Dear Sample A. Sample:

Discovery Practice Management, Inc. (“Discovery”) provides administrative support services to Authentic Recovery Center and Cliffside Malibu facilities.<sup>1</sup> As part of that relationship, Discovery maintains the Facilities’ email environment. Regrettably, we are writing to inform you of an incident involving unauthorized access to that email environment, which contained some of your information. While we have no indication that your information has been misused, this letter explains the incident, outlines the measures we have taken in response, and steps you can take.

**What Happened?** On July 31, 2020, our investigation into suspicious email account activity identified unauthorized logins to two Facilities’ staff email accounts between June 22 and June 26, 2020. We immediately took steps to secure the accounts and a computer forensic firm was engaged to assist with our investigation. Because the investigation was unable to determine if any emails and/or attachments were actually viewed or acquired, we conducted a comprehensive review of the accounts’ contents to determine the type of information contained in the accounts and to whom the information related. We then worked with the Facilities to confirm contact information for potentially impacted individuals, which was completed on June 2, 2021. During this process we determined some of your information was contained within the email accounts.

**What Information Was Involved?** The information involved may include your name, address, date of birth, medical record and/or patient account number, health insurance information, financial account or payment card information, Social Security number and/or driver’s license number; and/or clinical information, such as diagnosis, treatment information, and/or prescription information.

**What We Are Doing.** We believe that the account access occurred as part of an attempt to divert invoice payments to the wrong place (not to access your information). Still, we wanted to notify you of this incident and assure you we take this very seriously. As a precaution, we are offering you a complimentary one-year membership in Experian® IdentityWorks<sup>SM</sup> Credit 3B. This product helps detect possible misuse of your personal information and provides you with identity protection services focused on immediate identification and resolution of identity theft. IdentityWorks<sup>SM</sup> is completely free to you and enrolling in this program will not hurt your credit score. For more about identity theft prevention and IdentityWorks<sup>SM</sup>, including instructions on how to activate your complimentary one-year membership and information about identity protection, please see the additional information provided with this letter.

To help prevent something like this from happening in the future, we reinforced education with Facilities’ staff regarding how to identify and avoid suspicious emails and are making additional security enhancements to our email environment.

---

<sup>1</sup> The impacted Cliffside Malibu facilities include Cliffside Malibu, Cliffside Malibu II, Cliffside Malibu 3, Sunset Malibu, Access Malibu, Inc., Cliffside Malibu Outpatient Services, Recovery Malibu, Inc., and Service Industries, Inc. These are referred to collectively in this letter as the “Facilities”.

**What You Can Do.** For more information on identity theft prevention and your complimentary services, please see the additional information provided with this letter. We also recommend that you review statements you receive from your financial institution, healthcare providers, and health insurer. If you see any unauthorized activity, please contact the institution, provider or insurer immediately.

**For More Information.** Discovery places a high value on maintaining the integrity and security of the systems we maintain for our clients. We deeply regret that this incident occurred and any concern it may cause you. If you have any questions, please call (833) 541-1594, Monday through Friday between 6:00 a.m. and 8:00 p.m. Pacific Time, or Saturday and Sunday between 8:00 a.m. and 5:00 p.m. Pacific Time, excluding major U.S. holidays. Be prepared to provide your engagement number B013881.

## ADDITIONAL STEPS YOU CAN TAKE

We remind you it is always advisable to be vigilant for incidents of fraud or identity theft by reviewing your account statements and free credit reports for any unauthorized activity. You may obtain a copy of your credit report, free of charge, once every 12 months from each of the three nationwide credit reporting companies. To order your annual free credit report, please visit [www.annualcreditreport.com](http://www.annualcreditreport.com) or call toll free at 1-877-322-8228. Contact information for the three nationwide credit reporting companies is as follows:

- *Equifax*, PO Box 740241, Atlanta, GA 30374, [www.equifax.com](http://www.equifax.com), 1-800-685-1111
- *Experian*, PO Box 2002, Allen, TX 75013, [www.experian.com](http://www.experian.com), 1-888-397-3742
- *TransUnion*, PO Box 2000, Chester, PA 19016, [www.transunion.com](http://www.transunion.com), 1-800-916-8800

