TITLE 11. LAW
DIVISION 1. ATTORNEY GENERAL
CHAPTER 6. SELECTION PROCESS FOR PRIVATE ARCHITECTURAL AND
ENGINEERING FIRMS
ECONOMIC AND FISCAL IMPACT STATEMENT (STD 399) ATTACHMENT

ECONOMIC IMPACT STATEMENT

A. Estimated Private Section Cost Impacts

1. Private architectural and engineering firms are not required to apply for contracting opportunities with the Department. These regulations could result in additional income for private businesses if they choose to participate in the program and are awarded a contract. In addition, small businesses will have more of an opportunity to compete for contracts under these regulations.
