Reference Guide

Review Your Account Statements and Notify Law Enforcement of Suspicious Activity: Carefully review account statements and credit reports to ensure that all of your account activity is valid. Report any questionable charges promptly to the financial institution or company with which the account is maintained. You also should promptly report any fraudulent activity or any suspected incidence of identity theft to proper law enforcement authorities, your state attorney general, and/or the Federal Trade Commission (FTC).

Order Your Free Credit Report: To order your free annual credit report, visit www.annualcreditreport.com, call toll-free at 1-877-322-8228, or complete the Annual Credit Report Request Form (available at www.annualcreditreport.com) and mail it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA, 30348-5281. You also can contact one or more of the following three national consumer reporting agencies:

Equifax: P.O. Box 740241, Atlanta, GA 30374, 1-800-525-6285, <https://www.equifax.com/personal/creditreport-services>

Experian: P.O. Box 9532, Allen, TX 75013, 1-888-397-3742, www.experian.com/help

TransUnion: P.O. Box 2000, Chester, PA 19016, 1-800-916-8800, www.transunion.com/credit-help

When you receive your credit reports, review them carefully. Look for accounts or creditor inquiries that you did not initiate or do not recognize. If you see anything you do not understand, call the consumer reporting agency at the telephone number on the report.

Consider Placing a Fraud Alert on Your Credit Report: You have the right to place an initial or extended “fraud alert” on your credit report at no cost. An initial fraud alert lasts 1-year and can be renewed as many times as desired. Upon seeing a fraud alert display on a consumer’s credit file, a business is required to take steps to verify the consumer’s identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting seven years. To place a fraud alert on your credit report, contact any one of the consumer reporting agencies listed below. The agency you contact will then contact the other two credit agencies.

Equifax Information Services: P.O. Box 105069 Atlanta, GA 30348-5069, 1-800-525-6285, or by visiting:
<https://www.equifax.com/personal/credit-report-services/credit-fraud-alerts/>

Experian Fraud Alert: P.O. Box 9554, Allen, TX 75013-9554, 1-888-397-3742, or by visiting:
<https://www.experian.com/fraud/center.html>

Transunion: P.O. Box 2000 Chester, PA 19016-2000, 1-800-916-8800, or by visiting:
<https://www.transunion.com/fraud-alerts>

Request a Security Freeze: You have the right to put a security freeze on your credit file at no cost. A security freeze will ensure potential creditors and other third parties are unable to access your credit report without your consent to lift the freeze. As a result, a security freeze may interfere with or delay approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Unlike a fraud alert, you must separately place a security freeze on your credit file with each consumer reporting agency. Pursuant to federal law, you cannot be charged to place or lift a security freeze.

In order to request a security freeze, you will need to provide some or all of the following information to the consumer reporting agency, depending on whether you do so online, by phone, or by mail:

1. Full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. If you have moved in the past five (5) years, the addresses where you have lived over the prior five years;
5. Proof of current address, such as a current utility bill, telephone bill, rental agreement, or deed;
6. A legible photocopy of a government issued identification card (state driver’s license or ID card, military identification, etc.);
7. Social Security Card, pay stub, or W2;
8. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

Should you wish to place a security freeze, please contact the three major consumer reporting agencies listed below:

Equifax Security Freeze
P.O. Box 105788
Atlanta, GA 30348-5788
1-888-298-0045
<https://www.equifax.com/personal/credit-report-services/>

Experian Security Freeze
P.O. Box 9554
Allen, TX 75013

TransUnion Security Freeze
P.O. Box 160
Woodlyn, PA 19094
1-800-916-8800
<https://www.transunion.com/credit-freeze>

After receiving your freeze request, each credit bureau will provide you with a unique PIN or password and information on how you can remove the freeze in the future. Keep the PIN or password in a safe place as you will need it if you choose to lift the freeze. A freeze remains in place until you ask the consumer reporting agency to temporarily lift it or remove it altogether. If the request is made online or via phone, a credit bureau must lift the credit freeze within an hour. If the request is made by mail, then the bureau must lift the freeze no later than three business days after receiving your request.

