

CONFLICT OF INTEREST CODE

DEPARTMENT OF JUSTICE

The Political Reform Act requires state and local government agencies to adopt and promulgate conflict of interest codes. (Gov. Code, § 81000 et seq.) The Fair Political Practices Commission (the “FPPC”) has adopted a regulation (California Code of Regulations, Title 2, Section 18730) containing the terms of a standard conflict of interest code, that can be incorporated by reference in an agency’s code. After public notice and hearing, the standard code may be amended by the FPPC to conform to amendments in the Political Reform Act. Therefore, the terms of California Code of Regulations, Title 2, Section 18730, and any amendments to it duly adopted by the FPPC are hereby incorporated by reference. This regulation and the attached Appendices, designating positions and establishing disclosure categories, shall constitute the conflict of interest code of the Department of Justice (the “Department”).

Individuals holding designated positions shall file their statements of economic interests with the Department, which will make the statements available for public inspection and reproduction. (Gov. Code, § 81008.) Upon receipt of the Attorney General’s statement, the Department shall make and retain a copy and forward the original to the FPPC. The Department shall forward copies of statements for appointed members of multi-member boards and commissions to the FPPC. All other statements will be retained by the Department. Statements of economic interests filed by the Attorney General and designated positions of the Department are maintained at 1300 I Street, Sacramento, CA 95814.
