Notice of Data Breach

Dear [First Name Last Name]:

Blue Shield of California (Blue Shield) takes the privacy and confidentiality of your information very seriously. We are writing to inform you of a data incident that involved some of your personal data.

What Happened

On October 20, 2020, Blue Shield discovered that an error occurred when it updated its Medicare Advantage HMO provider directories. This error caused your Social Security Number to display as your provider identification number in the provider directories. Directories were displayed in PDF format on Blue Shield's website, and that of its printing vendor, Arvato, between October 16-20, 2020. The directories were viewed, and in some cases, downloaded by brokers, members and prospects. A number of printed directories were also mailed to Blue Shield brokers and members during this time.

Upon discovering this error, Blue Shield immediately took action to remove these directories from both websites and was able to retrieve and destroy the majority of the downloaded and mailed copies. Blue Shield is not aware of any misuse of your information. However, out of an abundance of caution, Blue Shield is notifying you of this incident.

What Information Was Involved

The information displayed in the directories included your Social Security Number.

What Are We Doing

Blue Shield is committed to safeguarding your personal information and took immediate steps to mitigate and remediate the issue. Blue Shield immediately removed the incorrect directories from its and Arvato's websites and stopped the delivery of the majority of printed copies of the directories before they were delivered to brokers, members and prospects. Blue Shield was also able to ensure the return or destruction of the majority of the directories that were downloaded or delivered.

Blue Shield has also taken steps to improve its processes to ensure that events like this do not occur in the future. Blue Shield has made policy and process changes to limit its disclosure of this type of information to vendors and to ensure that there are additional quality assurance checks before directories are published and mailed.

Blue Shield is also offering you complimentary access to an Experian IdentityWorksSM Membership for one year. To sign up for this membership, please contact Experian's customer care team at 877.890.9332. Be prepared to provide engagement number DB23635 as proof of eligibility for these services.
