Completing the Short-Barreled Shotgun/Short-Barreled Rifle Report Form:

The form provides three entry sections for reporting up to three separate weapons. Make as many copies of this form as required to complete your reporting requirement. Complete the acquisition line (second line of each entry section) for all weapons acquired since completion of the last annual report (for new permittees, report all short-barreled shotguns/short-barreled rifles acquired since issuance of the new permit). For Acquisition Type, report “A” for acquired from a transferor or “M” for manufactured. In the respective spaces, enter the date acquired and transferor’s name. For Transferor Type, enter “D” for a California short-barreled shotgun/short-barreled rifle permittee, “F” for an out-of-state Federal Firearms Licensee (FFL), or “L” for a law enforcement agency (for trade-ins). In the respective space, enter the transferor’s dangerous weapons permit number whenever the transferor is a California dealer or an out-of-state transferor’s FFL number.

Complete the disposition line (third line of each entry section) for all weapons disposed since completion of the last annual report (for new permittees, reports of all short-barreled shotguns/short-barreled rifles disposed since issuance of the new permit).
