Dear Parent or Guardian of [REDACTED]:

Edgewood Partners Insurance Center (“EPIC”) is committed to protecting the personal information it maintains. Regrettably, we are writing to inform you about an incident involving some of that information.

In the evening hours of July 16 to July 17, 2013, five password protected unencrypted laptops were stolen from EPIC’s office located at 135 Main Street, 21st Floor, San Francisco, CA 94105. EPIC learned of this incident on July 17, 2013. Upon learning this, we reported the incident to law enforcement and began an investigation into the contents of the laptops, which included the engagement of an expert computer forensics company. After completing a thorough analysis, we discovered that one of the laptops contained information regarding current and former employees of EPIC and related companies and companies for which EPIC performs human resources functions. We also found information of certain beneficiaries and dependents of employees. Not all former employees, beneficiaries, and dependents were affected. This information may have included your child’s name, address, date of birth, benefits information, and Social Security number. In addition, limited health information relating to your child may have been involved. To date, we have been unable to locate the laptops.

Even though nothing leads us to believe that the information on the laptops was targeted or that any information has been misused, we wanted to let you know this had happened and assure you that we have taken this seriously. As a precautionary measure, we are offering you a free one-year membership in Family Secure[®] from Experian[®]. Family Secure monitors your Experian credit report to notify you of key changes. In addition, Family Secure will tell you if the minors in your household have a credit report, a potential sign that their identities have been stolen. Family Secure is completely free and will not hurt your credit score. **For more information about Family Secure and instructions on how to activate the complimentary one-year membership, please see the additional information provided in this letter.**

In addition, we recommend that you remain vigilant to the possibility of fraud and identity theft over the next 12 to 24 months by reviewing your child’s account statements and immediately reporting any suspicious activity to us. You may also obtain a copy of your child’s credit report, free of charge, directly from each of the three nationwide credit reporting agencies. To order your child’s credit report, free of charge once every 12 months, please visit www.annualcreditreport.com or call toll free at 1-877-322-8228. You should periodically obtain credit reports from each of the nationwide credit reporting agencies and request that any fraudulent activity be deleted.
