Notice of Data Breach

Dear VTEXT: Responsible Party for <<MemberFirstName>> <<MemberLastName>>,

We are writing to tell you about a data security incident that may have exposed personal information about you or a family member. We take the protection and proper use of all personal information very seriously, and for this reason, we are contacting you directly to explain the circumstances of the incident.

What happened?

On May 10, 2018, an unauthorized third party accessed our servers which included files containing personal information about you or your family member. We became aware of the incident on May 12, 2018 and immediately terminated the third party's unauthorized access. We promptly initiated an investigation to determine how the access occurred, and what information was or may have been accessed. We have also notified local and federal law enforcement agencies and are cooperating with those entities as they investigate this incident.

What information was involved?

The third party may have accessed demographic data and personal health information about you or your family member, including your or your family member's name, date of birth, address, and in some instances, a social security number. In some cases, personal health information of our former residents and patients of our health care facilities may also have been accessed.

What we are doing.

We are committed to making every reasonable effort to safeguard your personal information. We have security measures in place for our electronically-stored information, and monitor our computer system for unauthorized access. We also revisit our security measures periodically in an attempt to reduce the likelihood that third parties will access electronically-stored information, and work to determine if there are additional reasonable steps that we should take to lessen the chance of future incidents.

Free Credit Report. It is recommended that you remain vigilant for incidents of fraud and identity theft by reviewing account statements and monitoring your credit report for unauthorized activity. You may obtain a copy of your credit report, free of charge, once every 12 months from each of the three nationwide credit reporting agencies.

To order your annual free credit report please visit www.annualcreditreport.com or call toll free at **1-877-322-8228**.

You can also order your annual free credit report by mailing a completed Annual Credit Report Request Form (available from the U.S. Federal Trade Commission's ("FTC") website at www.consumer.ftc.gov) to:
Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348-5281.

For Colorado, Georgia, Maine, Maryland, Massachusetts, New Jersey, Puerto Rico, and Vermont residents:

You may obtain one or more (depending on the state) additional copies of your credit report, free of charge. You must contact each of the credit reporting agencies directly to obtain such additional report(s).

Fraud Alert. You may place a fraud alert in your file by calling one of the three nationwide credit reporting agencies above. A fraud alert tells creditors to follow certain procedures, including contacting you before they open any new accounts or change your existing accounts. For that reason, placing a fraud alert can protect you, but also may delay you when you seek to obtain credit.

Security Freeze. You have the ability to place a security freeze on your credit report.

A security freeze is intended to prevent credit, loans and services from being approved in your name without your consent. To place a security freeze on your credit report, you may be able to use an online process, an automated telephone line, or a written request to any of the three credit reporting agencies listed above. The following information must be included when requesting a security freeze (note that if you are requesting a credit report for your spouse, this information must be provided for him/her as well): (1) full name, with middle initial and any suffixes; (2) Social Security number; (3) date of birth; (4) current address and any previous addresses for the past five years; and (5) any applicable incident report or complaint with a law enforcement agency or the Registry of Motor Vehicles. The request must also include a copy of a government-issued identification card and a copy of a recent utility bill or bank or insurance statement. It is essential that each copy be legible, display your name and current mailing address, and the date of issue. The credit reporting agencies may charge a fee to place a freeze, temporarily lift it or permanently remove it. The fee is waived if you are a victim of identity theft and have submitted a valid investigative or law enforcement report or complaint relating to the identity theft incident to the credit reporting agencies. (You must review your state's requirement(s) and/or credit bureau requirement(s) for the specific document(s) to be submitted.)

For Massachusetts residents: The fee for each placement of a freeze, temporary lift of a freeze, or removal of a freeze is \$5.

Federal Trade Commission and State Attorneys General Offices. If you believe you are the victim of identity theft or have reason to believe your personal information has been misused, you should immediately contact the Federal Trade Commission and/or the Attorney General's office in your home state. You may also contact these agencies for information on how to prevent or avoid identity theft.

You may contact the **Federal Trade Commission**, Consumer Response Center, 600 Pennsylvania Avenue, NW, Washington, DC 20580, www.ftc.gov/bcp/edu/microsites/idtheft/, 1-877-IDTHEFT (438-4338).
