Re: Notice of Data Breach

Dear <<Name 1>>:

Atlas Mechanical, Inc. (“Atlas”) is writing to inform you of a recent event that may impact the privacy of some of your personal information. While we are unaware of any attempted or actual misuse of your information, we are providing you with information about the event, our response, and steps you may take to protect against any misuse of your information, should you feel it is necessary to do so.

What Happened? Atlas recently became aware of suspicious activity on its computer network and discovered it could not access certain files on its systems. Atlas immediately launched an investigation, with the assistance of third-party computer forensic specialists, and determined that its network had been infected with malware which prevented access to certain files on the system. The investigation determined that the malware was introduced into the system by an unauthorized actor who also accessed and acquired certain files in Atlas’ system. Atlas then began a lengthy and labor-intensive process to identify sensitive information that may have been contained within impacted files, and to identify the individuals whose information may have been impacted. While our investigation is ongoing, we are notifying you because that investigation determined certain information related to you may have been impacted.

What Information Was Involved? The information in the accessible files includes your name, address, wage/withholding information, and Social Security Number. We have no evidence your information was subject to actual or attempted misuse.

What We Are Doing. Atlas takes this incident and the security of your personal information seriously. Upon discovery, we immediately launched an investigation and took steps to secure our systems. We are reviewing our policies, procedures, and processes related to storage of and access to personal information. As an added precaution, Atlas is providing you with access to one year of complimentary credit monitoring. You can enroll by following the attached instructions.

What You Can Do. You can review the enclosed *Steps You Can Take to Help Protect Your Information* to learn helpful tips on steps you can take to protect against possible misuse should you feel it appropriate to do so. We also encourage you to review your account statements and report all suspicious activity to the institution that issued the record immediately.

For More Information. We understand that you may have questions about this incident that are not addressed in this letter. If you have additional questions, you can call our dedicated call center at 855-914-4703 between 9:00 a.m. and 9:00 p.m. Eastern Time, Monday through Friday.

We sincerely regret any inconvenience or concern this incident has caused.

Sincerely,

Sergey Levinson, President

Steps You Can Take to Help Protect Your Information

Enroll in Credit Monitoring.

As a safeguard, we have arranged for you to enroll, at no cost to you, in an online credit monitoring service (*myTrueIdentity*) for one year provided by TransUnion Interactive, a subsidiary of TransUnion,[®] one of the three nationwide credit reporting companies.

How to Enroll: You can sign up online or via U.S. mail delivery

- To enroll in this service, go to the *myTrueIdentity* website at www.MyTrueIdentity.com and, in the space referenced as “Enter Activation Code,” enter the 12-letter Activation Code <<Insert Unique 12-letter Activation Code>> and follow the three steps to receive your credit monitoring service online within minutes.
- If you do not have access to the Internet and wish to enroll in a similar offline, paper-based credit monitoring service, via U.S. mail delivery, please call the TransUnion Fraud Response Services toll-free hotline at **1-855-288-5422**. When prompted, enter the six-digit telephone passcode <<Insert static 6-digit Telephone Pass Code>> and follow the steps to enroll in the offline credit monitoring service, add an initial fraud alert to your credit file, or to speak to a TransUnion representative if you believe you may be a victim of identity theft.

You can sign up for the online or offline credit monitoring service anytime between now and <<Enrollment Deadline>>. Due to privacy laws, we cannot register you directly. Please note that credit monitoring services might not be available for individuals who do not have a credit file with TransUnion or an address in the United States (or its territories) and a valid Social Security number. Enrolling in this service will not affect your credit score.

Monitor Your Accounts.

To protect against the possibility of identity theft or other financial loss, we encourage you to remain vigilant, to review your account statements, and to monitor your credit reports for suspicious activity.

Credit Reports.

Under U.S. law, you are entitled to one free credit report annually from each of the three major credit reporting bureaus. To order your free credit report, visit www.annualcreditreport.com or call, toll-free, 1-877-322-8228. You may also contact the three major credit bureaus directly to request a free copy of your credit report.

Security Freeze.

You have the right to place a “security freeze” on your credit report, which will prohibit a consumer reporting agency from releasing information in your credit report without your express authorization. The security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a security freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a security freeze on your credit report. Should you wish to place a security freeze, please contact the major consumer reporting agencies listed below:

Experian	TransUnion	Equifax
PO Box 9554	P.O. Box 2000	PO Box 105788
Allen, TX 75013	Chester, PA 19016	Atlanta, GA 30348

www.experian.com/freeze/center.html	www.transunion.com/credit-freeze	www.equifax.com/personal/credit-report-services

To remove the security freeze, you must send a written request to each of the three credit bureaus by mail and include proper identification (name, address, and social security number) and the PIN number or password provided to you when you placed the security freeze. The credit bureaus have three (3) business days after receiving your request to remove the security freeze.

As an alternative to a security freeze, you have the right to place an initial or extended “fraud alert” on your file at no cost. An initial fraud alert is a 1-year alert that is placed on a consumer’s credit file. Upon seeing a fraud alert display on a consumer’s credit file, a business is required to take steps to verify the consumer’s identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any one of the agencies listed below:
