Notice of Data breach

Dear Client,

We are writing to tell you about a data security incident that may have allowed an unauthorized individual to acquire some of your personal information. We take the protection and proper use of your information very seriously. For this reason, we are contacting you directly to explain the circumstances of the incident.

What happened?

On September 22, 2020, we became aware that a firm Network server was used to send unauthorized emails, and we swiftly engaged computer experts to help determine what occurred. The investigation found that the account had been accessed by unauthorized individuals. In response, we reset the passwords to affected email accounts Turned off the known effected Server and implemented additional security controls to prevent further unauthorized access. We are not aware of any unauthorized access to the firm's Data or underlying systems, and we are providing this notice to you as a precautionary measure.

What you can do.

You should remain vigilant for incidents of fraud and identity theft by reviewing account statements and monitoring your credit report for unauthorized activity. Promptly report incidents of suspected identity theft or suspicious activity. **If you do find any evidence of identity theft you should let us know and we will provide you without charge one year of Identity theft protection insurance**

Should you have questions or concerns regarding this matter, please do not hesitate to contact us.

Sincerely,

Robert T. Bledsoe
