Health and Safety Code sections 14950 et seq., and specifically from selling, offering, or possessing for sale cigarettes that are not in compliance with the requirements of this Act.

Defendant is not prohibited from selling, offering, or possessing for sale cigarettes that are not in compliance with this Act if the sale, offer or possession for sale is to a member of the Wiyot Tribe and the sale, offer or possession for sale occurs on the Table Bluff Reservation.

Having also considered the People's Request for Sanctions for Violating the Preliminary Injunction and Motion for Preliminary Injunction and all the factual materials and legal arguments presented by the parties and good cause appearing, and having found that modification of the Preliminary Injunction is justified due to a material change in facts, specifically because Defendant violated the Preliminary Injunction, and to serve the ends of justice, specifically to prevent future violations of the Preliminary Injunction, the Court further orders:

- 1. That Defendant, within seven (7) days from the date of the modified injunction, serve a copy of the modified injunction order on each of Defendant's current directors, officers, employees, agents and persons over whom she has authority or control that are acting in concert or participation with her (collectively, "enjoined persons");
- That Defendant train such persons on how to conduct sales so as not to violate the modified injunction; and
- That Defendant obtain and retain a signed statement from all enjoined persons
 indicating that they have received and read a copy of the modified injunction and
 agree to abide by it.

IT IS SO ORDERED

DATED:

JUDGE OF THE SUPERIOR COURT
