

CURES 2.0

TERMS AND CONDITIONS

CURES 2.0 is committed to the reduction of prescription drug abuse and diversion without affecting legitimate medical practice or patient care.

CURES 2.0 Schedule II to IV prescription history information enhances safe prescribing and assists prescribers and dispensers to identify prescription drug abusive patients in need of medical intervention and treatment.

Prescribing practitioners and dispensers must treat this information in accordance with the provisions of the Health Insurance Portability and Accountability Act (HIPAA), the California Confidentiality of Medical Information Act, and Health and Safety Code section 11165(c). Law enforcement users must obtain, use, and share this information with criminal justice partners only in conjunction with criminal investigative matters. This data shall not be disclosed, sold, or transferred to any third party.

Any other use of this information is strictly prohibited.

Users of the information herein must know, understand, and abide by these provisions.

The Department of Justice (DOJ) limits access and dissemination of this information to licensed prescribers and licensed pharmacists strictly for patients under their care; and regulatory board staff and law enforcement personnel for official oversight or investigatory purposes. DOJ pursues regulatory and/or criminal sanctions for misuse of CURES 2.0 information.

Logging into the CURES 2.0 system signifies you understand and agree to these terms.
