## Notice of Data Breach

Dear <<Name 1>>:

Victor Valley Union High School District understands the importance of protecting employee information. We are writing to inform you of an incident that may have involved some of your information. We are providing this notice to explain the incident and measures we have taken, and also to provide some steps you can take in response.

### What Happened?

On February 26, 2021, some of the District’s computer systems were infected with malware that encrypted the data on those machines. We quickly identified and contained the malware, began to restore data and launched an investigation with the assistance of a cybersecurity firm.

### What Information Was Involved?

On March 1, 2021, the investigation determined that some data stored in the District’s network was accessed by the unauthorized party during the malware incident. We promptly reviewed the information that was accessed and determined it includes your name and Social Security number.

### What Are We Doing?

In response to the incident we have taken steps to help prevent a similar incident in the future including updating user passwords and implementing additional security safeguards and controls in our network infrastructure. In an abundance of caution, the District is offering you a complimentary one-year membership in Experian® IdentityWorks<sup>SM</sup> Credit 3B. This product helps detect possible misuse of your personal information and provides you with identity protection services focused on immediate identification and resolution of identity theft. IdentityWorks is completely free to you and enrolling in this program will not hurt your credit score.

### What You Can Do.

We encourage you to remain vigilant by reviewing your account statements and credit reports for any unauthorized activity. For more information and instructions on enrolling in IdentityWorks, including some additional steps you can take to help protect yourself, please see the additional information provided with this letter.

### For More Information.

If you have any questions, please call 855-535-1812, Monday through Friday, 6:00 a.m. to 6:00 p.m. Pacific Time.

Sincerely,

Dr. Antoine Hawkins, Assistant Superintendent  
Victor Valley Union High School District

## **ADDITIONAL STEPS YOU CAN TAKE**

We remind you it is always advisable to be vigilant for incidents of fraud or identity theft by reviewing your account statements and free credit reports for any unauthorized activity. You may obtain a copy of your credit report, free of charge, once every 12 months from each of the three nationwide credit reporting companies. To order your annual free credit report, please visit [www.annualcreditreport.com](http://www.annualcreditreport.com) or call toll free at 1-877-322-8228. Contact information for the three nationwide credit reporting companies is as follows:

- *Equifax*, PO Box 740241, Atlanta, GA 30374, [www.equifax.com](http://www.equifax.com), 1-800-685-1111
- *Experian*, PO Box 2002, Allen, TX 75013, [www.experian.com](http://www.experian.com), 1-888-397-3742
- *TransUnion*, PO Box 2000, Chester, PA 19016, [www.transunion.com](http://www.transunion.com), 1-800-916-8800

If you believe you are the victim of identity theft or have reason to believe your personal information has been misused, you should immediately contact the Federal Trade Commission and/or the Attorney General's office in your state. You can obtain information from these sources about steps an individual can take to avoid identity theft as well as information about fraud alerts and security freezes. You should also contact your local law enforcement authorities and file a police report. Obtain a copy of the police report in case you are asked to provide copies to creditors to correct your records. Contact information for the Federal Trade Commission is as follows:

- *Federal Trade Commission*, Consumer Response Center, 600 Pennsylvania Avenue NW, Washington, DC 20580, 1-877-IDTHEFT (438-4338), [www.ftc.gov/idtheft](http://www.ftc.gov/idtheft)

### ***Fraud Alerts and Credit or Security Freezes:***

**Fraud Alerts:** There are two types of general fraud alerts you can place on your credit report to put your creditors on notice that you may be a victim of fraud—an initial alert and an extended alert. You may ask that an initial fraud alert be placed on your credit report if you suspect you have been, or are about to be, a victim of identity theft. An initial fraud alert stays on your credit report for one year. You may have an extended alert placed on your credit report if you have already been a victim of identity theft with the appropriate documentary proof. An extended fraud alert stays on your credit report for seven years.

To place a fraud alert on your credit reports, contact one of the nationwide credit bureaus. A fraud alert is free. The credit bureau you contact must tell the other two, and all three will place an alert on their versions of your report.

For those in the military who want to protect their credit while deployed, an Active Duty Military Fraud Alert lasts for one year and can be renewed for the length of your deployment. The credit bureaus will also take you off their marketing lists for pre-screened credit card offers for two years, unless you ask them not to.

**Credit or Security Freezes:** You have the right to put a credit freeze, also known as a security freeze, on your credit file, free of charge, which makes it more difficult for identity thieves to open new accounts in your name. That's because most creditors need to see your credit report before they approve a new account. If they can't see your report, they may not extend the credit.

*How do I place a freeze on my credit reports?* There is no fee to place or lift a security freeze. Unlike a fraud alert, you must separately place a security freeze on your credit file at each credit reporting company. For information and instructions to place a security freeze, contact each of the credit reporting agencies at the addresses below:

- **Experian Security Freeze**, PO Box 9554, Allen, TX 75013, [www.experian.com](http://www.experian.com)
- **TransUnion Security Freeze**, PO Box 2000, Chester, PA 19016, [www.transunion.com](http://www.transunion.com)
- **Equifax Security Freeze**, PO Box 105788, Atlanta, GA 30348, [www.equifax.com](http://www.equifax.com)

You'll need to supply your name, address, date of birth, Social Security number and other personal information.

After receiving your freeze request, each credit bureau will provide you with a unique PIN (personal identification number) or password. Keep the PIN or password in a safe place. You will need it if you choose to lift the freeze.

*How do I lift a freeze?* A freeze remains in place until you ask the credit bureau to temporarily lift it or remove it altogether. If the request is made online or by phone, a credit bureau must lift a freeze within one hour. If the request is made by mail, then the bureau must lift the freeze no later than three business days after getting your request.

If you opt for a temporary lift because you are applying for credit or a job, and you can find out which credit bureau the business will contact for your file, you can save some time by lifting the freeze only at that particular credit bureau. Otherwise, you need to make the request with all three credit bureaus.
