Notice of Data Breach

Dear <<First Name>> <<Last Name>>,

We write to notify you of a recent incident that could affect some of your personal or health information. Please review this letter carefully.

What Happened

Anne Arundel Dermatology (“AAD”) recently identified an intrusion on certain of its systems by an unauthorized third party. We took immediate action to review this incident and secure our systems. Our review determined that certain data files were accessible to the unauthorized third party for a period of time. We subsequently performed an assessment of these data files and determined, on May 20, 2025, that some of the files contained certain personal or health information when the unauthorized third party had access to them. Our review indicates that the unauthorized access may have begun on February 14, 2025, and ended on May 13, 2025.

What Information Was Involved

From the review, we determined on June 27, 2025, that the personal or health information affected may include your <<variable text 1>>. While we do not know whether the third party actually viewed or exfiltrated your information, we are sending you this notice as a precaution and to encourage you to take steps to monitor your information. *At this time, we are not aware of any misuse of or fraudulent activity relating to anyone’s personal or health information as a result of this incident.*

What We Are Doing

After becoming aware of the incident, AAD undertook a review, working with third-party experts, to determine the nature and scope of the unauthorized access and confirm it was contained. After the review, we implemented additional security measures to help further protect against this type of incident going forward. As an added precaution, we are offering complimentary access to identity theft protection services through IDX at no cost to you. IDX identity protection services include: 24 months of credit and CyberScan monitoring, a \$1,000,000 insurance reimbursement policy, and fully managed ID theft recovery services.

Monitor Your Accounts

We recommend that you regularly review statements from your accounts and periodically obtain your credit report from one or more of the national credit reporting companies. You may obtain a free copy of your credit report online at www.annualcreditreport.com, by calling toll-free 1-877-322-8228, or by mailing an Annual Credit Report Request Form (available at www.annualcreditreport.com) to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA, 30348-5281. You may also purchase a copy of your credit report by contacting one or more of the three national credit reporting agencies listed below.

- **Equifax®** – P.O. Box 740241, Atlanta, GA 30374-0241 – 1-800-685-1111 – www.equifax.com/personal/credit-report-services
- **Experian** – P.O. Box 9701, Allen, TX 75013-9701 – 1-888-397-3742 – www.experian.com
- **TransUnion** – P.O. Box 1000, Chester, PA 19016-1000 – 1-800-888-4213 – www.transunion.com

When you receive your credit reports, review them carefully. Look for accounts or creditor inquiries that you did not initiate or do not recognize. Look for information, such as home address and Social Security number, that is not accurate. If you see anything you do not understand, call the credit reporting agency at the telephone number on the report.

Credit Freeze

You have the right to put a security freeze, also known as a credit freeze, on your credit file, so that no new credit can be opened in your name without the use of a Personal Identification Number (PIN) that is issued to you when you initiate a freeze. A credit freeze is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to access your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. Should you wish to place a credit freeze, please contact all three major consumer reporting agencies listed below.

- **Equifax®** – P.O. Box 105788, Atlanta, GA 30348-5788 – 1-800-685-1111 – www.equifax.com/personal/credit-report-services
- **Experian** – P.O. Box 9554, Allen, TX 75013-9554 – 1-888-397-3742 – www.experian.com/freeze/center.html
- **TransUnion** – P.O. Box 2000, Chester, PA 19016-2000 – 1-800-909-8872 – www.transunion.com/credit-freeze

You must separately place a credit freeze on your credit file at each credit reporting agency. The following information should be included when requesting a credit freeze: full name, with middle initial and any suffixes; Social Security number; month, day, and year of birth; current address and previous addresses for the past five (5) years; proof of current address, such as a current utility bill or telephone bill; and other personal information as required by the applicable credit reporting agency.

If you request a credit freeze online or by phone, then the credit reporting agencies have one (1) business day after receiving your request to place a credit freeze on your credit file report. If you request a lift of the credit freeze online or by phone, then the credit reporting agency must lift the freeze within one (1) hour. If you request a credit freeze or lift of a credit freeze by mail, then the credit agency must place or lift the credit freeze no later than three (3) business days after getting your request.

Fraud Alerts

You also have the right to place an initial or extended fraud alert on your file at no cost. An initial fraud alert lasts one (1) year and is placed on a consumer's credit file. Upon seeing a fraud alert display on a consumer's credit file, a business is required to take steps to verify the consumer's identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting seven (7) years. Should you wish to place a fraud alert, please contact any one of the agencies listed below. The agency you contact will then contact the other two credit agencies.
