Re: December 12, 2014 workshop – postponed
Proposed Amendment to Gaming Activity Authorization regulation

The Bureau has been contacted by stakeholders throughout the state requesting to reschedule the workshop scheduled for Friday, December 12th. These requests are due to the National Weather Service issuing high wind and flood advisory warnings for Northern California from December 10-12, 2014. With our stakeholders travelling throughout the state and possibly facing severe weather hazards, the Bureau is postponing the workshop. The workshop will be rescheduled for Friday, January 23, 2015, at 10:00 a.m. at the same location.

Questions concerning the workshop may be directed to Susanne George, Research Analyst II, at 916-227-2461 or Susanne.George@doj.ca.gov

On behalf of the Bureau we wish everyone a safe and happy holiday season.

Sincerely,

A handwritten signature in blue ink that reads "Wayne J. Quint Jr.".
