California Megan’s Law Website
State of California Department of Justice Office of the Attorney General

Welcome to the California Department of Justice Megan’s Law Website where California is embracing technology to enhance community safety.

This website provides information on registered sex offenders pursuant to California Penal Code § 290.46 so that members of the public can better protect themselves and their families. The information on this site is extracted from the California Sex and Arson Registry (CSAR), the State’s repository for sex offender information. The information in the CSAR is provided to local law enforcement agencies by the sex offender during the registration process. Pursuant to Penal Code § 290.46, not all registered sex offenders are posted on this website. Click for more information on Megan’s Law.

Myths and Facts About Sexual Assault

Take this quiz regarding myths/facts about sexual assault. Let us see how much we know is true—and see how much of what we think has been based on the myths we have all heard about sexual assault and sex offenders. Take 5 minutes to complete the True or False Quiz:

- Most men who commit sexual offenses do not know their victim.
- Most sexual assaults are committed by someone of the same race as the victim.
- Most child sexual abusers use physical force or threat to gain compliance from their victims.
- Most child sexual abusers find their victims by frequenting such places as schoolyards and playgrounds.
- Only men commit sexual assault.
- Child sexual abusers are only attracted to children and are not capable of appropriate sexual relationships.
- Victims of sexual assault are harmed only when offenders use force.
- If a child does not tell anyone about the abuse, it is because he or she must have consented to it.
