Dear _____ :

Designed Receivable Solutions, Inc. (“DRSI”) is writing on behalf of _____, to inform you of a data security incident involving your sensitive information. DRSI operates a revenue cycle management that enables healthcare clients such as Armstrong to improve their patient communication and satisfaction, and their financial performance, and received your information in connection with these services. While we are unaware of any fraudulent misuse of your data at this time, we are providing you with details about the incident, steps we are taking in response, and resources available to help you protect against the potential misuse of your data. Please be assured DRSI takes the protection and proper use of your data very seriously.

What Happened?

On January 22, 2024, DRSI detected suspicious activity in its network environment. Upon discovery of this incident, DRSI promptly took steps to secure its network and engaged a specialized cybersecurity firm to investigate the nature and scope of the incident. As a result of the investigation, DRSI learned that an unauthorized actor accessed certain files and data stored within our network.

Upon learning this, DRSI began a time-consuming and detailed reconstruction and review of the data stored on the server at the time of this incident to understand whose information was affected. On March 13, 2024, DRSI identified persons whose sensitive data was included within the impacted data. At this time, we have no evidence any of the information has been misused by a third party, but because information related to you was disclosed, we are notifying you out of full transparency.

What Information Was Involved?

The following data was potentially accessed and acquired by a person not authorized to view them: name, address, date of birth, and Social Security number.

What We Are Doing?

Data security is one of our highest priorities. Upon detecting this incident, we moved quickly to initiate an investigation, which included retaining a leading forensic investigation firm who assisted in conducting an investigation and confirming the security of our network environment. We also deployed additional monitoring tools and will continue to enhance the security of our systems. We take the protection and proper use of personal information very seriously.

As part of our ongoing commitment to information privacy and the security of information, and in coordination with Armstrong, we are notifying you of this incident, and we are providing you with access to Single Bureau Credit Monitoring/Single Bureau Credit Report/Single Bureau Credit Score services at no charge. These services provide you with alerts for twelve (12) months from the date of enrollment when changes occur to your credit file. This notification is sent to you the same day that the change or update takes place with the bureau. Finally, we are providing you with proactive fraud assistance to help with any questions that you might have or in event that you become a victim of fraud. These services will be provided by Cyberscout, a TransUnion company specializing in fraud assistance and remediation services.

What You Can Do

We encourage you to remain vigilant against incidents of identity theft and fraud, to review your account statements, and to monitor your credit reports for suspicious or unauthorized activity. Additionally, security experts suggest that you contact your financial institution and all major credit bureaus to inform them of such a breach and then take whatever steps are recommended to protect your interests, including the possible placement of a fraud alert on your credit file. Please review the enclosed *Additional Information* to learn more about how to protect against the possibility of information misuse.

To enroll in Credit Monitoring services at no charge, please log on to **www.mytrueidentity.com** and follow the instructions provided. When prompted please provide the following unique code to receive services: [REDACTED]. Please note that the code is case-sensitive and will need to be entered as it appears.

In order for you to receive the monitoring services described above, you must enroll within 90 days from the date of this letter. The enrollment requires an internet connection and e-mail account and may not be available to minors under the age of 18 years of age. Once enrolled you will have twelve (12) months of monitoring services. At the end of twelve (12) months, the services will be deactivated. Please note that when signing up for monitoring services, you may be asked to verify personal information for your own protection to confirm your identity.

For More Information

Representatives are available for 90 days from the date of this letter, to assist you with questions regarding this incident, between the hours of 8:00 a.m. to 8:00 p.m. Eastern time, Monday through Friday, excluding holidays. Please call the help line 1-833-961-7183 and supply the fraud specialist with the unique code listed above. The call center representatives have been fully versed in the incident and can answer questions or concerns you may have regarding the protection of your personal information.

