STEPS YOU CAN TAKE TO HELP PROTECT YOUR INFORMATION

Monitor Your Accounts and Credit Reports: Generally speaking, it is good practice to remain vigilant against incidents of identity theft and fraud by reviewing your credit reports/account statements and explanation of benefits forms for suspicious activity and to detect errors.

You May Obtain a Free Credit Report: Under U.S. law, you are entitled to one free credit report annually from each of the three major credit reporting bureaus, TransUnion, Experian, and Equifax. To order your free credit report, visit <https://annualcreditreport.com>, call toll-free at 1-877-322-8228, complete the Annual Credit Report Request Form on the Federal Trade Commission's (FTC) website at <https://ftc.gov> and mail it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348-5281. Once you receive your credit report, review it for discrepancies and identify any accounts you did not open or inquiries from creditors that you did not authorize. If you have questions or notice incorrect information, contact one of the credit reporting bureaus.

Fraud Alert Services: You have the right to place an initial or extended "fraud alert" on a credit file at no cost. An initial fraud alert is a one-year alert that is placed on a consumer's credit file. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any accounts in your name. To place a fraud alert on your credit report, contact any of the three credit reporting agencies identified below.

Credit Freeze Instructions: As an alternative to a fraud alert, you have the right to place a "credit freeze" on a credit report, which will prohibit a credit bureau from releasing information in the credit report without your express authorization. The credit freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a credit freeze may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. To request a credit freeze, you should provide the following information:

1. Full name (including middle initial as well as Jr., Sr., III, etc.);
2. Social Security number;
3. Date of birth;
4. Address information from the prior two to five years;
5. Proof of current address, such as current utility or telephone bill;
6. A legible photocopy of a government-issued identification card (e.g., state driver's license or identification card); and
7. A copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft, if you are a victim of identity theft.

Should you wish to place a fraud alert or credit freeze, you may contact a major credit reporting bureau listed below:
