(d) The market value has been manipulated by the actions of the parties in a manner that causes the value of the assets to decrease.

(e) The proposed use of the proceeds from the agreement or transaction is consistent with the charitable trust on which the assets are held by the health facility or by the affiliated nonprofit health system.
(f) The agreement or transaction involves or constitutes any breach of trust.

(g) The Attorney General has been provided, pursuant to Section 5250, with sufficient information and data by the nonprofit corporation to evaluate adequately the agreement or transaction or the effects thereof on the public.
