

Notice of Privacy Breach

[mailing date]

[name]
[address]
[city, state zip]

Dear Mr/Ms. [name],

I am writing to inform you about a health information privacy matter.

What Happened?

During a project to improve mailing addresses for correspondence with Southern California members, an error caused your former address to be temporarily used for one or more mailings to you between October 6 and December 20, 2019. The error was first recognized November 1, 2019 and we began an analysis to identify and correct the source of the problem. Your address was updated in our system on December 20, 2019. Correspondence mailed to your former address may have included appointment reminders, care reminders, surveys, referral letters, and Explanations of Benefits.

What Information Was Involved?

The information in the mailings included demographic information, such as your first and last name and former address and may have included medical information such as diagnosis or medication, billing information, and health insurance information. Your Social Security number and any credit card information were not included in the mailings. While we believe the risk is limited, there is a possibility that the information could be used inappropriately or further disclosed.

What We Are Doing:

After the error was discovered, we conducted an investigation, created a corrective action plan to correct your address, which occurred on December 20, 2019, and are developing training for staff to prevent this kind of error in the future. We have no indication to believe that the information is being used for fraud or other criminal activity. The department that sent you the original mail has re-sent it to you or will re-send it if determined necessary.

What You Can Do:

As always, we recommend that you review your health statements for accuracy and let us know if something does not look right.

Kaiser Permanente respects your right to file a complaint. If you have any questions, concerns or wish to file a complaint with us, please contact us at 1-800-464-4000, 24 hours a day, 7 days a week (closed holidays). For TTY, call 711.
