NOTICE OF DATA INCIDENT

Dear <<FIRST NAME>> <<LAST NAME>>:

Liberty Partners Financial Services, LLC writes to notify you of an incident that may impact the privacy of certain information provided to us. We take this incident very seriously and are providing you information about the incident, our response, and steps you can take to help protect your information.

What Happened: On September 17, 2021, we identified unusual activity in an employee's email account. We immediately began an investigation, which included working with third-party forensic specialists to determine the full nature and scope of the activity. The investigation determined there was unauthorized access to additional employee email accounts. Therefore, in an abundance of caution, together with outside consultants, we conducted a review of the contents of the impacted email accounts to determine the types of information contained therein and to whom the information related. On March 30, 2022, that time consuming review was completed and we then worked to confirm contact information to notify potentially impacted individuals.

What Information Was Involved: The information present in the accounts at the time of the unauthorized access included your name in combination with the following: <<data elements>>.

What We Are Doing: In response to this incident, we enhanced our user log-in security protocol, changed all user email account passwords and are reviewing our policies and procedures related to data security.

What You Can Do: Additionally, although we have no evidence of actual or attempted misuse of any information as a result of this incident, we are providing you access to 12 months of credit monitoring and identity protection services at no cost to you. Instructions about how to enroll in these services as well as additional resources available to you are included in the enclosed "*Steps You Can Take to Help Protect Your Information.*"

For More Information: We understand you may have questions about this incident. You may contact our dedicated assistance line at 1-833-940-2300, Monday through Friday from 6 am – 6 pm PT (excluding major U.S. holidays), or write to us at 119 Simmons St, Mount Pleasant, South Carolina, 29464.

STEPS YOU CAN TAKE TO HELP PROTECT YOUR INFORMATION

Enroll in Credit Monitoring / Identity Protection

- 1. Website and Enrollment.** Go to <https://response.idx.us/libertypartners> and follow the instructions for enrollment using your Enrollment Code provided at the top of the letter. Please note the deadline to enroll is July 22, 2022.
- 2. Activate the credit monitoring** provided as part of your IDX identity protection membership. The monitoring included in the membership must be activated to be effective. Note: You must have established credit and access to a computer and the internet to use this service. If you need assistance, IDX will be able to assist you.
- 3. Telephone.** Contact IDX at 1-833-940-2300 to gain additional information about this event and speak with knowledgeable representatives about the appropriate steps to take to protect your credit identity.
- 4. Review your credit reports.** We recommend that you remain vigilant by reviewing account statements and monitoring credit reports. Under federal law, you also are entitled every 12 months to one free copy of your credit report from each of the three major credit reporting companies. To obtain a free annual credit report, go to www.annualcreditreport.com or call 1-877-322-8228. You may wish to stagger your requests so that you receive a free report by one of the three credit bureaus every four months.

If you discover any suspicious items and have enrolled in IDX identity protection, notify them immediately by calling or by logging into the IDX website and filing a request for help.

If you file a request for help or report suspicious activity, you will be contacted by a member of the IDX ID Care team who will help you determine the cause of the suspicious items. In the unlikely event that you fall victim to identity theft as a consequence of this incident, you will be assigned an ID Care Specialist who will work on your behalf to identify, stop and reverse the damage quickly.

5. Place Fraud Alerts with the three credit bureaus. If you choose to place a fraud alert, we recommend you do this after activating your credit monitoring. You can place a fraud alert at one of the three major credit bureaus by phone and also via Experian's or Equifax's website. A fraud alert tells creditors to follow certain procedures, including contacting you, before they open any new accounts or change your existing accounts. For that reason, placing a fraud alert can protect you, but also may delay you when you seek to obtain credit.

Monitor Your Accounts

We encourage you to remain vigilant against incidents of identity theft and fraud by reviewing your credit reports/account statements and explanation of benefits forms for suspicious activity and to detect errors. Under U.S. law, you are entitled to one free credit report annually from each of the three major credit reporting bureaus, TransUnion, Experian, and Equifax. To order your free credit report, visit www.annualcreditreport.com or call 1-877-322-8228. Once you receive your credit report, review it for discrepancies and identify any accounts you did not open or inquiries from creditors that you did not authorize. If you have questions or notice incorrect information, contact the credit reporting bureau.

You have the right to place an initial or extended "fraud alert" on a credit file at no cost. An initial fraud alert is a one-year alert that is placed on a consumer's credit file. Upon seeing a fraud alert, a business is required to take steps to verify the consumer's identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any of the three credit reporting bureaus listed below.

As an alternative to a fraud alert, you have the right to place a "credit freeze" on a credit report, which will prohibit a credit bureau from releasing information in the credit report without your express authorization. The credit freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a credit freeze may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. To request a credit freeze, you will need to provide the following information:

1. Full name (including middle initial as well as Jr., Sr., III, etc.);
2. Social Security number;
3. Date of birth;
4. Address for the prior two to five years;
5. Proof of current address, such as a current utility or telephone bill;
6. A legible photocopy of a government-issued identification card (e.g., state driver's license or identification card); and
7. A copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft, if you are a victim of identity theft.

Should you wish to place a fraud alert or credit freeze, please contact the three major credit reporting bureaus listed below:
