## ADDITIONAL RESOURCES

### Contact information for the three (3) nationwide credit reporting agencies:

**Experian**, P.O. Box 2104, Allen, TX 75013, [www.experian.com](http://www.experian.com), 1-888-397-3742

**TransUnion**, P.O. Box 2000, Chester, PA 19022, [www.transunion.com](http://www.transunion.com), 1-800-888-4213

**Free Credit Report.** It is recommended that you remain vigilant for incidents of fraud and identity theft by reviewing account statements and monitoring your credit report for unauthorized activity. You may obtain a copy of your credit report, free of charge, once every twelve (12) months from each of the three (3) nationwide credit reporting agencies.

To order your annual free credit report please visit [www.annualcreditreport.com](http://www.annualcreditreport.com) or call toll free at **1-877-322-8228**.

You can also order your annual free credit report by mailing a completed Annual Credit Report Request Form (available from the U.S. Federal Trade Commission's ("FTC") website at [www.consumer.ftc.gov](http://www.consumer.ftc.gov)) to: Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348-5281.

**For Colorado, Georgia, Maine, Maryland, Massachusetts, New Jersey, Puerto Rico, and Vermont residents:** You may obtain one or more (depending on the state) additional copies of your credit report, free of charge. You must contact each of the credit reporting agencies directly to obtain such additional report(s).

**Fraud Alert.** You may place a fraud alert in your file by calling one (1) of the three (3) nationwide credit reporting agencies above. A fraud alert tells creditors to follow certain procedures, including contacting you before they open any new accounts or change your existing accounts. For that reason, placing a fraud alert can protect you, but also may delay you when you seek to obtain credit.

**Security Freeze.** You may obtain a security freeze on your credit report, free of charge, to protect your privacy and ensure that credit is not granted in your name without your knowledge. You may also submit a declaration of removal to remove information placed in your credit report as a result of being a victim of identity theft. You have a right to place a security freeze on your credit report, free of charge, or submit a declaration of removal pursuant to the Fair Credit Reporting and Identity Security Act.

The security freeze will prohibit a consumer reporting agency from releasing any information in your credit report without your express authorization or approval. The security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. When you place a security freeze on your credit report, you will be provided with a personal identification number, password, or similar device to use if you choose to remove the freeze on your credit report or to temporarily authorize the release of your credit report to a specific party or parties or for a specific period of time after the freeze is in place.

To place a security freeze on your credit report, you may be able to use an online process, an automated telephone line, or a written request to any of the three (3) credit reporting agencies listed above. The following information must be included when requesting a security freeze (note that if you are requesting a credit report for your spouse, this information must be provided for him/her as well): 1) full name, with middle initial and any suffixes; 2) Social Security number; 3) date of birth; 4) current address and any previous addresses for the past five (5) years; and 5) any applicable incident report or complaint with a law enforcement agency or the Registry of Motor Vehicles. The request must also include a copy of a government-issued identification card and a copy of a recent utility bill or bank or insurance statement. It is essential that each copy be legible, and display your name, current mailing address, and the date of issue.

**For New Mexico Residents:** You may obtain a security freeze on your credit report to protect your privacy and ensure that credit is not granted in your name without your knowledge. You may submit a declaration of removal to remove information placed in your credit report as a result of being a victim of identity theft.
