wish to serve on the commission shall notify the Secretary of State.

(9) Within 3 days of the last day that any nominee in the screened nominee pool may notify the Secretary of State that the nominee does not want to serve on the commission, the Secretary of State shall conduct a random drawing by lot of the remaining nominees and establish a pool of nominees that shall consist of 120 nominees, with three subpools: 40 nominees registered with the largest political party in California based on party registration, 40 nominees registered with the second largest party in California based on party registration, and 40 nominees who are not registered with either of the two largest political parties in California . The Secretary of State shall make available copies of the nominee forms of the 120 nominees to the President pro Tempore of the Senate, the minority floor leader of the Senate, the Speaker of the Assembly and the minority floor leader of the Assembly. No later than September 15 of each year ending in zero, the President pro Tempore of the Senate, the minority floor leader of the Senate, the Speaker of the Assembly and the minority floor leader of the Assembly may each strike up to four nominees from each subpool for a total of 12 possible strikes per legislative leader. The legislative leaders shall make every effort to strike in such a way

that does not result in a pool of nominees that is not representative of this State's racial, ethnic, gender, geographic and cultural diversity. After all legislative leaders have exercised their strikes, the remaining pool of nominees shall hereinafter be called the "candidate pool."

(10) No later than October 1 of each year ending in zero, the Secretary of State shall establish and implement a public and auditable process of randomly drawing from the candidate pool four names of persons who are registered with each of the two largest political parties in California based on party registration, and three names from the pool of persons who are not registered with either of the two largest political parties in California to comprise the Citizens Redistricting Commission. (12) The names of the eleven people drawn for the commission and the names of the eleven people drawn to serve as alternates to the commission shall be presented to the President pro Tempore of the Senate, the minority floor leader of the Senate, the Speaker of the Assembly, and the minority floor leader of the Assembly who shall have 5 days to object to the composition of the commission for lack of representation of the diversity of the state. If objections are raised by three of the foregoing legislative leaders, the Secretary of State will return all names to the candidate pool for another round of random drawing which shall be completed no later than October 15 of each year ending in zero.

(13) At the conclusion of the steps required by paragraph (12), the Secretary of State shall inform the eleven people whose names were drawn to serve on the commission and the eleven people whose names were drawn to serve as alternates to the commission of their selection.

(b) The commission shall convene for its first meeting no later than November 1 of each year ending in zero at a location to be determined by the Secretary of State.
