NOTICE OF DATA BREACH

Dear <DNA>,

Afni, Inc. ("Afni") is writing to inform you of an event that may impact the security of some of your information. Although we have received no indication of any actual or attempted identity theft or fraud of your personal information as a result of this event, this notice provides information about the event, our response, and resources available to you to help protect your information from possible misuse, should you feel it is necessary to do so.

What Happened? On June 7, 2021, Afni discovered anomalous activity within its computer network. Afni immediately launched an investigation, with the assistance of third-party cybersecurity specialists, to determine the nature and scope of the event. The investigation determined that on or before June 7, 2021, an unauthorized actor gained access to certain Afni systems and that the unauthorized actor may have viewed or taken data from within those systems. Therefore, we conducted a thorough and in-depth review of the information within those systems to identify individuals with personal information that was potentially accessible. On June 3rd, 2022, Afni finalized this review to confirm the nature and scope of impacted data and the individuals to whom that data related. Although we are unaware of any actual or attempted identity theft or fraud of your personal information, we are providing you this notice out of an abundance of caution.

What Information Was Involved? The investigation determined that your name, address, social security number, and date of birth may have been accessible.

What We Are Doing? The confidentiality, privacy, and security of information in our care are among our highest priorities. Upon learning of the event, we investigated and responded to the event, assessed the security of our systems, and notified potentially affected individuals. We are notifying potentially affected individuals, including you, so that you may take further steps to best protect your information, should you feel it is necessary to do so. We regret any inconvenience or concern this event may cause. As an added precaution, and although we do not have any indication of any actual or attempted identity theft or fraud of your personal information, we are offering credit monitoring and identity theft protection services through Equifax for 12 months, at no cost to you.

What You Can Do? We encourage you to remain vigilant against incidents of identity theft and fraud by reviewing your account statement and credit reports for suspicious activity and to report any suspicious activity promptly to your bank or financial institution. Additional information and resources are included in the enclosed Steps You Can Take To Protect Personal Information. You may also enroll in the complimentary credit monitoring services available to you. Enrollment instructions are attached to this letter.

We encourage you to remain vigilant against incidents of identity theft, to review your account statements, and to monitor your credit reports for suspicious activities. If you see any suspicious charges on your credit card statements, we encourage you to promptly report the suspicious charges to the issuer of your credit card. Under U.S. law, you are entitled to one free credit report annually from each of the three major credit reporting bureaus. To order your free credit report, visit www.annualcreditreport.com or call, toll-free, 1-877-322-8228. You may also contact the three major credit bureaus directly to request a free copy of your credit report.

You have the right to place a "credit freeze" on a credit report, which will prohibit a credit bureau from releasing information in the credit report without the consumer's express authorization. The credit freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a credit freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. To request a credit freeze, you will need to provide the following information:

1. Full name (including middle initial, as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. Addresses for the prior two to five years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government-issued identification card (state driver's license or ID card, military identification, etc.); and
7. A copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft if you are a victim of identity theft.

Should you wish to place a fraud alert or a credit freeze, please contact the three major credit reporting bureaus listed below:
