

Location	Data Element	Description/Definition	Value
A	OESZone	Office of Emergency Services law enforcement planning zone	Numeric Value (1 – 7)
B	OESZoneNumeral*	Office of Emergency Services law enforcement planning zone	Roman Numeral (with exception of “IA” which should be read as “One A”)
C	CountyNumber	County number	Numeric Value (1 – 58)
D	CountyName*	Name of county	Nominal Value
E	ReportingCategory	Reporting category the agency falls within based upon their number of sworn non-jail personnel reported to the Department of Justice in May of 2017	Numeric Value (1 – 4)
F	NCIC	The NCIC number of the Agency that reported the complaints.	Four digit alphanumeric
G	AgencyName	The literal name of the Agency that reported the complaints.	alphanumeric
H	CallsForService	Calls for service as reported in the RIPA Board's LEA survey	Numerical Count
I	TotalSworn	Total number of sworn personnel employed by the agency in 2016	Numerical Count
J	TotalComplaintsReported	The total number of complaints reported.	Numerical Count
K	NonCriminalReported	The number of non-criminal complaints reported.	Numerical Count
L	MisdemeanorReported	The number of misdemeanor complaints reported.	Numerical Count
M	FelonyReported	The number of felony complaints reported.	Numerical Count
N	TotalComplaintsInDetentionReported	The total number of complaints reported by local detention facilities.	Numerical Count

*These variables can be dropped from the SPSS version of the dataset without losing information

Location	Data Element	Description/Definition	Value
O	NonCriminalInDetentionRe ported	The number of non-criminal complaints reported by local detention facilities.	Numerical Count
P	MisdemeanorInDetentionRe ported	The number of misdemeanor complaints reported by local detention facilities.	Numerical Count
Q	FelonyInDetentionReported	The number of felony complaints reported by local detention facilities.	Numerical Count
R	TotalProfilingComplaintsRe ported	The total number of complaints reported with a racial or identity profiling component.	Numerical Count
S	RaceEthnicityReported	The number of complaints reported with a race/ethnicity profiling component.	Numerical Count
T	NationalityReported	The number of complaints reported with a nationality profiling component.	Numerical Count
U	GenderReported	The number of complaints reported with a gender profiling component.	Numerical Count
V	AgeReported	The number of complaints reported with an age profiling component.	Numerical Count
W	ReligionReported	The number of complaints reported with a religion profiling component.	Numerical Count
X	GenderIdentityExpressionR eported	The number of complaints reported with a gender identity/expression profiling component.	Numerical Count
Y	SexualOrientationReported	The number of complaints reported with a sexual orientation profiling component.	Numerical Count
Z	MentalDisabilityReported	The number of complaints reported with a mental disability profiling component.	Numerical Count

Location	Data Element	Description/Definition	Value
AA	PhysicalDisabilityReported	The number of complaints reported with a physical disability profiling component.	Numerical Count
AB	TotalComplaintsSustained	The total number of complaints sustained.	Numerical Count
AC	NonCriminalSustained	The number of non-criminal complaints sustained.	Numerical Count
AD	MisdemeanorSustained	The number of misdemeanor complaints sustained.	Numerical Count
AE	FelonySustained	The number of felony complaints sustained.	Numerical Count
AF	TotalComplaintsInDetentionSustained	The total number of complaints reported by local detention facilities that were sustained.	Numerical Count
AG	NonCriminalInDetentionSustained	The number of non-criminal complaints reported by local detention facilities that were sustained.	Numerical Count
AH	MisdemeanorInDetentionSustained	The number of misdemeanor complaints reported by local detention facilities that were sustained.	Numerical Count
AI	FelonyInDetentionSustained	The number of felony complaints reported by local detention facilities that were sustained.	Numerical Count
AJ	TotalProfilingComplaintsSustained	The total number of complaints with a racial or identity profiling component that were sustained.	Numerical Count
AK	RaceEthnicitySustained	The number of complaints with a race/ethnicity profiling component that were sustained.	Numerical Count
AL	NationalitySustained	The number of complaints with a nationality profiling component that were sustained.	Numerical Count
AM	GenderSustained	The number of complaints with a gender profiling component that were sustained.	Numerical Count
AN	AgeSustained	The number of complaints with an age profiling component that were sustained.	Numerical Count
AO	ReligionSustained	The number of complaints with a religion profiling component that were sustained.	Numerical Count

Location	Data Element	Description/Definition	Value
AP	GenderIdentityExpressionSustained	The number of complaints with a gender identity/expression profiling component that were sustained.	Numerical Count
AQ	SexualOrientationSustained	The number of complaints with a sexual orientation profiling component that were sustained.	Numerical Count
AR	MentalDisabilitySustained	The number of complaints with a mental disability profiling component that were sustained.	Numerical Count
AS	PhysicalDisabilitySustained	The number of complaints with a physical disability profiling component that were sustained.	Numerical Count
AT	TotalComplaintsExonerated	The total number of complaints exonerated.	Numerical Count
AU	NonCriminalExonerated	The number of non-criminal complaints exonerated.	Numerical Count
AV	MisdemeanorExonerated	The number of misdemeanor complaints exonerated.	Numerical Count
AW	FelonyExonerated	The number of felony complaints exonerated.	Numerical Count
AX	TotalComplaintsInDetentionExonerated	The total number of complaints reported by local detention facilities that were exonerated.	Numerical Count
AY	NonCriminalInDetentionExonerated	The number of non-criminal complaints reported by local detention facilities that were exonerated.	Numerical Count
AZ	MisdemeanorInDetentionExonerated	The number of misdemeanor complaints reported by local detention facilities that were exonerated.	Numerical Count
