

Olympic Pistol Exemptions from “Unsafe Handgun” (§12125 PC) and Assault Weapon (§12275 PC) Statutory Provisions

Penal Code (PC) sections 12132(h)(3) and 12276.1(c)(3) exempt certain qualifying competitive Olympic pistols from the “unsafe handgun” provisions of Penal Code section 12125, et seq., and the assault weapon provisions of Penal Code section 12275, et seq. In addition to pistols specified in the statutes, the Department of Justice (DOJ) is authorized to exempt pistols based on recommendations from “USA Shooting” the national governing body for international shooting competition in the United States. The Roster of Exempted Olympic Competition Pistols established by the Department of Justice pursuant to Section 5455 of Division 5 of Title 11 of the California Code of Regulations identifies all of the Olympic pistols that are exempt from the “unsafe handgun” and assault weapon provisions.

ROSTER OF EXEMPTED OLYMPIC COMPETITION PISTOLS

Pistols specifically identified and exempted pursuant to PC sections 12132(h)(2) and/or 12276.1(c)(2) are *italicized*. Pistols exempted based on recommendations from USA Shooting appear in plain text. The most recent additions (1/2011) to the roster are indicated by an asterisk (*).
