

Annual County DNA Identification Fund Report Instructions

Form Completion Instructions:

1. In the header of the document, indicate the year the report is covering.
2. Enter the county name and county code number where indicated.
3. In the section titled "Revenue Collected/Allocated," indicate the total revenues collected into the County DNA Identification Fund for that reporting calendar year. Then indicate the breakdown of funds forwarded to the State DNA Identification Fund and what portion was kept at the County Level. Monies collected by the County pursuant to Government Code Section 76104.6, must be divided between the county and the State as follows:
Years 1 & 2 (2005 & 2006) – 70% to State DNA fund; 30% to County DNA fund
Year 3 (2007) – 50% to State DNA fund; 50% to County DNA fund
Year 4+ (2008 and on) – 25% to State DNA fund; 75% to County DNA Fund
4. In the section titled "Revenue Expended," show the breakdown of the county expenditures from its portion of the DNA funds. Expenditures must be broken down into the following categories: administrative costs; collection of samples; processing/analysis/tracking/and storage of DNA crime scene samples; equipment; software, and other. The final field should indicate the total revenue expended from the County's DNA Fund during the reported year.
5. The person preparing this report needs to complete all information in the "Preparer's Contact Information" section.
6. Three copies of this report need to be printed and the original signature of the preparer must be on each printed copy. **Photocopies will NOT be accepted.**
7. A completed form with original signatures must be sent to each of the following locations and **must be postmarked by April 1st:**
