If you choose to place a fraud alert or security freeze on your own, you will need to contact one of the three major credit agencies directly at:

**Experian (1-888-397-3742)**  
**P.O. Box 4500**  
**Allen, TX 75013**  
**www.experian.com**

**Equifax (1-800-525-6285)**  
**P.O. Box 740241**  
**Atlanta, GA 30374**  
**www.equifax.com**

**TransUnion (1-800-680-7289)**  
**P.O. Box 2000**  
**Chester, PA 19016**

A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on a credit report may delay, interfere with, or prevent the timely approval of any requests you make. There is no charge to request a credit freeze.

In order to request a security freeze, you will need to provide the following information about your minor child:

- Full name (including middle initial as well as Jr., Sr., II, III, etc.);
- Social Security number;
- Copy of birth certificate;
- Copy of Social Security card;
- Date of birth;
- Complete address for the past two (2) years;
- A copy of YOUR utility bill, bank or insurance statement; and
- A legible photocopy of YOUR government issued identification card (state driver's license or ID card, military identification, etc.).

The credit reporting agencies have three (3) business days after receiving your request to place a security freeze on your minor child's credit report. The credit bureaus must also send written confirmation to you within five (5) business days and provide you with a unique personal identification number (PIN) or password, or both, that can be used by you to authorize the removal or lifting of the security freeze.

To lift the security freeze in order to allow a specific entity or individual access to your minor child's credit report, you must call or send a written request to the credit reporting agencies by mail and include proper identification (name, address, and Social Security number) and the PIN number or password provided to you when you placed the security freeze as well as the identities of those entities or individuals you would like to receive your minor child's credit report or the specific period of time you want the credit report available. The credit reporting agencies have three (3) business days after receiving your request to lift the security freeze for those identified entities or for the specified period of time.

To remove the security freeze, you must send a written request to each of the three credit bureaus by mail and include proper identification (name, address, and Social Security number) and the PIN number or password provided to you when you placed the security freeze. The credit bureaus have three (3) business days after receiving your request to remove the security freeze.

Should you wish to obtain a credit report and monitor it on your own, you may obtain free copies of your minor child's credit report by visiting [www.annualcreditreport.com](http://www.annualcreditreport.com) or by calling them toll-free at 1-877-322-8228.
