1. Please carefully review the photographs, physical descriptions and names of the missing persons contained in this Bulletin.
2. Elementary school principals, in accordance with California Education Code Section 49068.5, are urged to review this Bulletin anytime a new student is enrolled in their school.
3. Keep in mind that the physical appearances of the missing persons may have changed. All physical information was obtained at the time the person was reported missing and the picture is the most recent available at that time. Some photographs contain the notation "Age Enhanced", indicating that the original photo was modified to render possible age progression. Computer enhanced photographs have been provided by the National Center for Missing and Exploited Children.
