Directions for placing a Fraud Alert

A fraud alert is a consumer statement added to your credit report. This statement alerts creditors of possible fraudulent activity within your report as well as requests that they contact you prior to establishing any accounts in your name. Once the fraud alert is added to your credit report, all creditors should contact you prior to establishing any account in your name. To place a 90-day fraud alert on your credit file, log into the Equifax Member Center and click on the fraud alert tab, visit www.fraudalerts.equifax.com or call our auto fraud line at 1-877-478-7625, and follow the simple prompts. Once the fraud alert has been placed with Equifax, a notification will be sent to the other two credit reporting agencies, Experian and Trans Union, on your behalf. Fraud alerts last 90 days unless you manually renew it or use the automatic fraud alert feature within your Credit Watch subscription.