Reference Guide

Monitor Accounts: In general, we encourage you to remain vigilant against incidents of identity theft and fraud, to review your minor's account statements for suspicious activity. Typically, a minor under the age of eighteen (18) does not have credit in his or her name, and the consumer reporting agencies do not have a credit report in a minor's name. To find out if your minor has a credit report or to request a manual search for your minor's Social Security number each credit bureau has its own process. To learn more about these processes or request these services, you may contact the consumer reporting agencies by phone or in writing or you may visit the below websites:

Equifax: P.O. Box 740241, Atlanta, GA 30374, 1-800-525-6285, <https://www.equifax.com/personal/help/request-child-credit-report>

Experian: P.O. Box 9554, Allen, TX 75013, 1-888-397-3742, <https://www.experian.com/help/minor-request.html>

TransUnion: P.O. Box 2000, Chester, PA 19016, 1-800-916-8800, <https://www.transunion.com/credit-disputes/child-identity-theft-inquiry-form>

Request a Security Freeze: Adults and minors sixteen (16) years or older have the right to place a "security freeze" on a credit report, which will prohibit a consumer reporting agency from releasing information in the credit report without express authorization. A parent or guardian also has the right to place a security freeze on a minor's credit report if the minor is under the age of sixteen (16). By placing a security freeze, someone who fraudulently acquires your minor's personal identifying information will not be able to use that information to open new accounts or borrow money in their name. You will need to contact the three national consumer reporting agencies listed below to place the freeze. There is no cost to freeze or unfreeze your minor's credit files. Should you wish to place a security freeze, please contact the three major consumer reporting agencies listed below:

Equifax	Experian	TransUnion
https://www.equifax.com/personal/credit-report-services/	https://www.experian.com/help	https://www.transunion.com/credit-help
1-888-298-0045	1-888-397-3742	1-800-916-8800
Equifax Fraud Alert P.O. Box 105069 Atlanta, GA 30348-5069	Experian Fraud Alert P.O. Box 9554 Allen, TX 75013-9554	Transunion Fraud Alert P.O. Box 2000 Chester, PA 19016-2000
Equifax Security Freeze P.O. Box 105788 Atlanta, GA 30348	Experian Security Freeze P.O. Box 9554 Allen, TX 75013	TransUnion Security Freeze P.O. Box 380 Woodlyn, PA 19094

After receiving your freeze request, each consumer reporting agency will provide you with a unique PIN or password and information on how you can remove the freeze in the future. Keep the PIN or password in a safe place as you will need it if you choose to lift the freeze. A freeze remains in place until you, as the minor's parent or legal guardian, take action to temporarily lift it or remove it altogether, or the minor takes action to lift or remove the freeze once they are sixteen (16) years or older.

Fraud Alerts: As an alternative to a security freeze, you may be able to place an initial or extended "fraud alert" on your minor's file (if one exists) at no cost. Keep in mind, not all consumer reporting agencies offer fraud alerts for minors. An initial fraud alert lasts 1 year and can be renewed as many times as desired. Upon seeing a fraud alert display on a consumer's credit file, a business is required to take steps to verify the consumer's identity before extending new credit. If your minor is a victim of identity theft, they may be entitled to an extended fraud alert, which is a fraud alert lasting seven years. To inquire about whether placing a fraud alert on your minor's credit report is an available option, contact any one of the consumer reporting agencies listed above.

