<<b2b_text_1 (Subject: Notice of Data Security Incident / Breach)>>

Dear <<First_name>> <<Last_name>>:

We are writing to inform you of a data security incident that may have involved your personal information. Del Monte Foods Corporation II Inc. ("Del Monte") takes the privacy and security of all information very seriously. This letter contains information regarding the incident and steps that you can take to help protect your personal information.

What Happened. On February 9, 2026, Del Monte learned that it had experienced an issue impacting network operability and immediately initiated an investigation of the matter. Del Monte engaged independent cybersecurity experts to assist with the process. As a result of the investigation, we determined that certain files were acquired without authorization. Del Monte undertook a comprehensive review of those files and, on or about August 20, 2026, learned that certain personal information was contained therein which is the reason for this notification. Thereafter, Del Monte worked to confirm addresses sufficient to effectuate notice, which was completed on October 20, 2026. Upon completion of that process, Del Monte then worked quickly to provide you with this notice.

What Information Was Involved. The potentially involved information includes your name as well as your <<b2b_text_2 (Affected Regulated Data Sets)>>.

What We Are Doing. As soon as Del Monte learned of this incident, we took the steps described above and implemented measures to enhance security and minimize the risk of a similar incident occurring in the future. Del Monte is also offering you complimentary identity protection services through Kroll, a leader in consumer identity protection. These services include <<ServiceTerminMonths>> months of credit monitoring¹, dark web monitoring, a \$1 million identity fraud loss reimbursement policy, and fully managed identity theft recovery services. Steps You Can Take to Help Protect Your Personal Information

Review Your Account Statements and Notify Law Enforcement of Suspicious Activity: As a precautionary measure, we recommend that you remain vigilant by reviewing your account statements and credit reports closely. If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained. You also should promptly report any fraudulent activity or any suspected incidence of identity theft to proper law enforcement authorities, your state attorney general, and/or the Federal Trade Commission (the “FTC”).

Copy of Credit Report: You may obtain a free copy of your credit report from each of the three major credit reporting agencies, Equifax, Experian, and TransUnion by visiting www.annualcreditreport.com/, calling toll-free 1-877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348. AnnualCreditReport.com allows you to request your credit reports from the three nationwide credit reporting agencies through one centralized website. Free weekly online access to your credit reports is currently available. You also can contact one of the following three national credit reporting agencies:

Fraud Alert: You may want to consider placing a fraud alert on your credit report. An initial fraud alert is free and will stay on your credit file for at least one year. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any accounts in your name. To place a fraud alert, contact any of the three credit reporting agencies using the contact information provided below. Additional information is available at www.annualcreditreport.com.

Security Freeze: You have the right to put a security freeze on your credit file for up to one year at no cost. This will prevent new credit, loans, and services from being opened in your name without your consent. A security freeze is designed to prevent potential creditors from accessing your credit report without your consent. As a result, using a security freeze may interfere with or delay your ability to obtain credit. You must separately place a security freeze on your credit file with each credit reporting agency. In order to place a security freeze, you may be required to provide the consumer reporting agency with information that identifies you including your full name, Social Security number, date of birth, current and previous addresses, a copy of your state-issued identification card, and a recent utility bill, bank statement or insurance statement. To place a security freeze, contact any of the three credit reporting agencies using the contact information provided below.
