## Notice of Data Breach

Dear <<first\_name>> <<middle\_name>> <<last\_name>> <<suffix>>,

At Coyuchi, our key values include our commitment to people and responsibility for those around us. One of the responsibilities we have as a company is to protect the privacy of our customers personal information. We are writing to tell you about a data security incident that may have exposed some of your personal information. We take the protection and proper use of your information very seriously. For this reason, we are contacting you directly to explain the circumstances of the incident.

### What happened?

Coyuchi discovered malicious code had been placed on our site that was designed to collect information entered at checkout such as payment card details and the user's name, email address and address. We discovered this through an anti-virus alert on July 18<sup>th</sup> and the code was immediately removed from the site. Our security investigation indicates that the intrusion began on June 20, 2019 and as stated, was promptly removed on July 18, 2019 as soon as it was discovered.

### What information was involved?

The information that the attacker had access to may include first and last name, address, email address, phone number and any debit or credit card numbers with expiration dates used on our website. On the Coyuchi website, we never request any Social Security numbers or other identification numbers, and these identification numbers could not have been impacted.

### What we are doing.

Since the incident, we have implemented additional security measures designed to help prevent a recurrence of such an attack and to protect the privacy of all Coyuchi customers. We added a second layer of malware detection. We are also committed to staying abreast of updates in the security and privacy industry and making the necessary enhancements to ensure that your data is protected.

You may obtain a copy of your credit report, free of charge, once every 12 months from each of the three nationwide credit reporting agencies.

To order your annual free credit report please visit [www.annualcreditreport.com](http://www.annualcreditreport.com) or call toll free at **1-877-322-8228**.

The following information must be included when requesting a security freeze (note that if you are requesting a credit report for your spouse, this information must be provided for him/her as well): (1) full name, with middle initial and any suffixes; (2) Social Security number; (3) date of birth; (4) current address and any previous addresses for the past five years; and (5) any applicable incident report or complaint with a law enforcement agency or the Registry of Motor Vehicles. The request must also include a copy of a government-issued identification card and a copy of a recent utility bill or bank or insurance statement. It is essential that each copy be legible, display your name and current mailing address, and the date of issue.

**Federal Trade Commission and State Attorneys General Offices.** If you believe you are the victim of identity theft or have reason to believe your personal information has been misused, you should immediately contact the Federal Trade Commission and/or the Attorney General's office in your home state. You may also contact these agencies for information on how to prevent or avoid identity theft.

You may contact the **Federal Trade Commission**, Consumer Response Center, 600 Pennsylvania Avenue, NW, Washington, DC 20580, [www.ftc.gov/bcp/edu/microsites/idtheft/](http://www.ftc.gov/bcp/edu/microsites/idtheft/), 1-877-IDTHEFT (438-4338).