If you believe you are the victim of identity theft or have reason to believe your personal information has been misused, you should immediately contact the Federal Trade Commission and/or the Attorney General's office in your state. You can obtain information from these sources about steps an individual can take to avoid identity theft as well as information about fraud alerts and security freezes. You should also contact your local law enforcement authorities and file a police report. Obtain a copy of the police report in case you are asked to provide copies to creditors to correct your records. Contact information for the Federal Trade Commission is as follows:

- *Federal Trade Commission*, Consumer Response Center, 600 Pennsylvania Avenue NW, Washington, DC 20580, 1-877-IDTHEFT (438-4338), [www.ftc.gov/idtheft](http://www.ftc.gov/idtheft)

If your payment card information was involved, we remind you to remain vigilant to the possibility of fraud by reviewing your card statements for any unauthorized activity. You should immediately report any unauthorized charges to your card issuer because payment card network rules generally provide that cardholders are not responsible for unauthorized charges reported in a timely manner. The phone number to call is usually on the back of your payment card. Please see the pages that follow this notice for additional steps you may take.

### ***Fraud Alerts and Credit or Security Freezes:***

**Fraud Alerts:** There are two types of general fraud alerts you can place on your credit report to put your creditors on notice that you may be a victim of fraud—an initial alert and an extended alert. You may ask that an initial fraud alert be placed on your credit report if you suspect you have been, or are about to be, a victim of identity theft. An initial fraud alert stays on your credit report for one year. You may have an extended alert placed on your credit report if you have already been a victim of identity theft with the appropriate documentary proof. An extended fraud alert stays on your credit report for seven years.

To place a fraud alert on your credit reports, contact one of the nationwide credit bureaus. A fraud alert is free. The credit bureau you contact must tell the other two, and all three will place an alert on their versions of your report.

For those in the military who want to protect their credit while deployed, an Active Duty Military Fraud Alert lasts for one year and can be renewed for the length of your deployment. The credit bureaus will also take you off their marketing lists for pre-screened credit card offers for two years, unless you ask them not to.

**Credit or Security Freezes:** You have the right to put a credit freeze, also known as a security freeze, on your credit file, free of charge, which makes it more difficult for identity thieves to open new accounts in your name. That's because most creditors need to see your credit report before they approve a new account. If they can't see your report, they may not extend the credit.

*How do I place a freeze on my credit reports?* There is no fee to place or lift a security freeze. Unlike a fraud alert, you must separately place a security freeze on your credit file at each credit reporting company. For information and instructions to place a security freeze, contact each of the credit reporting agencies at the addresses below:

- **Experian Security Freeze**, PO Box 9554, Allen, TX 75013, [www.experian.com](http://www.experian.com)
- **TransUnion Security Freeze**, PO Box 2000, Chester, PA 19016, [www.transunion.com](http://www.transunion.com)
- **Equifax Security Freeze**, PO Box 105788, Atlanta, GA 30348, [www.equifax.com](http://www.equifax.com)

You'll need to supply your name, address, date of birth, Social Security number and other personal information.

After receiving your freeze request, each credit bureau will provide you with a unique PIN (personal identification number) or password. Keep the PIN or password in a safe place. You will need it if you choose to lift the freeze.

*How do I lift a freeze?* A freeze remains in place until you ask the credit bureau to temporarily lift it or remove it altogether. If the request is made online or by phone, a credit bureau must lift a freeze within one hour. If the request is made by mail, then the bureau must lift the freeze no later than three business days after getting your request.

If you opt for a temporary lift because you are applying for credit or a job, and you can find out which credit bureau the business will contact for your file, you can save some time by lifting the freeze only at that particular credit bureau. Otherwise, you need to make the request with all three credit bureaus.

You may contact Discovery at 4281 Katella Ave., Suite 111, Los Alamitos, CA 90720 | (714) 828-1800.
