## Re: Notice of Data Security Incident

Dear <<MemberFirstName>> <<MemberLastName>>,

On behalf of CoPilot Provider Support Services, Inc. ("CoPilot"), I am writing to notify you of a data security incident that first occurred in October of 2015, which may have involved your personal information.

### What Happened?

CoPilot maintains a particular website, [www.monovischcp.com](http://www.monovischcp.com),<sup>1</sup> used by physicians to help determine whether insurance coverage is available for ORTHOVISC® and MONOVISC® injections. This website may have been used by your physician's office to make an inquiry about your insurance coverage for these injections. On December 23, 2015, CoPilot received complaints claiming that personal information submitted to the site, including health information, was accessible for downloading from the website. CoPilot immediately launched an investigation and retained a leading cybersecurity consulting firm to assist in its investigation of what occurred.

As a result of CoPilot's investigation, CoPilot believes that it identified the individual who accessed CoPilot's database through unauthorized means and downloaded certain health information, and that the data was not accessible for downloading by the general public from the website. Subsequently, CoPilot referred the matter to law enforcement. Our understanding is that the law enforcement investigation supports CoPilot's conclusion about the identity of the responsible individual.

### What Information Was Involved?

The data accessed may have contained information such as your name, gender, date of birth, address, phone number, and medical insurance card information. **It is important to note that your Social Security number was not included.** No medical records, or specific diagnosis or treatment information was involved in this incident, although the fact that your information was in our database, in connection with other information, could suggest that an inquiry was made regarding whether you had insurance coverage for ORTHOVISC® or MONOVISC® injections.

### What we are doing.

We are committed to protecting your information and using it in an appropriate manner. We sincerely apologize for any inconvenience this incident may cause. We are taking steps to address the situation and to further protect against a similar incident in the future, including utilizing enhanced verification, enhanced encryption and implementing increased security audit activity.

At this time, we have no reason to believe that your particular data was targeted, or misused, or that it will be further accessed or disclosed in a manner that exposes you to any significant risk of identity theft, or that it will be further accessed or disclosed. Further, CoPilot has no reason to believe that the information accessed by this individual will be used in any way to cause you financial harm.

You may obtain a copy of your credit report, free of charge, once every 12 months from each of the three nationwide credit reporting agencies.

To order your annual free credit report please visit **[www.annualcreditreport.com](http://www.annualcreditreport.com)** or call toll free at **1-877-322-8228**.

You can also order your annual free credit report by mailing a completed Annual Credit Report Request Form (available from the U.S. Federal Trade Commission's ("FTC") website at [www.consumer.ftc.gov](http://www.consumer.ftc.gov)) to:  
Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348-5281.

### **For Colorado, Georgia, Maine, Maryland, Massachusetts, New Jersey, Puerto Rico, and Vermont residents:**

You may obtain one or more (depending on the state) additional copies of your credit report, free of charge. You must contact each of the credit reporting agencies directly to obtain such additional report(s).

**Fraud Alert.** You may place a fraud alert in your file by calling one of the three nationwide credit reporting agencies above. A fraud alert tells creditors to follow certain procedures, including contacting you before they open any new accounts or change your existing accounts. For that reason, placing a fraud alert can protect you, but also may delay you when you seek to obtain credit.

**Security Freeze.** You have the ability to place a security freeze on your credit report.

A security freeze is intended to prevent credit, loans and services from being approved in your name without your consent. To place a security freeze on your credit report, you may be able to use an online process, an automated telephone line, or a written request to any of the three credit reporting agencies listed above. The following information must be included when requesting a security freeze (note that if you are requesting a credit report for your spouse, this information must be provided for him/her as well): (1) full name, with middle initial and any suffixes; (2) Social Security number; (3) date of birth; (4) current address and any previous addresses for the past five years; and (5) any applicable incident report or complaint with a law enforcement agency or the Registry of Motor Vehicles. The request must also include a copy of a government-issued identification card and a copy of a recent utility bill or bank or insurance statement. It is essential that each copy be legible, display your name and current mailing address, and the date of issue. The credit reporting agencies may charge a fee to place a freeze, temporarily lift it or permanently remove it. The fee is waived if you are a victim of identity theft and have submitted a valid investigative or law enforcement report or complaint relating to the identity theft incident to the credit reporting agencies. (You must review your state's requirement(s) and/or credit bureau requirement(s) for the specific document(s) to be submitted.)

**For Massachusetts residents:** The fee for each placement of a freeze, temporary lift of a freeze, or removal of a freeze is \$5.

**Federal Trade Commission and State Attorneys General Offices.** If you believe you are the victim of identity theft or have reason to believe your personal information has been misused, you should immediately contact the Federal Trade Commission and/or the Attorney General's office in your home state. You may also contact these agencies for information on how to prevent or avoid identity theft.

You may contact the **Federal Trade Commission**, Consumer Response Center, 600 Pennsylvania Avenue, NW, Washington, DC 20580, [www.ftc.gov/bcp/edu/microsites/idtheft/](http://www.ftc.gov/bcp/edu/microsites/idtheft/), 1-877-IDTHEFT (438-4338).

**For Maryland residents:** You may contact the Maryland Office of the Attorney General, Consumer Protection Division, 200 St. Paul Place, Baltimore, MD 21202, [www.oag.state.md.us](http://www.oag.state.md.us), 1-888-743-0023.

**For North Carolina residents:** You may contact the North Carolina Office of the Attorney General, Consumer Protection Division, 9001 Mail Service Center, Raleigh, NC 27699-9001, [www.ncdoj.gov](http://www.ncdoj.gov), 1-877-566-7226.

### **Reporting of identity theft and obtaining a police report.**

**For Massachusetts residents:** You have the right to obtain a police report if you are a victim of identity theft.

**For Oregon residents:** You are advised to report any suspected identity theft to law enforcement, the Federal Trade Commission, and the Oregon Attorney General.
