Dear Sample A Sample:

I am writing to notify you that, as part of an investigation, we reviewed a former employee's email activity and access to computer systems. On August 27, 2015, we determined that the former employee emailed certain electronic documents to a personal email address without authorization on April 26, 2013.

Your information was included in one or more of these electronic documents. The information included your name, date of birth, insurance identification number, date of service and billing code. The information did not include Social Security numbers, California issued identification numbers, credit card or bank account numbers.

While the information in the electronic documents is very limited, because we do not know if the information in the emailed electronic documents was viewed or used, we are offering you a free one-year membership in Experian's ProtectMyID Alert to provide you with credit monitoring capabilities and assistance in identity theft protection. For more information on ProtectMyID Alert and instructions on how to activate your complimentary one-year membership, please see the reverse side of this letter.

We continue to investigate this incident and are working with law enforcement. We apologize for any concerns or inconvenience this may cause and have set up a special toll-free number to help answer your questions. You may call (877) 235-0796, Monday through Friday, 6:00 a.m. to 5:00 p.m. Pacific Time. When prompted, please enter the following 10 digit reference number: 2456090915.

Sincerely,

Jacki Monson

What you can do to protect your information: There are additional actions you can consider taking to reduce the chances of identity theft or fraud on your account(s). Please refer to the final page of this letter.

* Identity theft insurance is underwritten by insurance company subsidiaries or affiliates of American International Group, Inc. (AIG). The description herein is a summary and intended for informational purposes only and does not include all terms, conditions and exclusions of the policies described. Please refer to the actual policies for terms, conditions, and exclusions of coverage. Coverage may not be available in all jurisdictions.

ADDITIONAL ACTIONS TO HELP REDUCE YOUR CHANCES OF IDENTITY THEFT

⇒ PLACE A 90-DAY FRAUD ALERT ON YOUR CREDIT FILE

An **initial 90 day security alert** indicates to anyone requesting your credit file that you suspect you are a victim of fraud. When you or someone else attempts to open a credit account in your name, increase the credit limit on an existing account, or obtain a new card on an existing account, the lender should take steps to verify that you have authorized the request. If the creditor cannot verify this, the request should not be satisfied. You may contact one of the credit reporting companies below for assistance.

Equifax
1-800-525-6285
www.equifax.com

Experian
1-888-397-3742
www.experian.com

TransUnion
1-800-680-7289
www.transunion.com

⇒ PLACE A SECURITY FREEZE ON YOUR CREDIT FILE

If you are very concerned about becoming a victim of fraud or identity theft, a security freeze might be right for you. Placing a freeze on your credit report will prevent lenders and others from accessing your credit report entirely, which will prevent them from extending credit. With a Security Freeze in place, you will be required to take special steps when you wish to apply for any type of credit. This process is also completed through each of the credit reporting companies.

⇒ ORDER YOUR FREE ANNUAL CREDIT REPORTS

Visit www.annualcreditreport.com or call 877-322-8228. Once you receive your credit reports, review them for discrepancies. Identify any accounts you did not open or inquiries from creditors that you did not authorize. Verify all information is correct. If you have questions or notice incorrect information, contact the credit reporting company.

⇒ MANAGE YOUR PERSONAL INFORMATION

Take steps such as: carrying only essential documents with you; being aware of whom you are sharing your personal information with and shredding receipts, statements, and other sensitive information.

⇒ USE TOOLS FROM CREDIT PROVIDERS

Carefully review your credit reports and bank, credit card and other account statements. Be proactive and create alerts on credit cards and bank accounts to notify you of activity. If you discover unauthorized or suspicious activity on your credit report or by any other means, file an identity theft report with your local police and contact a credit reporting company.
