RE: Controlled Game Review Application Option

This letter is to inform you of a new option designed to simplify and expedite the approval of applications for certain controlled games. The Bureau of Gambling Control (Bureau) has included on the Attorney General's Web site a list of pre-approved rules for various controlled card games. Gambling establishments seeking approval to offer any of these games may simply refer to the name and version of the game on their Application for Controlled Game Review, thereby allowing us to reduce the cost and time normally required for the individual game review. The following are the key elements of this option:

- Each game submitted for approval in this manner must strictly conform to the game rules and other specified elements of play, as specified on the Web site.
- Gambling establishments will only need to submit a cover letter, signed application, and collection rates along with the appropriate application fee and background deposit.
- Game rules do not need to be submitted when utilizing this option.
- Approval letter will be issued within five to seven business days.

For more detailed instructions, please see the following Web site and click on BGC Standard Game Rules <http://ag.ca.gov/gambling/game/cardroomlist.php>. Additional game rules will be added over time.

If you have any questions regarding this letter, please contact the games analyst assigned to your gambling establishment or Mysty Trejo, Games Manager, at (916) 263-8116.

Thank you for your cooperation in this matter.

Sincerely,

A handwritten signature in blue ink that reads "Chris Davis".
