Re: Notice of Data Breach

Dear Sample A. Sample:

We are writing to inform you of an incident that may have involved some of your personal information.

WHAT HAPPENED?

On September 6, 2023, Sabre GBLB Inc. (“Sabre”) became aware that the confidentiality of some of its employee related information, including personal information maintained by Sabre, was compromised by an unauthorized third party that in some instances was posted on the dark web in a series of posts concluding in October 2023.

Upon learning of the incident, Sabre took immediate action to activate its incident response protocols to investigate and promptly implement containment measures. Sabre engaged counsel and, through counsel, a third-party forensic provider to assist with the investigation and to advise on managing the breach and lessening its impact. Sabre also informed the appropriate law enforcement and regulatory authorities. Based on a complex and intricate data analysis process, Sabre recently determined that your personal information may have been accessed by the unauthorized third-party.

WHAT INFORMATION WAS INVOLVED?

Protecting our employees’ personal information is of critical importance to Sabre. The personal information at issue related to your employment or related relationship with Sabre may include your name, Social Security number, date of birth, employment related information, financial account number, identification documents such as passport, driver’s license, or national ID numbers, and signature.

When you receive your credit reports, review them carefully. Look for accounts or creditor inquiries that you did not initiate or do not recognize. Look for information, such as home address and Social Security number, that is not accurate. If you see anything you do not understand, call the credit reporting agency at the telephone number on the report.

Credit Freeze

You have the right to put a security freeze, also known as a credit freeze, on your credit file, so that no new credit can be opened in your name without the use of a Personal Identification Number (PIN) that is issued to you when you initiate a freeze. A credit freeze is designed to prevent potential creditors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to access your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. Should you wish to place a credit freeze, please contact all three major consumer reporting agencies identified above.

You must separately place a credit freeze on your credit file at each credit reporting agency. The following information should be included when requesting a credit freeze: Full name, with middle initial and any suffixes; Social Security number; date of birth (month, day, and year); current address and previous addresses for the past five (5) years; proof of current address, such as a current utility bill or telephone bill; and other personal information as required by the applicable credit reporting agency. If you request a credit freeze online or by phone, the credit reporting agencies have one (1) business day after receiving your request to place a credit freeze on your credit file. If you request a lift of the credit freeze online or by phone, the credit reporting agency must lift the freeze within one (1) hour. If you request a credit freeze or lift of a credit freeze by mail, the credit reporting agency must place or lift the credit freeze no later than three (3) business days after getting your request.

Fraud Alerts

You also have the right to place an initial or extended fraud alert on your credit file at no cost. An initial fraud alert lasts 1-year. Upon seeing a fraud alert display on a consumer's credit file, a business is required to take steps to verify the consumer's identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which lasts 7 years. Should you wish to place a fraud alert, please contact any one of the major consumer reporting agencies listed above. The agency you contact will then contact the other two credit agencies.

Attachment B: Additional State Law Information

You can further educate yourself regarding identity theft and the steps you can take to protect yourself, by contacting your state Attorney General or the Federal Trade Commission. Instances of known or suspected identity theft should be reported to law enforcement, your Attorney General, and the FTC. **The Federal Trade Commission:** 600 Pennsylvania Avenue, NW Washington, DC 20580. 1-877-ID-THEFT (1-877-438-4338); TTY: 1-866-653-4261; and www.ftc.gov/idtheft.

For residents of the District of Columbia, Iowa, Maryland, New York, North Carolina, Oregon and Rhode Island

You may contact your Attorney General for additional information about avoiding identity theft. If you are a Rhode Island resident, you may also file a police report by contacting local or state law enforcement agencies. You may use the following information to contact your attorney general:
