September 23, 2014

Dear John Q. Sample,

Fidelity National Financial, Inc. (“FNF”) is writing to inform you of an incident that may have involved your personal information. FNF is the parent company of Ticor Title Company of Oregon, Ticor Title of Nevada, Inc., Lawyers Title Company, and Lawyers Title of Oregon, LLC, which provide title insurance and real estate settlement services in Oregon, Nevada, and/or California.

In April 2014, certain of our employees were the subject of a targeted phishing attack. As a result of this phishing attack, the attackers obtained username and password information for a small number of our employee email accounts and logged into a subset of those accounts intermittently from April 14 through April 16, 2014. These email accounts are hosted by a recognized third-party service provider. Our investigation revealed no evidence that the attackers penetrated FNF’s internal network or systems. Upon learning of this attack, FNF promptly notified federal law enforcement and began an investigation. FNF worked with a third-party security expert to determine the scope of the attack.

We are writing to inform you that, through our ongoing investigation, we have learned that some of your personal information, including SSN, bank account number, credit/debit card number and driver’s license number, may have been accessible during the attack. The investigation has revealed no evidence that the attackers accessed your personal information, but the investigation also cannot exclude this possibility based on the evidence available. Our third-party security expert has advised us that the apparent purpose of the attackers’ activity was to obtain information about ongoing business transactions in order to redirect scheduled money transfers. The third-party security expert has further advised us that the attackers’ behavior was not designed to access or acquire large volumes of personal information. As a result of this information from our third-party security expert, we believe the risk to you associated with the incident is low. Nevertheless, we want to inform you of steps you may take to guard against identity theft or fraud. Please review the enclosed Information about Identity Theft Protection.

As an added precaution, we have arranged to have AllClear ID protect your identity for 12 months at no cost to you. The following identity protection services start on the date of this notice, and you can use them at any time during the next 12 months.

## **Information about Identity Theft Prevention**

We recommend that you regularly review statements from your accounts and periodically obtain your credit report from one or more of the national credit reporting companies. You may obtain a free copy of your credit report online at [www.annualcreditreport.com](http://www.annualcreditreport.com), by calling toll-free 1-877-322-8228, or by mailing an Annual Credit Report Request Form (available at [www.annualcreditreport.com](http://www.annualcreditreport.com)) to: Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA, 30348-5281. You may also purchase a copy of your credit report by contacting one or more of the three national credit reporting agencies listed below.

**Equifax**, P.O. Box 105139, Atlanta, Georgia 30374-0241, 1-800-685-1111, [www.equifax.com](http://www.equifax.com)

**Experian**, P.O. Box 2002, Allen, TX 75013, 1-888-397-3742, [www.experian.com](http://www.experian.com)

**TransUnion**, P.O. Box 6790, Fullerton, CA 92834-6790, 1-800-916-8800, [www.transunion.com](http://www.transunion.com)

When you receive your credit reports, review them carefully. Look for accounts or creditor inquiries that you did not initiate or do not recognize. Look for information, such as home address and Social Security number, that is not accurate. If you see anything you do not understand, call the credit reporting agency at the telephone number on the report.

We recommend you remain vigilant with respect to reviewing your account statements and credit reports, and promptly report any suspicious activity or suspected identity theft to us and to the proper law enforcement authorities, including local law enforcement, your state's attorney general and/or the Federal Trade Commission ("FTC"). You may contact the FTC or your state's regulatory authority to obtain additional information about avoiding identity theft.

**Fraud Alerts:** There are also two types of fraud alerts that you can place on your credit report to put your creditors on notice that you may be a victim of fraud: an initial alert and an extended alert. You may ask that an initial fraud alert be placed on your credit report if you suspect you have been, or are about to be, a victim of identity theft. An initial fraud alert stays on your credit report for at least 90 days. You may have an extended alert placed on your credit report if you have already been a victim of identity theft with the appropriate documentary proof. An extended fraud alert stays on your credit report for seven years. You can place a fraud alert on your credit report by calling the toll-free fraud number of any of the three national credit reporting agencies listed below.

Equifax: 1-800-525-6285, [www.equifax.com](http://www.equifax.com)

Experian: 1-888-397-3742, [www.experian.com](http://www.experian.com)

TransUnion: 1-800-680-7289, [www.transunion.com](http://www.transunion.com)

**Credit Freezes (for Non-Massachusetts Residents):** You may have the right to put a credit freeze, also known as a security freeze, on your credit file, so that no new credit can be opened in your name without the use of a PIN number that is issued to you when you initiate a freeze. A credit freeze is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to get access to your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. In addition, you may incur fees to place, lift and/or remove a credit freeze. Credit freeze laws vary from state to state. The cost of placing, temporarily lifting, and removing a credit freeze also varies by state, generally \$5 to \$20 per action at each credit reporting company. *Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company.* Since the instructions for how to establish a credit freeze differ from state to state, please contact the three major credit reporting companies as specified below to find out more information:

Equifax, P.O. Box 105788, Atlanta, GA 30348, [www.equifax.com](http://www.equifax.com)

Experian, P.O. Box 9554, Allen, TX 75013, [www.experian.com](http://www.experian.com)

TransUnion, LLC, P.O. Box 2000, Chester, PA, 19022-2000, [www.transunion.com](http://www.transunion.com)

You can obtain more information about fraud alerts and credit freezes by contacting the FTC or one of the national credit reporting agencies listed above.

**Credit Freezes (for Massachusetts Residents):** Massachusetts law gives you the right to place a security freeze on your consumer reports. A security freeze is designed to prevent credit, loans and services from being approved in your name without your consent. Using a security freeze, however, may delay your ability to obtain credit. You may request that a freeze be placed on your credit report by sending a request to a credit reporting agency by certified mail, overnight mail or regular stamped mail to the address below:

Equifax, P.O. Box 105788, Atlanta, GA 30348, [www.equifax.com](http://www.equifax.com)

Experian, P.O. Box 9554, Allen, TX 75013, [www.experian.com](http://www.experian.com)

TransUnion, LLC, P.O. Box 2000, Chester, PA, 19022-2000, [www.transunion.com](http://www.transunion.com)

*Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company.* The following information should be included when requesting a security freeze (documentation for you and your spouse must be submitted when freezing a spouse's credit report): full name, with middle initial and any suffixes; Social Security number; date of birth (month, day and year); current address and previous addresses for the past five (5) years; and applicable fee (if any) or incident report or complaint with a law enforcement agency or the Department of Motor Vehicles. The request should also include a copy of a government-issued identification card, such as a driver's license, state or military ID card, and a copy of a utility bill, bank or insurance statement. Each copy should be legible, display your name and current mailing address, and the date of issue (statement dates must be recent). The credit reporting company may charge a reasonable fee of up to \$5 to place a freeze or lift or remove a freeze, unless you are a victim of identity theft or the spouse of a victim of identity theft, and have submitted a valid police report relating to the identity theft to the credit reporting company.