Additional Information

Credit Reports: You may obtain a copy of your credit report, free of charge, whether or not you suspect any unauthorized activity on your account. You may obtain a free copy of your credit report from each of the three nationwide credit reporting agencies. To order your free credit report, please visit www.annualcreditreport.com, or call toll-free at 1-877-322-8228. You can also order your annual free credit report by mailing a completed Annual Credit Report Request Form (available at <https://www.consumer.ftc.gov/articles/0155-free-credit-reports>) to: Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA, 30348-5281.

Security Freeze: You also have the right to place a security freeze on your credit report. A security freeze is intended to prevent credit, loans, and services from being approved in your name without your consent. To place a security freeze on your credit report, you need to make a request to each consumer reporting agency. You may make that request by certified mail, overnight mail, regular stamped mail, or by following the instructions found at the websites listed below. The following information must be included when requesting a security freeze (note that if you are requesting a credit report for your spouse or a minor under the age of 16, this information must be provided for him/her as well): (1) full name, with middle initial and any suffixes; (2) Social Security number; (3) date of birth; (4) current address and any previous addresses for the past five years; and (5) any applicable incident report or complaint with a law enforcement agency or the Registry of Motor Vehicles. The request must also include a copy of a government-issued identification card and a copy of a recent utility bill or bank or insurance statement. It is essential that each copy be legible, display your name and current mailing address, and the date of issue. As of September 21, 2018, it is free to place, lift, or remove a security freeze. You may also place a security freeze for children under the age of 16. You may obtain a free security freeze by contacting any one or more of the following national consumer reporting agencies:

Equifax Security Freeze P.O. Box 105788 Atlanta, GA 30348 1-800-349-9960 https://www.equifax.com/personal/credit-report-services/credit-freeze/	Experian Security Freeze P.O. Box 9554 Allen, TX 75013 1-888-397-3742 www.experian.com/freeze/center.html	TransUnion Security Freeze P.O. Box 160 Woodlyn, PA 19094 1-888-909-8872 www.transunion.com/credit-freeze

Fraud Alerts: You can place fraud alerts with the three credit bureaus by phone and online with:

- ◆ Equifax (https://assets.equifax.com/assets/personal/Fraud_Alert_Request_Form.pdf);
- ◆ TransUnion (<https://www.transunion.com/fraud-alerts>); or
- ◆ Experian (<https://www.experian.com/fraud/center.html>).

A fraud alert tells creditors to follow certain procedures, including contacting you, before they open any new accounts or change your existing accounts. For that reason, placing a fraud alert can protect you, but also may delay you when you seek to obtain credit. As of September 21, 2018, initial fraud alerts last for one year. Victims of identity theft can also get an extended fraud alert for seven years. The phone numbers for all three credit bureaus are at the bottom of this page.

Monitoring: You should always remain vigilant and monitor your accounts for suspicious or unusual activity.

File Police Report: You have the right to file or obtain a police report if you experience identity fraud. Please note that in order to file a crime report or incident report with law enforcement for identity theft, you will likely need to provide proof that you have been a victim. A police report is often required to dispute fraudulent items. You can generally report suspected incidents of identity theft to local law enforcement or to the Attorney General.

FTC and Attorneys General: You can further educate yourself regarding identity theft, fraud alerts, security freezes, and the steps you can take to protect yourself, by contacting the consumer reporting agencies, the Federal Trade Commission, or your state Attorney General. The Federal Trade Commission can be reached at: 600 Pennsylvania Avenue NW, Washington, DC 20580, www.identitytheft.gov, 1-877-ID-THEFT (1-877-438-4338), TTY: 1-866-653-4261. The Federal Trade Commission also encourages those who discover that their information has been misused to file a complaint with them. You can obtain further information on how to file such a complaint by way of the contact information listed above. You have the right to file a police report if you ever experience identity theft or fraud. Please note that in order to file a report with law enforcement for identity theft, you will likely need to provide some proof that you have been a victim. Instances of known or suspected identity theft should also be reported to law enforcement. This notice has not been delayed by law enforcement.
