- (1) Total gross revenue from vehicle/property sales (no expense deductions).
- (2) The detailed schedule of expenses below shows how ADS spends its contracted share of the total gross revenue. For clarification, lines 2A through 2M detail the many expenses incurred to: advertise and market on behalf of client charities, schedule donations, make pick ups, provide donation storage, prepare for sale, make repairs, perform legal paperwork, prepare reports and sell the donation at retail or wholesale to maximize net revenue for the client charity.
- (3) These are expenses which specifically enhance the selling price of donated property where feasible prior to wholesale or retail sale. (For example, repairing a non-running vehicle so it is running at time of sale can often increase its selling price by threefold or more providing a substantially larger deduction for the donor and increased revenue for the charity.)
- (4) ADS advertises to promote donations for client charities and pays for it from its contracted share of the total gross revenue. ADS does not charge its client charities for advertising. ADS also advertises the appropriate vehicles for sale in the retail market.
