Re: Location change for December 12, 2014 workshop
Proposed Amendment to Gaming Activity Authorization regulation

Due to the number of responses submitted regarding the proposed regulation changes, the Bureau of Gambling Control decided that a larger facility would be necessary to accommodate the most participants possible for its workshop scheduled for December 12, 2014. The workshop has been relocated from its originally scheduled location at 1625 North Market Street, Sacramento, CA 95833 to:

Ben Ali Shrine Center
3262 Marysville Boulevard
Sacramento, CA 95815

Doors will open for seating at 9:30 a.m., with the workshop beginning at 10:00 a.m.

The comment letters the Bureau has received in advance for this workshop will be posted to the Bureau's regulations webpage at: <http://oag.ca.gov/gambling/regulations>, by close of business Tuesday.

Thank you
