

California Department of Justice Proposition 69 DNA Data Bank Program Report for Second Quarter 2017

In accordance with Penal Code section 295(h)(4), the following report has been prepared for publication.

The California Department of Justice (DOJ), Division of Law Enforcement, Bureau of Forensic Services (BFS) provides DNA typing support to law enforcement agencies throughout the state for the DNA Data Bank. All of the BFS Crime Laboratories and DNA Programs, including the CAL-DNA Data Bank Program, are accredited by the American Society of Crime Laboratory Directors - Laboratory Accreditation Board. Seventeen local crime laboratories and five BFS Laboratories or sections are participants in the California DNA Data Bank Program (CAL-DNA) and the National DNA Index System (NDIS) as part of the Combined DNA Index System (CODIS).

Unless otherwise noted, the following statistics have been prepared based on the last quarter for which complete information exists:
