Dear [REDACTED]:

Mor Furniture for Less, Inc. ("Mor Furniture") is committed to the privacy of its employees and community members and values the confidentiality of the information entrusted to us. Unfortunately, we are writing to advise you of a recent incident that may have involved some of your personal information. **We have no reason to believe that your personal information has been misused for the purpose of committing fraud or identity theft.** Nonetheless, because your information could have been affected, we are providing you this notice with guidance on what you can do to protect yourself, should you feel it is appropriate to do so.

What Happened? On July 16, 2021, we identified a disruption within our network and learned that an unknown third party had accessed our computer network. Upon identifying the issue, we promptly initiated an internal investigation, and hired a leading computer forensics firm to examine our network and to confirm the security of our computer systems. Through the investigation, we confirmed the unknown third party no longer has access to our network. However, we identified that they were able to access and acquire certain files on our network for the time period between July 13 and July 16. Although we are not aware of any instances of fraud or identity theft resulting from the incident, we conducted an internal review to determine the contents of the documents accessible to the unknown third party.

What Information Was Involved? On September 7, 2021, we determined that the impacted information included your name, address, social security number, and financial account number.

What We Are Doing? In addition to restoring the affected systems and conducting an investigation into how the incident occurred, we have taken steps to reduce the risk of this type of incident occurring in the future, including implementing additional technical controls. Additionally, although we have no evidence of information being used for the purposes of fraud or identity theft, we are offering you a complimentary one-year membership to Experian IdentityWorksSM Credit 3B. This product helps detect possible misuse of your personal information and provides you with identity protection services focused on immediate identification and resolution of identity theft. IdentityWorks Credit 3B is completely free to you and enrolling in this program will not hurt your credit score. As a precautionary measure, we recommend that you remain vigilant to protect against potential fraud and/or identity theft by, among other things, reviewing your account statements and monitoring credit reports closely. If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained.

Other Important Information: You should also promptly report any fraudulent activity or any suspected incidents of identity theft to proper law enforcement authorities, including the police and your state's attorney general, as well as the Federal Trade Commission ("FTC").

You may wish to review the tips provided by the FTC on fraud alerts, security/credit freezes and steps you can take to avoid identity theft. For more information and to contact the FTC, please visit www.ftc.gov/idtheft or call 1-877-ID-THEFT (1-877-438-4338). You may also contact the FTC at Federal Trade Commission, 600 Pennsylvania Avenue, NW, Washington, DC 20580.

Credit Reports: You may obtain a free copy of your credit report once every 12 months from each of the three national credit reporting agencies by visiting www.annualcreditreport.com, by calling toll-free 1-877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348. You can print a copy of the request form at <https://www.annualcreditreport.com/manualRequestForm.action>.

Alternatively, you may elect to purchase a copy of your credit report by contacting one of the three national credit reporting agencies. Contact information for the three national credit reporting agencies for the purpose of requesting a copy of your credit report or for general inquiries is as follows:

Experian

Fraud Alerts: You may want to consider placing a fraud alert on your credit report. A fraud alert is free and will stay on your credit report for one (1) year. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any new accounts in your name. To place a fraud alert on your credit report, contact any of the three national credit reporting agencies using the contact information listed above. Additional information is available at www.annualcreditreport.com.

Credit and Security Freezes: You may have the right to place a credit freeze, also known as a security freeze, on your credit file, so that no new credit can be opened in your name without the use of a PIN number that is issued to you when you initiate the freeze. A credit freeze is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to get access to your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company. Since the instructions for how to establish a credit freeze differ from state to state, please contact the three major credit reporting companies as specified below to find out more information:
