**Fraud Alerts:** There are also two types of fraud alerts that you can ask be placed on your credit report to put your creditors on notice that you may be a victim of fraud. You may ask that an initial fraud alert be placed on your credit report if you suspect you have been, or are about to be, a victim of identity theft. An initial fraud alert stays on your credit report for at least 90 days. You may have an extended alert placed on your credit report if you have already been a victim of identity theft with the appropriate documentary proof. An extended fraud alert stays on your credit report for seven years. You can find out more information or place a fraud alert on your credit report by calling the toll-free number of any of the three national credit reporting agencies listed below.

Equifax: 1-888-766-0008, [www.equifax.com](http://www.equifax.com)

Experian: 1-888-397-3742, [www.experian.com](http://www.experian.com)

TransUnion: 1-800-680-7289, [fraud.transunion.com](http://fraud.transunion.com)

**Credit Freezes (for Non-Massachusetts Residents):** You may have the right to put a credit freeze, also known as a security freeze, on your credit file, so that no new credit can be opened in your name without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to get access to your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. In addition,

you may incur fees to place, lift and/or remove a credit freeze. Credit freeze laws vary from state to state. The cost of placing, temporarily lifting, and removing a credit freeze also varies by state, generally \$5 to \$20 per action at each credit reporting company. *Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company.* Since the instructions for how to establish a credit freeze differ from state to state, please contact the three major credit reporting companies as specified below to find out more information:

Equifax Security Freeze: P.O. Box 105788, Atlanta, GA 30348, [www.equifax.com](http://www.equifax.com)  
Experian Security Freeze: P.O. Box 9554, Allen, TX 75013, [www.experian.com](http://www.experian.com)  
TransUnion Security Freeze, Fraud Victim Assistance Department: P.O. Box 2000, Chester, PA, 19022-2000, [freeze.transunion.com](http://freeze.transunion.com)

You can obtain more information about fraud alerts and credit freezes by contacting the FTC or one of the national credit reporting agencies listed above.

**Credit Freezes (for Massachusetts Residents):** Massachusetts law also allows consumers to place a security freeze on their credit reports. A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit mortgages, employment, housing or other services.

If you have been a victim of identity theft, and you provide the credit reporting agency with a valid police report, it cannot charge you to place, lift or remove a security freeze. In all other cases, a credit reporting agency may charge you up to \$5.00 each to place, temporarily lift, or permanently remove a security freeze.

To place a security freeze on your credit report, you must send a written request to **each** of the three major consumer reporting agencies: Equifax ([www.equifax.com](http://www.equifax.com)); Experian ([www.experian.com](http://www.experian.com)); and TransUnion ([www.transunion.com](http://www.transunion.com)) by regular, certified or overnight mail at the addresses below:

Equifax Security Freeze: P.O. Box 105788, Atlanta, GA 30348, [www.equifax.com](http://www.equifax.com)  
Experian Security Freeze: P.O. Box 9554, Allen, TX 75013, [www.experian.com](http://www.experian.com)  
TransUnion Security Freeze, Fraud Victim Assistance Department: P.O. Box 2000, Chester, PA, 19022-2000, [freeze.transunion.com](http://freeze.transunion.com)

The credit reporting agencies have three (3) business days after receiving your request to place a security freeze on your credit report. The credit bureaus must also send written confirmation to you within five (5) business days and provide you with a unique personal identification number (PIN) or password, or both that can be used by you to authorize the removal or lifting of the security freeze.

To lift the security freeze in order to allow a specific entity or individual access to your credit report, you must call or send a written request to the credit reporting agencies by mail and include proper identification (name, address, and social security number) **and** the PIN number or password provided to you when you placed the security freeze as well as the identities of those entities or individuals you would like to receive your credit report or the specific period of
