Re: <<Variable Data 2>>

Dear <<First Name>> <<Last Name>>,

I am writing to inform you of a data security incident experienced by HCI, LLC ("HCI"), that may have involved your personal information. At HCI, we take the privacy and security of all of the information in our possession very seriously. That is why we are notifying you of the incident, offering you identity monitoring services, and informing you about steps you can take to help protect your information.

**What Happened?** On September 2, 2020, HCI became aware of a possible data security incident involving our computer network. We immediately conducted an investigation and hired independent computer forensic investigators to help determine what happened. The investigation determined that an unauthorized individual accessed certain employee's email accounts some time prior to June 2020. We then hired a third party vendor to conduct a thorough review of the impacted information. That review determined that the personal information of some individuals including our current and former employees may have been accessed by the unauthorized person. We then took steps to obtain your current address and notify you of this incident. We have no information at this time that your information has been misused.

**What Information Was Involved?** The information potentially impacted includes your name and <<variable data 1>>.

**What Are We Doing?** As soon as we discovered the incident, we took the steps described above. ## STEPS YOU CAN TAKE TO FURTHER PROTECT YOUR INFORMATION

**Review Your Account Statements and Notify Law Enforcement of Suspicious Activity:** As a precautionary measure, we recommend that you remain vigilant and review your account statements and credit reports closely. If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained. You should also promptly report any fraudulent activity or any suspected incidence of identity theft to proper law enforcement authorities, your state attorney general, and/or the Federal Trade Commission (the “FTC”).

**Copy of Credit Report:** You may obtain a free copy of your credit report from each of the three major credit reporting agencies once every 12 months by visiting <http://www.annualcreditreport.com/>, calling toll-free 877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348. You can also contact one of the following three national credit reporting agencies:

<b>Equifax</b> P.O. Box 105851 Atlanta, GA 30348 1-800-525-6285 <a href="http://www.equifax.com">www.equifax.com</a>	<b>Experian</b> P.O. **Fraud Alert:** You may want to consider placing a fraud alert on your credit report. An initial fraud alert is free and will stay on your credit file for at least 90 days. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any accounts in your name. To place a fraud alert on your credit report, contact any of the three credit reporting agencies identified above. Additional information is available at <http://www.annualcreditreport.com>.

**Security Freeze:** You have the right to put a security freeze on your credit file. This will prevent new credit from being opened in your name without the use of a PIN number that is issued to you when you initiate the freeze. A security freeze is designed to prevent potential creditors from accessing your credit report without your consent. As a result, using a security freeze may interfere with or delay your ability to obtain credit. You must separately place a security freeze on your credit file with each credit reporting agency. There is no charge to place, lift or remove the security freeze. In order to place a security freeze, you may be required to provide the consumer reporting agency with information that identifies you including your full name, Social Security number, date of birth, current and previous addresses, a copy of your state-issued identification card, and a recent utility bill, bank statement or insurance statement.

**Additional Free Resources:** You can obtain information from the consumer reporting agencies, the FTC or from your respective state Attorney General about fraud alerts, security freezes, and steps you can take toward preventing identity theft. You may report suspected identity theft to local law enforcement, including to the FTC or to the Attorney General in your state. Contact information for the FTC is: **Federal Trade Commission**, 600 Pennsylvania Ave, NW, Washington, DC 20580, [www.consumer.ftc.gov](http://www.consumer.ftc.gov) or [www.ftc.gov/idtheft](http://www.ftc.gov/idtheft), 1-877-438-4338. Residents of New York, Maryland, North Carolina, and Rhode Island can obtain more information from their Attorneys General using the contact information below.

**You also have certain rights under the Fair Credit Reporting Act (FCRA):** These rights include knowing what is in your file; disputing incomplete or inaccurate information; and requiring consumer reporting agencies correct or delete inaccurate, incomplete, or unverifiable information. For more information about the FCRA, please visit <https://www.consumer.ftc.gov/articles/pdf-0096-fair-credit-reporting-act.pdf>.

**Personal Information of a Minor:** You can request that each of the three national credit reporting agencies perform a manual search for a minor's Social Security number to determine if there is an associated credit report. Copies of identifying information for the minor and parent/guardian may be required, including birth or adoption certificate, Social Security card and government issued identification card. If a credit report exists, you should request a copy of the report and immediately report any fraudulent accounts to the credit reporting agency. You can also report any misuse of a minor's information to the FTC at <https://www.identitytheft.gov/>. For more information about Child Identity Theft and instructions for requesting a manual Social Security number search, visit the FTC website: <https://www.consumer.ftc.gov/articles/0040-child-identity-theft>.
