

TABLE 5

This table lists commercial fundraisers that registered in 2002 and submitted financial reports that were not accepted for filing.

Financial reports must be signed by the commercial fundraiser and also by two officers of the organization. In most cases the financial reports were not accepted because they had not been signed by the officers of the charities.

Reports identified as unacceptable that were resubmitted and accepted after December 1, 2003, will be included in the next published CFR report.

Note: Negative amounts in the “To Charity” column indicate the campaign raised less than the commercial fundraiser fee guaranteed in the contract between the charity and the fundraiser.