To request information about the existence of a credit file in your minor's name, search for your minor's Social Security number, place a security freeze on your minor's credit file, place a fraud alert on your minor's credit report (if one exists), or request a copy of your minor's credit report you may be required to provide the following information:

1. A copy of your driver's license or another government issued identification card, such as a state ID card, etc.;
2. Proof of your address, such as a copy of a bank statement, utility bill, insurance statement, etc.;

7. Your minor's date of birth; and a list of previous addresses for the past two years.

Review Your Account Statements and Notify Law Enforcement of Suspicious Activity: Carefully review account statements and credit reports to ensure that all of your account activity is valid. Report any questionable charges promptly to the financial institution or company with which the account is maintained. You also should promptly report any fraudulent activity or any suspected incidence of identity theft to proper law enforcement authorities, your state attorney general, and/or the Federal Trade Commission (FTC).

Order Your Free Credit Report: To order your free annual credit report, visit www.annualcreditreport.com, call toll-free at 1-877-322-8228, or complete the Annual Credit Report Request Form (available at www.annualcreditreport.com) and mail it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA, 30348-5281. You also can contact one or more of the following three national consumer reporting agencies:

Equifax: P.O. Box 740241, Atlanta, GA 30374, 1-800-525-6285, <https://www.equifax.com/personal/creditreport-services>

Experian: P.O. Box 9532, Allen, TX 75013, 1-888-397-3742, www.experian.com/help

TransUnion: P.O. Box 2000, Chester, PA 19016, 1-800-916-8800, www.transunion.com/credit-help

When you receive your credit reports, review them carefully. Look for accounts or creditor inquiries that you did not initiate or do not recognize. If you see anything you do not understand, call the consumer reporting agency at the telephone number on the report.

Consider Placing a Fraud Alert on Your Credit Report: You have the right to place an initial or extended “fraud alert” on your credit report at no cost. An initial fraud alert lasts 1-year and can be renewed as many times as desired. Upon seeing a fraud alert display on a consumer’s credit file, a business is required to take steps to verify the consumer’s identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting seven years. To place a fraud alert on your credit report, contact any one of the consumer reporting agencies listed below. The agency you contact will then contact the other two credit agencies.

Equifax Information Services: P.O. Box 105069 Atlanta, GA 30348-5069, 1-800-525-6285, or by visiting:

<https://www.experian.com/fraud/center.html>

Transunion: P.O. Box 2000 Chester, PA 19016-2000, 1-800-916-8800, or by visiting:

Request a Security Freeze: You have the right to put a security freeze on your credit file at no cost. A security freeze will ensure potential creditors and other third parties are unable to access your credit report without your consent to lift the freeze. As a result, a security freeze may interfere with or delay approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Unlike a fraud alert, you must separately place a security freeze on your credit file with each consumer reporting agency. Pursuant to federal law, you cannot be charged to place or lift a security freeze.

In order to request a security freeze, you will need to provide some or all of the following information to the consumer reporting agency, depending on whether you do so online, by phone, or by mail:

1. Full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. If you have moved in the past five (5) years, the addresses where you have lived over the prior five years;
5. Proof of current address, such as a current utility bill, telephone bill, rental agreement, or deed;
6. A legible photocopy of a government issued identification card (state driver’s license or ID card, military identification, etc.);
7. Social Security Card, pay stub, or W2;
8. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

Should you wish to place a security freeze, please contact the three major consumer reporting agencies listed below:

Equifax Security Freeze
P.O. Box 105788
Atlanta, GA 30348-5788
1-888-298-0045

Experian Security Freeze
P.O. Box 9554
Allen, TX 75013
1-888-397-3742

TransUnion Security Freeze
P.O. Box 160
Woodlyn, PA 19094
1-800-916-8800

<https://www.transunion.com/credit-freeze>

After receiving your freeze request, each credit bureau will provide you with a unique PIN or password and information on how you can remove the freeze in the future. Keep the PIN or password in a safe place as you will need it if you choose to lift the freeze. A freeze remains in place until you ask the consumer reporting agency to temporarily lift it or remove it altogether. If the request is made online or via phone, a credit bureau must lift the credit freeze within an hour. If the request is made by mail, then the bureau must lift the freeze no later than three business days after receiving your request.
